Senate Concurrent Resolution No. 10:

Whereas, From the large amount of evidence submitted by petition of reputable citizens of the State of Florida to the Land Department of the State of Florida, it appears that when sections twenty-two (22), twenty-five (25), twenty-seven (27), thirty-four (34) and thirty-five (35), in Township thirty-seven (37) south, Range thirty-five (35) east, were graded, numerous errors were made, in that certain of the said lands were designated as high

lands when they should have been designated as swamp and overflowed lands; and,

Whereas, Various citizens of the State of Florida have acquired title in portions of the said lands under misapprehensions, which they were not responsible for; and,

Whereas, Certain portions of said lands have been entered and granted as homestead which were clearly covered by the Swamp Land Grant Act of 1850; and,

Whereas, Through all these mistakes and errors in grading and classification various citizens of the State of Florida are about to be deprived of lands that they entered in good faith and had a reasonable right to believe that they would in due course acquire a perfect title thereto; and,

Whereas, A great injustice will be perpetrated on these citizens if the present grade and classification is allowed to stand, which is not the purpose of the Federal or State Governments if errors have been made therein; now, therefore, in order that justice may be done to all parties concerned and a thorough and correct status of these lands ascertained, and other lands in the same community,

Be It Resolved by the Senate, the House of Representatives Concurring, That the Commissioner of the General Land Office at Washington, D. C., be and he is hereby requested to send a representative of the Federal Government to Tallahassee, Florida, to meet with a representative of the Trustees of the Internal Improvement Fund to go over and examine all the lands as aforesaid and regrade and reclassify the same where mistakes have been made, and make a thorough report of their findings in the premises to the Commissioner of the General Land Office and the Trustee of the Internal Improvement Fund.

Whereas, We further appeal to the Congressmen of the State of Florida in the United States Congress, and to the Congressmen of the United States in the United States Congress, and to the Senators of the United States in the United States Congress, for a special Act by the United States Congress in returning to the purchasers of the land by title of the State of Florida.
