Pending the consideration of which—

Mr. Singletary moved that amendments Nos. 53 and 54, as contained in the foregoing Conference Committee report, be taken up for special consideration by the Senate.

The President ruled the motion of Mr. Singletary out of order, for the reason that the Conference Committee report should be adopted or rejected as a whole.

The question was put upon the adoption of the Conference Committee report on Senate Bill No. 373.

Which was agreed to.

And Senate Bill No. 373, as amended, was referred to Committee on Enrolled Bills.

Mr. Johnson moved that Senate Bill No. 115, together with veto message of the Governor thereto, be taken up out of its order and now considered.

Which was agreed to by a two-thirds vote.

And

Senate Bill No. 115:

A bill to be entitled An Act to amend Section 1131 of the General Statutes of the State of Florida providing for a State Board of Health tax.

Together with the veto message of the Governor.

State of Florida,
Executive Chamber,

Tallahassee, Fla., May 28, 1919.

Hon. James E. Calkins,
President of the Senate,
Senate Chamber.

Sir:

In pursuance of the provisions of Section 28, Article III of the Constitution of Florida, I return to you herewith, without my approval, Senate Bill No. 115, which originated in the Senate:

"An Act to amend Section 1131 of the General Statutes of the State of Florida providing for a State Board of Health tax."

My objections to this bill are as follows:

1st. The bill as passed by both branches of the Legislature does not provide sufficient revenue to meet the regular expenses of the State Board of Health, if it is to continue to operate on the same basis as it has been doing during the year 1918, and I do not deem it advis-

able to in any way cripple this important branch of the public service.

2nd. This Act is not clear in its terms in that it purports to levy the tax therein provided for "to create a special fund for the maintenance and support of the State Board of Health," yet by its language it is uncertain in that immediately after the language above quoted the following language appears: "Other than for maintenance, quarantine, or maritime sanitation." This last quoted provision of the Act is broad in its terms and might so limit the use of the funds derived from the Act that it would greatly embarrass the State Board of Health in carrying on the work for which it is established.

3rd. To keep fifty thousand dollars of the funds derived under this Act intact at all times to be available in case of an epidemic or an emergency would only leave, according to the total assessment valuation of the State, the sum of approximately forty thousand dollars per year for the maintenance and support of the work of the Board of Health, which I do not deem is sufficient to adequately carry on the work of this board.

Very respectfully,
SIDNEY J. CATTS,
Governor.

Was taken up and read.

The question was put: "Shall the bill pass, the objections of the Governor to the contrary notwithstanding?"

Upon which the roll was called and the vote was:

Yeas—Mr. President. Senators Anderson, Bradshaw, Cash, Eaton, Igou, Johnson, King, Lowry, MacWilliams, Malone, Mathis, McLeod, Moore, Oliver, Plympton, Roland, Rowe, Russell, Singletary, Turnbull, Turner—22.

Nays—Senators Andrews, Baker, Butler, Carlton, Crawford, Crosby, Hughlett, Hulley, Stokes, Wilson—10.

So the bill, having received the constitutional two-thirds vote, passed, title as stated, over the veto of the Governor.

Mr. Butler moved that House Bill No. 869 be taken up out of its order and now considered.

Which was agreed to by a two-thirds vote.

And—

House Bill No. 869:

A bill to be entitled An Act affecting the government and extending and amplifying the jurisdiction, powers and duties of the City of South Jacksonville, a municipality in Duval County, Florida.

Was taken up.

Mr. Butler moved that the rules be waived and House Bill No. 869 be read a second time by its title only.

Which was agreed to by a two-thirds vote.

And House Bill No. 869 was read the second time by its title only.

Mr. Butler offered the following amendment to House Bill No. 869:

Insert the following Section to be numbered Section 5.

"This Act shall not take effect nor be operative unless the same shall be approved by the affirmative vote of the majority of the qualified electors of the said city voting for the approval and against the approval of this Act at an election to be called by the City Council of said City and held not later than January 1, 1920. It shall be the duty of the City Council to prepare and furnish all necessary blanks and ballots in submitting this Act at said election and general ballots or special ballots may be used for said purposes as the City Council may determine. The ballots so used shall give the electors an opportunity to vote for the approval or against the approval of this Act and the title thereof shall be printed on the ballot immediately following the words "for approval" and "against approval," which shall be a sufficient designation on the ballots. It shall also be the duty of the City Council of said City to publish this Act and intention of holding an election hereunder, specifying the time and place for holding same, once each week for two consecutive weeks before said election is held, in a newspaper published in Duval County, Florida." The expense of said election shall be paid by the said city.

Mr. Butler moved the adoption of the amendment.

Which was agreed to.

Mr. Butler offered the following amendment to House Bill No. 869:

Strike out Section 5.

Mr. Butler moved the adoption of the amendment.

Which was agreed to.
