"(d) 1. After ninety days from the day this Act becomes effective no carrier of insurance, including the parties to any mutual, reciprocal or other association, shall write any compensation insurance under this Act without a permit from the Insurance Commissioner. Such permit shall be given upon application therefor to any insurance or mutual or reciprocal insurance association upon the said Commissioner being satisfied of the solvency of such corporation or association and its ability to perform all its undertakings. The said Commissioner shall have the right to revoke any permit so issued for violation of any provision of this Act.

"2. To provide for the solvency of insurers writing workmen's compensation insurance in this state and to secure reasonable rates, the Insurance Commissioner shall approve an adequate and reasonable rate for each industry classification under which such business is written, which rate and classification shall be the same for all insurers. The rates so established for each industry class shall apply to all employers assigned to the same classification except as rates may be modified by the application of approved merit rating or experience rating systems and a minimum premium schedule. The insurance Commissioner shall, in approving such rates, make use of the workmen's compensation data which from time to time may be available, and of such other helpful information as may be obtainable. For the purpose of uniformity and equality the Insurance Commissioner shall approve a system of schedule and experience rating together with a minimum premium schedule for use in writing of such business in this State. Such schedule rating system shall be confined to a measure of relative safety conditions existing in various risks, and such experience rating system shall be based solely upon loss experience. No system of schedule and/or experience rating except the one so approved shall be used in this State. No insurer shall grant any decrease or make any increase in the rate approved as reasonable and adequate by the Insurance Commissioner except such as may result from the application of the approved schedule or experience rating plans.

"3. Every insurer transacting the business of workmen's Compensation insurance in this State shall file with the Insurance Commissioner the schedule of rates which it proposes to charge for each of the industry classifications under which such business is written together with such system of schedule and/or experience rating as it may propose to use and no such schedule of rates or system of schedule and/or experience rating shall be put into effect until it shall have been approved by the Insurance Commissioner; provided, however, that any such insurer which is a member of a non-partisan rating bureau making rates for Workmen's Compensation insurance in this State which admits to membership any insurer applying therefor and in which stock carriers and non-stock carriers have equal representation may, upon written notice to the department, adopt the rates and rating plans of such bureau but shall not put into effect such rates and rating plans until the same shall have been approved by the Insurance Commissioner as meeting the requirements of this Act.

"4. No such rating organization, or insurer authorized to transact the aforesaid class of insurance within this State, shall fix or make any rates or schedule of rates or charge a rate which discriminates unfairly between such risks within this State of essentially the same hazards. Whenever it is made to appear to the satisfaction of the Commissioner of Insurance that such discrimination exists, he may, after a full hearing before himself or before any salaried employee of his department, whose report he may adopt, order such discrimination removed.

"5. In all hearings before, or investigations conducted by him the Insurance Commissioner shall have power to issue subpoenas requiring the attendance of witnesses and the production of books and records, and shall have power to administer oaths. Any person who shall testify falsely in any material matter under consideration by said Commissioner shall be guilty of and punished for perjury. Subpoenas or other process issued by said Commissioner shall be served as a summons in the Circuit Court. In case any witness shall fail to obey summons to appear before said Commissioner or shall refuse to testify or answer any material question or to pro-

duce records, books, papers or documents when required so to do, such failure or refusal shall be reported to the Attorney General who shall thereupon institute proceedings in the proper Circuit Court to compel obedience to any summons or order of said director or to punish witnesses for any such neglect or refusal.

"6. Any insurer, rating bureau, agent or other representative or employee of any insurer or rating bureau failing to comply with or which is guilty of a violation of any of the provisions of this Act, or of any order or ruling of the Insurance Commissioner made hereunder, shall be punished by a fine of not less than fifty nor more than five hundred dollars. In addition thereto, the license of any insurer, agent or broker guilty of such violation may be revoked or suspended by the Department.

Amendment No. 26:

Add at the end of Section 39 (typewritten bill) the following: "Where the employer is insured in compliance with the provisions of this Act, the insurance carrier shall be subrogated to the rights and remedies of the employer under the provisions of this section, so far as equitable."

Amendment No. 27:

In Section 44, line 2 and 3 (typewritten bill), strike out the words: "The Comptroller of the State of Florida, the Treasurer of the State of Florida," and insert in lieu thereof the following: "Selected by the Governor from his Cabinet."

Amendment No. 28:

In Section 45 (b) line 2 (typewritten bill) strike out the words: Insert after word "may", the words, "with the approval of the Governor."

Amendment No. 29:

In Section 45 (c) line 4 (typewritten bill) strike out the period and add the words, "with the approval of the Governor."
