Amendment No. 3:

In Section 8, (typewritten bill), strike out entire Section and insert in lieu thereof the following:

"Section 8. That any person, firm or corporation, desiring to operate any of the machines described in this Act in any county of the State of Florida, shall first make application for a license for the privilege of operating any such machines as are described in this Act in such county, to the Comptroller of the State of Florida, for such license, and upon the filing of such application with the Comptroller of the State of Florida, said Comptroller shall certify to the Tax Collector of the county, or counties, designated in such applications that such applications have been made, and the Tax Collector and the County Judge of such county shall thereupon, and upon the payment of the license charges as provided by this Act, issue to the said applicant the license as applied for in said application and certified by the Comptroller. The Comptroller of the State of Florida shall not grant the application of any person, persons, firm or corporation in any of the several counties of the State of Florida operating any of the machines described in this Act in excess of one such machine to each one hundred persons in said county, according to the last State or Federal census, and the applications received by the Comptroller shall be certified in the order in which such applications are filed in the office of the Comptroller, and the County Tax Collector and the County Judge shall issue license in the same order in which applications are filed with and certified by the Comptroller, and no license shall be issued by any Tax Collector or County Judge without first having received certificate from the Comptroller, as herein provided, and without first having received in cash the amount of money provided in this Act for State and County license on the machine, or machines, described in such certificates.

Amendment No. 4:

Add Sub-section (a) to Section 11 as follows:

Sub-section (a). If for any reason the funds herein sought to be credited to the Old Age Pension Relief Fund or held to be inapplicable by reason of any provision of law or for constitutional reasons, then in that event the funds collected by the provision of this Act and thereafter to be collected shall be allocated immediately to the sixty-seven counties of the State of Florida according to the comparative population of the several counties of the State of Florida as ascertained by the last preceding State or Federal census.

Sub-section (b). That each Board of County Commissioners are hereby authorized and empowered to constitute themselves as a Pension Board and the funds allocated provided for in sub-section (a) shall be administered by said Board of County Commissioners for the relief of the aged and infirm in each respective County under such rules and regulations as they shall prescribe.

Sub-section (c). If for any reason the funds derived from the operations of this Act cannot be used either by the State or the several counties for Old Age Pension purposes as herein

provided then the funds so derived shall be paid into the State Treasurer and there deposited and kept in a special fund in violation until such time as the Legislature may under the Constitution of Florida provide for their use for the purposes in this Act provided.

And respectfully requests the Senate to recede therefrom.

Very respectfully,

WELDON G. STARRY,

May 24, 1935.

I, the undersigned, to enable me to secure the appropriation of certain items which I deem absolutely necessary for the operation of the government and some of its institutions, am compelled by reason thereof to vote for his Bill.

Under the Constitution, the Governor has a right to veto certain items in the appropriation bill which he does not approve. I regret that I have not such veto power, as there are many items in this Bill which I do not approve, but am of necessity compelled to vote for same to secure those items which I do approve.

W. A. MacWILLIAMS.

By permission the following resolution was introduced:

By Senator Black—  
Senate Resolution No. 24:

WHEREAS, it has come to the attention of the Florida State Senate that some attempt is being made to move the headquarters of the Regional Land Planning Commission from Gainesville, Florida, to Auburn, Alabama; and

WHEREAS, the State of Florida now has three projects under way and a large number of options on land have been taken by said Regional Land Planning Commission in connection therewith; and

WHEREAS, the removal of said Regional Land Planning Commission from the State of Florida will constitute a great setback to the work already under way in this State; NOW, THEREFORE,

BE IT RESOLVED that the Florida State Senate do go on record as being opposed to any such removal of said Regional Land Planning Commission at this time, and urging that the offices of said Commission be not moved from this State at least until such projects as are now under way are completed.

BE IT FURTHER RESOLVED, that the President of the Senate be authorized and requested to send to Hon. Duncan U. Fletcher, Hon. Park Trammell, Hon. Joe Sears, Hon. R. A. Green, Hon. Millard Caldwell, Hon. J. Hardin Peterson and Hon. J. Mark Wilcox, the following telegram:

"Rumors in Florida indicate that some attempt is being made to move the headquarters office of the Regional Land Planning Commission from Gainesville, Florida, to Auburn, Alabama, stop, Florida has three projects now well underway under this Planning Commission under which a great many options have been taken by the Land Planning Authorities and we feel that it will be a serious setback if this central office were moved away from this territory at this time stop Will you please use your influence with Hon. Rexford Tugwell to keep Dr.

