Tallahassee, Florida.
May 16, 1931.

To:

Honorable Pat Whitaker,
President of the Senate,

and

Honorable E. Clay Lewis,
Speaker of the House,
Tallahassee, Florida

We, your Special Committee under House Concurrent Resolution No. 10, appointed to investigate into the delay of submittment the of Budget, beg leave to submit the following report:

Upon careful investigation and close interrogation of those directly responsible for the presentation of the Budget report, we find that no one individual nor one department was responsible for the unseemingly, unnecessary delay in getting ready the Budget for this Session of the Legislature, but that all concerned pursued a policy of delay, which, in the total, occasioned the situation calling forth this Resolution for investigation. The Budget Commission was late in starting its hearings. The heads of the several departments and institutions were slow in making their reports to the Commission, without which the Commission could not proceed. Hence the report of the Commission was considerably delayed, with the result that copy was late in being furnished the printer, who, in turn, was delayed in the final publication of the report.

In order to avoid any possible repetition of such delay in the future, and in order that other Legislatures may not be handicapped by lack of needed information relative to the Budget, we recommend the enactment of legislation looking to earlier action by the Budget Commission so that copies of the full Budget Report may be in the hands of every Representative and Senator thirty (30) days prior to the convening of the Legislature.

Respectfully submitted,

H. S. MCKENZIE,
GEO. W. McRORY,
J. H. COFFEE,
House Committee.

RAY NEEL,
BERNARD H. ENGLISH,
Senate Committee.

Senator Neel moved that the above and foregoing Committee Report be adopted and spread upon the Senate Journal.

Which was agreed to.

And it was so ordered.

By unanimous consent Senator Knabb was excused from further attendance upon the body until Monday, May 18, 1931.

Senator Getzen moved that the following explanation of his vote on Committee Substitute for Senate Bill No. 361, which passed the Senate on May 14, 1931, be spread upon the Journal.

Which was agreed to.

And it was so ordered.

Wish to explain my vote upon Committee Substitute for Senate Bill No. 361, and such explanation of my vote upon such bill is as follows:

First, by the passage of Committee Substitute Bill No. 361, and after such bill becomes a law it will then possibly take from the membership of each Legislature the necessity of having to consider a racing measure, thereby saving many hours that has been required to be given to this subject by memberships of the past Legislatures.

Second, it gives to the public in the several counties of the State of Florida where applications are made for the operation of a race track the privilege to vote upon such question, whether or not racing shall be had in such county, thereby allowing home rule, and to determine the voice of the people.

Third, if such bill becomes a law and race tracks are operated in any of the several counties of the State of Florida, it will bring revenue into the State Treasury which will be apportioned to the several counties of the State of Florida equally, to be applied to the General Fund of the several counties of the State of Florida. It will give to the State the right to secure such revenues rather than several individuals created into a syndicate, which by the proponents of the bill acknowl-

edged paid by one race track the sum of One Hundred and Three Thousand (\$103,000) Dollars.

Fourth, the elimination of reports of graft and fraud, and corrupt operations.

I lead the fight for the passage of the Committee substitute of said Bill Number 361 as Chairman of the Miscellaneous Committee and at the instructions of membership of such committee by their unanimous reporting such bill favorably to the Senate, by both the membership of the Miscellaneous Committee of the Senate, and the membership of the Public Amusement Committee of the House, and upon the above and foregoing grounds.

SAMUEL W. GETZEN.
