Honorable R. A. Gray,

Sir:

Pursuant to authority vested in me as Governor, under the

provisions of Section 28 of Article III of the Constitution of Florida, I transmit to you with my objections thereto, Senate Bill No. 617, the same having originated in the Senate, Regular Session of 1931, and being entitled as follows:

"An Act authorizing Counties to accept money in lieu of free text books and authorizing the payment to such counties of said money."

I am withholding my approval of this Bill for the reason that it violates the spirit and purpose of the law providing for free text books to be distributed to certain of the school children of the State. This is a state tax and designed solely to provide books as set forth in the original act.

Very respectfully,
DOYLE E. CARLTON.

Pursuant to authority vested in me as Governor, under the provisions of Section 28 of Article III of the Constitution of Florida, I transmit to you with my objections thereto, Senate Bill No. 704, the same having originated in the Senate, Regular Session of 1931, and being entitled as follows:

An Act to prescribe an alternative method of inspection of marks and brands of live cattle and/or hogs for transportation to commercial abattoirs for immediate slaughter.

I am withholding my approval for the following reasons:

This measure relaxes the usual requirements for recording marks and brands of live stock to be slaughtered and impairs about the only safe guard which the cattle and hog owners have against promiscuous transporting and butchering of hogs and cattle. Where a party is working his own abattoir or slaughter house, he could easily work out a program by which the recording would be done under his direction and not through an independent officer as intended by law.

Very respectfully,
DOYLE E. CARLTON.

"An Act abolishing the City of Elfers in Pasco County, Florida, and repealing Chapter 10540—(No. 518), Special Act of 1925, creating said city and repealing all Acts amendatory thereof."

I am withholding by approval of this bill same being vetoed at request of the Representative from the county in which the City of Elfers is located, the said Representative being absent from the House on account of illness at the time the bill was passed.

Very respectfully,
DOYLE E. CARLTON.

Senator Whitaker moved that the rules be waived and the Senate do now take up the consideration of the Governor's veto to Senate Bill No. 704, contained in the above message.

Which was agreed to by a two-thirds vote.
And it was so ordered.

The question was put: "Will the bill pass, the Governor's veto to the contrary notwithstanding?"

Upon the passage of the bill, the Governor's veto to the contrary notwithstanding, the roll was called and the vote was:

Yeas—Mr. President; Senators Anderson, Andrews, Bell, Bradshaw, Caro, Clarke, Council, Dell, English, Getzen, Gomez, Harris, Harrison, Hilburn, Hinely, Hodges, Howell, Johns, King, Knabb, Lewis, Neel, Parker, Parrish, Stewart, Swearingen, Turner, Watson—29.

Upon the passage of the bill, the Governor's veto to the contrary notwithstanding, the roll was called and the vote was:

So the bill failed to pass over the Governor's veto.

T. J. KNABB.

The following explanations of votes on the passage of Committee Substitute for House Bill No. 1 were received:

I vote for this bill solely because the proceeds go to public schools.

W. D. BELL.

I vote "No" because the rates are too high on certain car weights and thereby impose hardships on car owners.

J. J. PARRISH.

I am opposed to raising the cost of automobile license tags and voted for all amendments against same. After it was

evident this Bill would pass, I voted "Y" as I favor this revenue going to the State School Fund. An appropriation of \$7,500,000 had already been made for school funds and if it were not for the revenue from this Bill, it would have been necessary to levy approximately 10 mills ad valorem tax on real and personal property to take care of the appropriations for schools.
