House Concurrent Resolution No. 15:

Being a Resolution relating to the appointment of a commission to make a comprehensive survey for the conservation of our natural resources, protecting the State against the ravages of fire, and preserving the artesian water supply of the State, with reference to a comprehensive program of legislation in connection therewith.

BE IT RESOLVED by the House of Representatives of the State of Florida, the Senate of Florida concurring, that

WHEREAS, the President of the United States has evi-

denced a great desire to conserve the natural resources of this Nation, and

WHEREAS, the State of Florida has been richly endowed by nature with fertile soil and magnificent forests and a beneficent supply of under-ground water, and

WHEREAS, many of our lakes and swamps have been drained by irrigation canals, and

WHEREAS, there are many places in the State of Florida, and particularly in the Everglades Drainage District of the State of Florida, where human habitation and development has not kept pace with artificial drainage and many thousands of acres of land which, in their natural state, were protected from fire, but which are now left to the ravages of uncontrolled fire, causing thousands of the most fertile lands in the world to be totally useless and thereby depriving posterity of its rightful heritage, and

WHEREAS, there are many sections of the State of Florida that have been over-drained by artificial irrigation and the draining of lake and swamps and by the uncontrolled and extravagant waste of our water table by allowing the artesian wells of the State to flow uncontrolled, and

WHEREAS, there is no control now exercised by law to prevent the unwarranted flow of artesian wells when not in use for the benefit of man or beast, thereby not only lowering and depleting the artesian water supply of the State but also the moisture reserve of the land and forests which is necessary to protect the agricultural crops of the State against damages from cold, and

WHEREAS, fires have been allowed to ravage unchecked in the forests and lands of the State of Florida, thereby destroying timber lands and killing young timber and destroying the wild life of the State, in the conservation of which the people of the State of Florida are spending large sums of money, and

WHEREAS, said fires are not only robbing posterity but are depriving the State of Florida of billions of dollars of revenue and an untold amount of timber wealth, and

WHEREAS, the State of Florida greatly needs a comprehensive and practical program of conservation of our natural resources that will conserve our water supply, protect our growing timber and save our land, fields and even homes from the ravages of fire, and

WHEREAS, the Legislature of the State of Florida does not have the organization to make a complete and comprehensive survey.

NOW, THEREFORE, BE IT RESOLVED by the House of Representatives of the Legislature of the State of Florida, the Florida Senate concurring, that the Governor of the State of Florida is hereby authorized and requested to appoint a Commission to make a comprehensive survey, for the purpose of conserving our natural resources, and the agencies of our Federal Government entrusted with the duty of conserving our natural resources and giving aid to the states and communities of the Nation for this purpose are hereby requested and memorialized to aid the State of Florida and the Commission appointed by the said Governor in making said survey by furnishing funds for that purpose, and

BE IT FURTHER RESOLVED that said Commission make their report to the Governor prior to the next regular session of the Legislature of the State of Florida, setting forth its findings and presenting a comprehensive program of legislation which shall be transmitted to the Legislature in order that it may preserve for posterity its rightful inheritance of our natural resources to the end that the State of Florida shall ever possess the endowments bestowed upon it by our Creator and to the end that coming generations shall not accuse us of having destroyed the beauty and resources of this State once unrivaled for its greatness.

If the injury occurred without the State of Florida, and is one for which compensation is payable under this Act, then the hearing above referred to may be held in the County of the Employer's residence or place of business, or in any other County of the State which will, in the discretion of the Commission, be the most convenient for a hearing. The hearing may be conducted by a deputy Commissioner, or by any member of the Commission, who shall within twenty days after such hearing determine the dispute in a summary manner.

Amendment No. 25:

In Section 38 (d), (typewritten bill), strike out the entire section and insert in lieu thereof the following: "(d) 1. After ninety days from the day this Act becomes effective no carrier of insurance, including the parties to any mutual, reciprocal or other association, shall write compensation insurance under this Act without a permit from the Insurance Commissioner. Such permit shall be given upon application therefor to any insurance or mutual or reciprocal insurance association upon the said Commissioner being satisfied of the solvency of such corporation or association and its ability to perform all its undertakings. The said Commissioner shall have the right to revoke any permit so issued for violation of any provision of this Act.

"2. To provide for the solvency of insurers writing workmen's compensation insurance in this State and to secure reasonable rates, the Insurance Commissioner shall approve an adequate and reasonable rate for each industry classification under which such business is written, which rate and classification shall be the same for all insurers. The rate so established for each industry class shall apply to all employers assigned to the same classification except as rates may be modified by the application of approved merit rating or experience rating systems and minimum premium schedule. The Insurance Commissioner shall, in approving such rates, make use of the workmen's compensation data which from time to time may be available, and of such other helpful information as may be obtainable. For the purpose of uniformity and equality the Insurance Commissioner shall approve a system of schedule and experience rating together with a minimum premium schedule for use in writing of such business in this State. "3. Every insurer transacting the business of workmen's compensation insurance in this State shall file with the Insurance Commissioner the schedule of rates which it proposes

to charge for each of the industry classifications under which such business is written together with such system of schedule and/or experience rating as it may propose to use and no such schedule of rates or system of schedule and/or experience rating shall be put into effect until it shall have been approved by the Insurance Commissioner; provided, however, that any such insurer which is a member of a non-partisan rating bureau making rates for Workmen's Compensation insurance in this State which admits to membership any insurer applying therefor and in which stock carriers and non-stock carriers have equal representation may, upon written notice to the department, adopt the rates and rating plans of such bureau but shall not put into effect such rates and rating plans until the same shall have been approved by the Insurance Commissioner as meeting the requirements of this Act.

