In case the issuance of bonds shall be authorized by said election, the Board of Commissioners shall have issued and delivered said bonds, under the conditions that at the price set forth in the plan theretofore approved by the Court, or in the event the sale price of said bonds was not provided in said plan, then and in that event the Board of Commissioners shall give notice by publication once each week for three consecutive weeks, that it will receive bids for the purchase of said bonds, setting forth the place where said bids will be received, and specifying the amount of bonds offered for sale, the rate of interest, and the time when the principal and installments of interest shall be due and payable. The following message from the House of Representatives was received and read:

Tallahassee, Fla., June 3, 1937.

Hon. D. Stuart Gillis,  
President of the Senate.  
Sir:

I am directed by the House of Representatives to inform the Senate that the House of Representatives has passed—with House Amendments:

Senate Bill No. 155:

A bill to be entitled An Act imposing an additional tax upon gasoline or other like products of petroleum; providing for reports of sales of such commodities to the Comptroller of

the State of Florida; providing for the disposition of the moneys derived from such taxes, and fixing a penalty for the violation of the provision of this Act; providing that the Gasoline Inspection Laws of the State of Florida shall apply to this Act and prohibiting the levy and collection by municipalities and other political subdivisions of gasoline taxes.

Which amendments read as follows:

House Amendment No. 1:

At the end of the Title delete the period and add the following: "Providing that the dealer be required to add to the sales price the tax levied hereby so that the tax will be paid ultimately by the user of the gasoline or other like products of petroleum; providing for a corresponding increase of the gasoline storage tax so as to equalize the gasoline gallonage storage tax with the gasoline gallonage sales tax; providing that this Act is an emergency revenue measure and shall be of no force and effect from and after July 1st, 1939; and requiring a reduction of State ad valorem millage taxes consistent herewith."

House Amendment No. 2:

Strike all of Section 3 and insert in lieu thereof the following sections:

"Section 3. All money derived from the taxes imposed by this Act, after the payment by the Comptroller of the expenses incident to the Administration of this Act, including postage, clerical aid, costs and expenses incident to litigation, shall be paid into the State Treasury by the Comptroller to the credit of the General Revenue fund.

Section 3-A. Upon the taking effect of this Act and the realization in the General Revenue fund of the State of the money derived from the tax levied hereby, it shall be and is hereby made the mandatory duty of the Governor of the State of Florida to order a reduction in the direct ad valorem millage taxes levied for State purposes in an amount equal to the number of mills representing the additional revenue received under this Act and reasonably to be anticipated for the tax years covered hereby, and the Comptroller of the State of Florida shall certify such reduction in millage to the several Tax Collectors of the State of Florida.

Section 3-B. Every dealer in gasoline, or other like products of petroleum, in this State shall add the amount of the tax levied and assessed by this Act to the price of the gasoline, or other like products of petroleum, it being the purpose and intent of this provision that the tax levied on gasoline, or other like products of petroleum, under the provisions of this Act is in fact a levy on the consumer and the levy on dealers as specified in this Act is merely as agent of the State for the collection of said tax. This provision shall in no way affect the method of collection of said tax so specified in this Act. The dealers may state the amount of the tax separately from the price of such gasoline, or other like products of petroleum, on all price display signs, sales or delivery slips, bills and statements, which advertise or indicate the price of gasoline, or other like products of petroleum.

Section 3-C. That this Act is an emergency revenue measure and shall be of no force and effect from and after July 1st, 1939."

House Amendment No. 3:

Strike all of Section 12, and insert in lieu thereof the following:

"Section 12. If any section, sentence, clause or phrase of this Act is for any reason held to be unconstitutional or inoperative, such decision shall not affect the validity of the remaining portions of this Act. The Legislature hereby declares that it would have passed this Act, and each section, sentence, clause or phrase thereof, irrespective of the fact that any one or more other sections, sentences, clauses or phrases be declared unconstitutional or inoperative."
