WHEREAS, said Ocklawaha River and its tributaries lie within the most productive and highly developed agricultural sections of the State of Florida, and

WHEREAS the expenditure of a comparatively small amount of money would make this wonderful land of lakes, rivers, tropical growth, sunshine and wealth accessible to pleasure and commercial water craft;

BE IT THEREFORE RESOLVED BY THE FLORIDA LEGISLATURE, That the Senators and Representatives from the State of Florida in the Congress of the United States of America be and they are hereby respectfully requested and urged to make every effort to obtain the necessary appropriation of monies to be used for the purpose of making the said Ocklawaha River navigable from its outlet in the St. Johns River to its source in Lake Apopka, and
