CONSIDERATION OF SENATE RESOLUTIONS.

Senate Concurrent Resolution No. 5:

Memorializing Congress of the United States requesting such action as may be necessary for the immediate with;

drawal of all of the lands owned by the Government in the Choctawhatchee National Forest Reserve, in Walton and Santa Rosa Counties, Florida, that all of the lands within said territory may be again opened to homestead settlers and others as it was prior to its being withdrawn as said Forest Reserve.

Whereas, The United States' President in 1908 and subsequent thereto did withdraw from entry, or other disposition, certain lands in Walton and Santa Rosa Counties, Florida, and did designate the same as the Choctawhatchee National Forest Reserve; and,

Whereas, Prior to the designation of said Forest Reserve a large number of settlers and others were allowed by the United States Government to make homestead entries and other purchases within said territory for both agricultural and other purposes; and,

Whereas, The lands within said territory are covered by a very thin growth of pine timber, and the character of the land most largely consists of a sandy soil, with some hammocks and sub-clay soils, with other timber of not sufficient quality to be of any practical commercial value; and,

Whereas, The Senate is advised that the people of both Walton and Santa Rosa Counties are by a large majority, practically unanimous in their wish that said Forest Reserve be abolished;

Now, therefore;

Be It Resolved by the Senate, and House of Representatives concurring:

That the Senators and Representatives of Florida in Congress of the United States be requested to use every honorable means to procure the immediate withdrawal of all of the government lands from the Choctawhatchee National Forest Reserve in Walton and Santa Rosa Counties, Florida, that said lands may be restored to the same condition for homestead entry and other disposition as it was prior to their withdrawal and designated as the Choctawhatchee National Forest Reserve; and that the

House Concurrent Resolution No. 24:

Be it resolved by the House of Representatives of the State of Florida, the Senate concurring, that,

Whereas, in view of the fact that many of the public schools of the State are now singing, as a part of their daily exercise, the song, "Florida, My Florida," a song written in 1894 by Rev. Dr. C. V. Waugh, for many years an honored professor of languages in the old Florida Agricultural College at Lake City, and

Whereas, the said song has both metric and patriotic merit of the kind calculated to inspire love for home and native State, therefore be it

Resolved, that this song, "Florida, My Florida," be and the same is hereby declared by the Legislature of the State of Florida to be the "State Song," to be sung to the tune of "Maryland, My Maryland," and that it is recommended for use in the daily exercises of the public schools of the State of Florida, as well as at all public gatherings where singing forms a part of the program.

The following is the song:

FLORIDA, MY FLORIDA.

State Patriotic Song for Schools, C. V. Waugh

Land of my birth, bright sunkissed land,
Florida, my Florida,
Laved by the Gulf and Ocean grand,
Florida, my Florida,
Of all the States in East or West,
Unto my heart thou art the best;
Here may I live, here may I rest,
Florida, my Florida.

In country, town, or hills and dells,
Florida, my Florida,
The rhythmic chimes of the school bells,
Florida, my Florida,
Will call thy children day by day
To learn to walk the patriot's way,
Firmly to stand for the fore aye,
Florida, my Florida.

The golden fruit the world outshines
Florida, my Florida,
Thy gardens and thy phosphate mines,
Florida, my Florida,
Yield their rich store of good supply,
To still the voice of hunger's cry—
For thee we'll live, for thee we'll die,
Florida, my Florida.

Th' oppressors rod can't rest on thee,
Florida, my Florida,
Thy sons and daughters free must be,
Florida, my Florida.
From North and South, from East and West,
From freezing blasts they come for rest,
And find in thee their earnest quest,
Florida, my Florida.

When ills betide and woes o'ertake,
Florida, my Florida,
Thy sons and daughters quick will make,—
Florida, my Florida,
The sacrifice of loves and life,
To save from woe, from ills and strife,
To fell thy foes in danger rife,
Florida, my Florida.