Hartman and his office in this State at least for time necessary to get the Florida Projects more definitely fixed."

Which was read the first time in full.

General Statutes of the State of Florida, 1920, being also published respectively, as Sections 3826, 3827, 3828, and 3829, Compiled General Laws of Florida, 1927; and further to amend Section 2398, Revised General Statutes of the State of Florida, 1920, as amended by Section 1, Chapter 9127, Acts 1923, and further amended by Section 2, Chapter 10128, Acts 1925, and Section 1, Chapter 14510, Acts 1929, Extra Session, being also published as Section 3807, Compiled General Laws of Florida, 1927; and further to amend Sections 2402 and 5710, Revised General Statutes of the State of Florida, 1920, also published respectively as Sections 3811 and 7933, Compiled General Laws of Florida, 1927; relating to and defining commercial fertilizer, mixed fertilizer and fertilizer materials; defining various fertilizer elements and ingredients and forms of commercial fertilizer; defining certain terms and words used in the Act; providing for registration and analysis of commercial fertilizer, as in the Act defined, and the duty of the State Chemist and others with reference thereto; providing for the taking of special samples by purchasers and official samples by or under the direction of the State Chemist or the Commissioner of Agriculture; providing the formula for and the method and procedure of analyzing and reporting the analysis of commercial fertilizer, as herein defined, by the State Chemist; prohibiting the sale or offer of sale of pulverized leather, hair or wool waste as a commercial fertilizer or as an ingredient thereof, except under certain conditions, and prescribing a penalty for the violation of the provisions thereof; providing for a lawful variation from the guaranteed analysis and defining deficiency analysis and excess analysis; requiring reports designating agents; providing for guaranteed analysis of commercial fertilizer, as in this Act defined, and the requirements as to form and contents of the statement of the guaranteed analysis; providing for the classification, and guaranteed analysis of cottonseed meal and penalty for the violation of the provision thereof; providing for the labeling of commercial fertilizer, as in this Act defined, and for registration of brands and changes thereof and for the payment of registration fees and penalties for failure to comply therewith; defining major and minor penalties, prescribing the degree or extent of the penalty in each case and prescribing the method of collection; providing penalties for misrepresentation of commercial fertilizer and the elements and ingredients thereof.

Which amendments read as follows:

Amendment No. 1:

In Title, line 4, from bottom (printed bill), strike out the words "defining major and minor penalties, prescribing the degree or extent of the penalty in each case and prescribing the method of collection."

Amendment No. 2:

In Section 1 (r), lines 3 and 4 (printed bill), strike out the words: "Major or minor penalties, as the case may be" and insert in lieu thereof the following: "Section 10 of this Act."

Amendment No. 3:

In Section 2, page 5, line 31, beginning with the words "Total Nitrogen" strike out the following:

"Total Nitrogen," "Available Phosphoric Acid," "Water Soluble Potash," and "Total Available Primary Plant Food" shall be expressed and guaranteed only in whole numbers representing percentages, other forms of "Primary Plant Food" and all forms of "Secondary Plant Food" may be expressed and guaranteed in whole numbers or decimal fractions of whole numbers representing percentages.

Amendment No. 4:

In Section 4, strike out the entire section and insert in lieu thereof the following:

Section 4. That Section 2405, Revised General Statutes of the State of Florida, 1920, as amended by Section 1, Chapter 9128, Acts 1923, and as further amended by Section 3, Chapter 10128, Acts 1925, being also published as Section 3814, Compiled General Laws of Florida, 1927, be and the same is hereby amended to read as follows:

