By Senator Watson—

Senate Concurrent Resolution No. 5.

WHEREAS, On the 20th day of December, 1927, Dr. Albert Alexander Murphree was called by his Maker to life eternal; and

WHEREAS, Dr. Murphree was for nineteen years President of Florida's State University, and under his leadership it became one of the best and greatest institutions of learning in the entire South, the attendance going from less than one hundred in 1909 and reaching more than two thousand at the time of his death.

Florida's University will forever stand as a monument to him as a builder of culture and character and his memory will always be an inspiration to young men of Florida.

He was born at Walnut Grove, Alabama, April 29, 1870. His father was Captain J. E. Murphree of the Confederacy. His mother was Helen Cornelius Murphree. His wife was Jennie Henderson of Tallahassee, Florida.

He won a competitive scholarship to the Peabody Teachers' College which enabled him to get a college education and

graduated in 1892 with Bachelor of Arts degree. Not satisfied, he studied another year and received his Master Degree from the same institution in 1894. The degree of Doctor of Laws was conferred upon him by the University of Alabama and by Rollins College of Florida.

In 1895 he was appointed Professor of Mathematics at the Womans College at Tallahassee and in 1897 was promoted to the Presidency of that institution. He came to the University as its President in 1909 and until his death, he gave it his very best. His worth of influence did not stop in the Southland as he was elected President of the National Association of Presidents of State Universities for 1927 and 1928.

While always a busy man, he found time sufficient to take an active interest in his church. He was a moving spirit in the State Baptist Association and for two years was its President.

In all his efforts, uprightness, integrity, ability and faithfulness were beacon lights that gave strength, force and success to his every endeavor.

His ambition was to be a teacher and when fifteen years old began teaching, and reached the top of his chosen profession when he was appointed President of Florida's State University.

He took little interest in politics, but he was suggested by the late William Jennings Bryan for the Presidency of the United States.

His life is strongly exemplified in the following lines:

"Its the human touch that counts in life,
The touch of your hand and mine
That means far more to the sinking soul
Than bread or shelter or wine,
For with the night the shelter is gone and
The food lasts but for the day,
But the touch of the hand, or the sound of a
Voice remains with the soul always."

Therefore

BE IT RESOLVED by the Senate, the House of Representatives concurring. That in the death of Dr. Alfred Alexander Murphree, Florida has lost a man of brilliant intellect, a scholar of culture and learning, an official of forceful character, and a Christian of aggressive leadership.

RESOLVED FURTHER, That we hereby express to the family of the deceased our most sincere sorrow in their great bereavement.

RESOLVED FURTHER, That these resolutions be spread upon the Journals of the Senate and House of Representatives and a copy, attested to by the Secretary of State, under the great seal of the State, be sent to the family of the deceased.
