Sir:

I am directed by the House of Representatives to inform the Senate that the House of Representatives has refused to recede from House amendments to Senate Bill No. 123 and requests the appointment of a conference committee to meet and adjust the differences existing between the two Houses on House amendments to—

Senate Bill No. 123:

A bill to be entitled An Act regulating the allowance of the exemption of homesteads from taxation, and prescribing the duties of county and city officials and taxpayers with reference thereto.

Which amendments are as follows:

Amendment No. 1:

Strike out everything after the enacting clause and insert in lieu thereof the following:

Section 1. There shall be exempted from all taxation, other than special assessments for benefits, to every head of a family, who is a citizen of and resides in the State of Florida, the homestead as defined in Article 10 of the Constitution of the State of Florida, up to the valuation of \$5,000.00; provided, however, that the title to said homestead may be vested in such head of family or in his lawful wife, residing upon said homestead, or in both.

Section 2. Every person who is a citizen and resident of the State of Florida and who has the legal or beneficial title in equity to real property in the State of Florida, including vendees in possession under bona fide contracts to purchase and such instruments by and under which such title is claimed are recorded with the Clerk of the Circuit Court of the County in which said homestead property lies and who resides thereon and in good faith makes the same his or her permanent home shall be deemed to be the head of a family and entitled to an exemption from all taxation, except for special assessments for benefits, up to the assessed valuation of Five Thousand Dollars on said home. The said exemption shall extend to widows having such title, or who reside on said property by virtue of dower or who have an estate therein limited in time by deed, will, jointure or settlement, or otherwise, and to widowers and other single persons who make their home upon property to which they have the legal or equitable beneficial title. The title herein referred to may be held by the entireties, jointly or in common with others, and said exemption may be apportioned among such of the owners as shall reside thereon as their respective interests shall appear, but no such exemption of more than Five Thousand Dollars shall be allowed to any one person or on any single parcel of real property, nor shall the amount of the exemption allowed any person exceed the proportionate assessed valuation based upon the interest owned by such person.

Section 3. The words "resident," "residence," "permanent residence" and those of like import, shall not be construed so as to require continuous physical residence on the property, but mean only that place which the person claiming the exemption may rightfully and in good faith call his or her home to the exclusion of all other places where he or she may, from time to time, temporarily reside.

Section 4. The Comptroller shall furnish to the assessor of each county a sufficient number of printed forms to be filed by taxpayers claiming to be entitled to said exemption. Said forms shall be substantially as follows:

I hereby make application for an exemption from all taxation up to the valuation of \$5,000 on the following described property:

(See other side for copy of law)

A copy of Sections 2 and 3 of this Act shall be printed on the back of the form. All other taxing units shall provide forms making only such changes as are necessary to conform to the laws governing them.

Section 5. It shall be the duty of each taxpayer who claims said exemption to file one of said forms, properly filled out and executed, with the assessor on or before April 1st of each year; and the failure to do so shall constitute a waiver of said exemption for such year; provided, however, that for the year 1935 such claim may be filed on or before July 1st, 1935.

Section 6. The assessor shall examine each claim for exemption filed with him or referred to him and shall allow the same if found to be in accordance with law, by marking the same approved and by making the proper deductions on the tax books. In every case the property shall be assessed whether of the value more or less than \$5,000 and an appropriate deduction shall be made as the case may be.

Section 7. All city officials performing the duty of assessors shall be governed by this Act.

Section 8. The Tax Assessors of the several counties of the State of Florida shall, as soon as practicable after the first day of April of each current year and prior to the first Monday in May of said year, carefully consider all applications for tax exemption that shall have been filed in their respective offices on or before the first day of April of that year and if upon such investigation the Tax Assessor find the applicant entitled to the tax exemption applied for under the law he shall mark the application approved and exemption granted and file same in the permanent records of his office and shall make such entries upon the tax rolls of his county as will be necessary to allow such exemption to the applicant. If, after due consideration, the Tax Assessor should find the applicant not to be entitled under the law to the exemption asked for it shall be the duty of such Tax Assessor to immediately make out in triplicate form a notice of such disapproval, giving his reasons therefor, a copy of which notice shall be served upon the applicant by the Tax Assessor either by personal delivery or by registered mail to the post office address given by the applicant and shall make return of the manner in which such notice was served upon said applicant upon the original notice thereof and immediately file same with the Clerk of the Board of County Commissioners of said County. The third copy of said notice shall likewise have entered upon it the return of the Tax Assessor as to service had and filed among the permanent records of his office. The original notice of disapproval of application for exemption, with entry of service upon the applicant, when filed with the Clerk of the Board of County Commissioners shall constitute an appeal of the applicant from the decision of the Tax Assessor, refusing to allow the exemption for which application was made, to the Board of County Commissioners, when sitting as a Board of Equalization, and said Board of County Commissioners, when sitting as a Board of Equalization, shall review the application and evidence presented to the Tax Assessor upon which the applicant based his claim for exemption and shall hear the applicant in person or by agent in behalf of his right to such exemption, and the Board of County Commissioners shall have the power and authority to reverse the decision of the Tax Assessor in said cause and grant exemption to the applicant if in its judgment the applicant is entitled thereto, or affirm the decision of the Tax Assessor, and such action of the Board of County Commissioners shall be final in said cause unless the applicant shall within 15 days from the date of refusal of said application of said Board of County Commissioners, sitting as a Board of Equalization, file in the Circuit Court of the county in which the homestead is situated the proceedings necessary to require the said Tax Assessor and the Board of County Commissioners to grant such exemption.

Section 9. For the purpose of administering the provisions of this Act or any other duties pertaining to the proper administration of the duties of the office of Tax Assessor, the making and filing of tax returns and applications for tax exemption as provided under the Laws of the State of Florida, the duly elected or appointed Tax Assessors of the several counties of the State of Florida or their lawful deputies, are hereby authorized and empowered to administer oaths and attest same in the same manner as Notaries Public and Justices of the Peace of the State of Florida and when so administered by the said Tax Assessors such oath will have the same effect and be as binding as if administered by a Justice of the Peace or Notary Public of the State of Florida.

Section 10. If any portion of the Act, or any section, sentence, clause, phrase or word thereof, shall be held to be void or ineffective because of uncertainty, repugnance to the Constitution, or otherwise, the remainder of the Act shall not be affected thereby, but shall remain in force so as to effectuate as nearly as possible the purpose and intent of this Act.

Section 11. All laws or parts of laws in conflict herewith are hereby repealed to the extent of said conflict.

Section 12. This Act shall be in full force and effect from and after it shall become a law.

Amendment No. 2:

In Section 2, line 13, insert a comma after the word "benefits" and before the word "up."
