REGISTER'S REPORT.

— o —

STATE LAND OFFICE,
TALLAHASSEE, FLA., Nov. 1, 1864. }

To His Excellency JOHN MILTON,

Governor of Florida:

Sir: I have the honor herewith to submit my official report as Register of Public Lands for the past year:

From November 1, 1863, to February, 1864, I sold 2,975.83 acres of School Lands for \$3,665.22 in cash and \$198.50 in bonds. None of the Seminary Lands have been sold during the past year. In February last, the records of my office were boxed up under your order, and consequently no sales have since been made.

No apportionment of the interest of the School Fund has been made this year. Reports of the number of children between the ages of 5 and 18 years have been received from but four counties, to wit: Gadsden, Leon, Hamilton and Washington.

Of the lands acquired by secession, there have been sold as follows:

ATTORNEY GENERAL'S REPORT.

ATTORNEY GENERAL'S OFFICE, }
TALLAHASSEE, November, 1864. }

His Excellency JOHN MILTON, Governor:

SIR:—Having, in my previous annual report, made repeated reference to the great and growing necessity for a Digest of the Laws of this State, I deem it needless again to revert to the subject further than merely to direct attention to a matter that I consider of great importance, and one of which it is my duty to remind those concerned in-making our laws. The reasons that have been given why this work should be commenced still continue and are increased by the lapse of time. It must be apparent to every one at all conversant with the Statutes of Florida, that a Digest or revision of them would be of much benefit to