"4. No such rating, organization, or insurer authorized to transact the aforesaid class of insurance within this State, shall fix or make any rates or schedule of rates or charge a rate which discriminates unfairly between such risks within this State of essentially the same hazards. Whenever it is made to appear to the satisfaction of the Commissioner of Insurance that such discrimination exists, he may, after a full hearing before himself or before any salaried employee of his department, whose report he may adopt, order such discrimination removed.

"5. In all hearings before, or investigations conducted by him by the Insurance Commission shall have power to issue subpoenas requiring the attendance of witnesses and the production of books and records, and shall have power to administer oaths. Any person who shall testify falsely in any material matter under consideration by said Commissioner shall be guilty of and punished for perjury. Subpoenas or other process issued by said Commissioner shall be served as a summons in the Circuit Court. In case any witness shall fail to obey summons to appear before said Commissioner or shall refuse to testify or answer any material question or to produce records, books, papers or documents when required so to do, such failure or refusal shall be reported to the Attorney General who shall thereupon institute proceedings in the proper Circuit Court to compel obedience to any summons or order of said director or to punish witnesses for any such neglect or refusal.

"6. Any insurer, rating bureau, agent or other representative or employee or any insurer or rating bureau failing to comply with or which is guilty of a violation of any of the provisions of this Act, or of any order or ruling of the Insurance Commissioner made hereunder, shall be punished by a fine of not less than fifty nor more than five hundred dollars. In addition thereto, the license of any insurer, agent or broker guilty of such violation may be revoked or suspended by the Department."

Amendment No. 26:

Add at the end of Section 39 (printed bill), the following: "Where the employer is insured in compliance with the provisions of this Act, the insurance carrier shall be subrogated to the rights and remedies of the employer under the provisions of this section, so far as equitable."

Amendment No. 27:

In Section 44, lines 2 and 3, (typewritten bill), strike out the words "The Comptroller of the State of Florida, the Treasurer of the State of Florida." and insert in lieu thereof the following "Selected by the Governor from his Cabinet."

Amendment No. 28:

In Section 45 (b), line 2, (typewritten bill), strike out the words: Insert after word "May," the words, "with the approval of the Governor."

Amendment No. 29:

In Section 45 (c), line 4, (typewritten bill), strike out the period and add the words, "with the approval of the Governor."

2. That your Conference Committee heretofore appointed by the Speaker of the House of Representatives, Hon. W. B. Bishop, and the President of the Florida State Senate, Hon. W. C. Hodges, to consider the differences between the House of Representatives and the Florida State Senate over House Bill No. 29, and amendments thereto, beg to report further that your Joint Conference Committee recommends that the title to House Bill No. 29, being as follows

"A bill to be entitled An Act to provide compensation for employees for disability or death resulting from an injury arising out of and in the course of employment, and for other purposes."

Be amended by striking out the title as now existing in said bill and inserting in lieu thereof, the following title:

"A bill to be entitled An Act to provide for and adopt a Comprehensive Workmen's Compensation Law for the State of Florida; to provide compensation thereunder for disability or death resulting from an injury arising out of and in the course of employment; limiting, regulating and prohibiting resort to certain common law causes of action and/or defenses in cases falling within the purview of this Act; imposing certain duties and exactions upon employers and/or employees falling within the scope of this law; defining the employments subject hereto and limiting the application of this Act as applied to other employments and setting up an agency of the State for the administration hereof," and respectfully request that the above amendment be adopted by the House of Representatives and the Senate.

3. That your Joint Conference Committee heretofore appointed by the Speaker of the House of Representatives, Hon. W. B. Bishop, and the President of the Senate, Hon. W. C. Hodges, further reports:

That in the consideration of House Bill No. 29, by the House of Representatives, an amendment was adopted offered by Mr. E. L. Stewart, of Hendry County, as follows:

Section 1, line 8, after the word "Act" insert the following: "providing agricultural labor used in growing and harvesting of cane and by-products, used in the manufacturing of sugar or the by-products of sugar shall come under and within the provisions of this Act."

Your Committee authority did not and could not extend to the body of the Bill to an extent whereby any provision therein adopted by both House and Senate not included in the message by your Committee, having all parties interested in this amendment heard, reached the conclusion that such amendment inserted in the Bill should be stricken upon request of the introducer of the said amendment, the Honorable E. L. Stewart, of Hendry County.

We recommend to the House of Representatives and to the Senate that a proposed measure be passed striking out of House Bill No. 29, the wording above referred to, to-wit: "providing agricultural labor used in growing and harvesting of cane and by-products, used in the manufacturing of sugar or by-products of sugar shall come under and within the provisions of this Act."

We respectfully request the support of such a measure by the membership of both the House of Representatives and the Florida State Senate, upon its introduction and consideration by each of the branches of the Florida Legislature.