Analysis of fertilizers purchased from manufacturers, jobbers or vendors. Any person purchasing any commercial fertilizer from any manufacturers, jobber or vendor for his own use, may submit fair samples of said commercial fertilizer to the Commissioner of Agriculture for analysis by the State Chemist. A disinterested person, in the presence of another disinterested person and the purchaser of the commercial fertilizer, shall take, according to methods prescribed by the Commissioner of Agriculture, an approximately equal quantity from

not less than ten per centum of the packages of each separate lot or brand; but in all cases the samples shall be taken from at least ten packages, unless there are less than ten packages in this lot, when the samples shall be taken from each and every package. The samples taken shall be as representative as possible of the lot of commercial fertilizer. When the samples are taken not less than a pint shall be taken from each package. After thoroughly and carefully mixing these samples from the packages of commercial fertilizer, a sample of not less than a quart shall be taken from the mixture and placed in a glass or metal container, together with a tag from one of the packages sampled, and sealed in the presence of the witnesses. A seal shall be placed on the container of the sample and said seal shall be dated, given an identifying number or mark and signed by the purchaser and witnesses. A letter shall also be addressed to the Commissioner of Agriculture, advising him of the sending of the sample, and stating the name and address of the purchaser, the number of packages and pounds in the lot, the date of delivery of the commercial fertilizer, the number of the packages from which the sample was drawn, the statement that the packages were not damaged by the weather, or otherwise contaminated, the date of drawing the sample, the identifying number or mark on the sample, and shall be signed by the witnesses, who shall give their addresses.

The letter of transmittal shall be substantially of the following form:

No. .... Florida.  
 ..... 19.....

The Commissioner of Agriculture,  
 Tallahassee, Florida.

Dear Sir:

There is sent you today by mail (or express), a sample of commercial fertilizer for Mr. .... whose address is ..... Florida, for analysis by the State Chemist.

This sample is taken from ..... packages of a shipment of ..... packages each bearing the guarantee tag and inspection stamp required by law, representing ..... pounds delivered on the ..... day of ..... 19....., and stated by the purchaser not to have been damaged by the weather, or otherwise contaminated.

One of the tags off the ..... packages sampled is enclosed with the sample and the others are retained by the purchaser; and the tags and the sample are marked or numbered as follows: .....

We, the witnesses of the drawing and sealing of the above described sample, do hereby certify that the sample has been drawn, sealed and delivered to Mr. ...., one of the witnesses for transmission to the Commissioner of Agriculture, in compliance with the law.

..... (SEAL) My address is  
 ..... Florida.  
 ..... (SEAL) My address is  
 ..... Florida.

Yours truly,

The tags from the packages sampled except the one enclosed in the sample, shall be dated, numbered or marked so as to identify them with the sample, signed by the witnesses and preserved by the purchaser.

One of the witnesses shall forward the sample and letter of transmittal to the Commissioner of Agriculture, at the expense of the purchaser, as soon as practicable.

Upon receipt of the sample the State Chemist shall have the said sample prepared and analyzed in accordance with the methods of the Association of official Agricultural Chemists. A portion sufficient for a check analysis of the prepared sample shall be placed in a bottle sealed, identified by the number, date and initials of the person preparing the same. This sealed and identified sample shall be kept for ninety days from the date of the certificate of analysis and shall then be destroyed unless the State Chemist has been notified by the person from whom the sample was received or the manufacturer or jobber, that the sample was deficient in the ingredients having a minimum guarantee or excessive in the ingredients having a maximum guarantee in which case it shall be held subject to the order of the Commissioner of Agriculture and State Chemist until final disposition of the case.

The State Chemist, upon completion of the analysis, shall forward to the purchaser and the manufacturer of the commercial fertilizer a certificate of analysis for each sample analyzed. The certificate of the analysis shall set forth the percentages of the ingredients required to be guaranteed by Section 5 of this Act; the date of the certificate, the name and address of the purchaser, the names and addresses of the witnesses, the number of packages and pounds in the lot, the date of delivery, the number of packages from which the sample was drawn, the date of drawing, and identifying number or mark on the sample, and shall be signed by the State Chemist. The State Chemist shall also send to the person from whom obtained, a certificate of analysis, for any sample taken by any authorized officer or agent of the Chemical Division of the Department of Agriculture, when such sample shall show a deficiency below the guarantee of any valuable ingredient.

Any person receiving a certificate of analysis from the State Chemist, showing adulteration of or deficiency in any valuable ingredient of any commercial fertilizer, purchased by said person shall notify the State Chemist and the manufacturer, jobber, or vendor from whom he purchased the commercial fertilizer within ninety days from the date of the certificate of analysis, in order that the retained portion of the sample may be held until final disposition of the case.

