Tallahassee, Fla., May 30, 1911.

*Hon. F. P. Cone,*

*President of the Senate.*

*Sir:*

The Joint Committee appointed by the Senate and House under Senate Concurrent Resolution No. 6, begs leave to make special report, and would ask immediate consideration by the Senate.

In our investigation of the institutions mentioned in the resolution, we found that there were several negro cottages near to the campus of the Florida State College for Women. We were informed by the members of the Board of Control that they had made several efforts to acquire this property, without avail, and it is found necessary to confer the power of Eminent Domain on the Board of Control so as to acquire this property, and rid this institution of negroes in such close proximity. Therefore, we would ask that House Bill No. 679, which confers this right upon the Board of Control, be taken up and considered by the Senate.

The Law School at Gainesville is very much in need of the Florida State Statutes, and our Supreme Court Reports, and other books; that there is no law authorizing the Secretary of State and Clerk of the Supreme Court to deliver these books to the Law School. It is absolutely necessary that the law faculty be in possession of these books. House Bill No. 678 authorizes the Clerk of the Supreme Court and Secretary of State to deliver such books to the law faculty, and we would urgently recommend that this bill be taken up and considered.

Both of these bills were recommended by the joint committee in its original report, it was made a special order, but owing to subsequent resolution of the Senate, the special order was discontinued, and a special calendar adopted.

We would ask that these bills be taken up out of their regular order, and considered at this time.

Respectfully submitted,

W. A. McLEOD,  
W. J. SINGLETARY,  
WM. H. MALONE, JR.,  
BUELL COOK,  
LOUIS A. HENDRY.