The manufacturer of the commercial fertilizer from which the sample was secured may, upon request to the State Chemist, secure a portion of said sample sufficient for analysis.

Amendment No. 5:

In Section 5, page 17, line 17, from top of said page (typewritten bill), strike out the chemical symbol ('Ca (OH<sub>2</sub>) and insert in lieu thereof the following chemical symbol: (Ca (OH<sub>2</sub>).

Amendment No. 6:

In Section 5 on page 18, typewritten bill, strike out all of the last paragraph in said Section, which paragraph reads as follows:

"Providing that any tag or tags by this Act required to be attached to any bag or bags or containers containing fertilizer, such tag or tags shall have printed thereon data and information stating all ingredients contained in such bag or bags or containers in poundage amounts, showing by such data to be printed on such tag or tags the exact contents in poundage amounts of every ingredient in such bag or bags."

Amendment No. 7:

In Section 9, line 6 (typewritten bill), strike out the figures: 30c and insert in lieu thereof the following: 20c.

Amendment No. 8:

In Section 10, strike out the entire section and insert in lieu thereof the following:

Section 10. That Section 2406, Revised General Statutes of the State of Florida, 1920, as amended by Section 4, Chapter 10128, Acts of 1925, being also published as Section 3815, Compiled General Laws of Florida, 1927, be and the same is hereby amended to read as follows: Any person, purchasing commercial fertilizer from any manufacturer, or vendor, who shall discover upon an analysis made by the State Chemist, or as provided in Sections 3 and 4 of this Act, of either an official or special sample, that he has been defrauded by reason of variation from graduated analysis greater than the tolerance permitted herein, shall recover in any action he may institute, upon proof of the fact, and upon proof of compliance with the requirements of Section 4 of this Act with respect to the taking of the sample for analysis if the action be under said Section 4, the amounts to which he may be entitled under the provisions of penalties.

In the event of the recovery of said penalty in a court action, the said penalty shall be in the form of a judgment in the law court of this State having jurisdiction of the amount involved and the parties. Said law shall be prosecuted and defended in accordance with the usual practices and procedure in such court.

In case of any sale by any manufacturer or agent of any person or persons residing out of the State of Florida, manufacturing, compounding or furnishing for sale, any such commercial fertilizer, the purchaser thereof may at his option proceed by attachment as now provided by law, in case of non-resident and absconding debtors, against any such commercial fertilizer, rights or credits of any person or persons selling.

manufacturing, compounding or furnishing said commercial fertilizer, when such commercial fertilizer, rights, or credits, can be found within the limits of this State.

In case a shipment of commercial fertilizer in lots of one or more tons, includes more than one brand, or is consigned to different purchasers and delivered at destination in the same car, or by the same boat or vessel at the same time, analysis of one sample taken according to law and the rules and regulations concerning the same, representing any one brand and guaranty, shall be considered representative of and as applying to all the fertilizer of that brand included in such shipment, and shall entitle each purchaser of fertilizer of that brand contained in such shipment to the remedies provided by this Chapter for adulteration or of deficiency in one or more plant food elements.

Any certificate of analysis required or provided for by Section 3 and/or Section 4 of this Chapter, when properly verified, shall be competent evidence in any court of law or equity in this State.

Penalties shall be double the invoice value of the goods sold and shall be assessed in any cases of variations from the manufacturer's guaranteed analysis greater than that herein below provided.

For deficiencies:

1. Of two-tenths of one actual per cent (0.20%) in total nitrogen available phosphoric Acid, water soluble Potash or total available Primary Plant Food.

2. Four-tenths of one actual per cent (0.40%) in any secondary plant food or in any form of nitrogen except total nitrogen.

3. Of more than seventy-five pounds of calcium carbonate equivalent in the net equivalent acidity or the net equivalent basicity:

For excesses:

1. Of twenty-five per cent (25%) of the guaranteed analysis in chlorine.

Where the deficiency of any form of nitrogen is compensated for, in percentage, by the excess of equal or more expensive forms, there shall be no penalty assessed for such deficiency.

Very respectfully,

WELDON G. STARRY,

Chief Clerk House of Representatives.
