Said Chapter 16774 shall hereafter be referred to as the Beverage Act of 1935. Section 3. The Director of the Beverage Department is hereby given authority to suspend for reasonable periods of time, in his discretion, the licenses of licensees under the Beverage Act of 1935 for the same causes and under the same limitations as he is authorized by said Act to revoke the licenses of said licensees.

Section 4. It shall be unlawful for any person to have in his possession within this State any beverage containing more than 1% of alcohol by weight, on which a Federal excise tax is required to be paid, unless such Federal excise tax has been paid as to such beverage.

Section 5. It shall be unlawful for any person to possess within this State any beverage containing more than 1% of alcohol, as to the sale of which beverage an excise stamp tax is required to be paid, unless the immediate container of such beverage shall have affixed to it the Florida excise liquor stamp required to be affixed thereto. Provided that this section shall not apply to manufacturers or distributors licensed under the Beverage Act of 1935, or to common carriers. Provided, further this Section shall not apply to persons possessing not in excess of one gallon of such beverages, provided the beverage shall have been purchased by said possessor outside of the State of Florida in accordance with the laws of the place where purchased and shall have been brought into this State by said possessor; the burden of proof that such beverages were purchased outside the

State and in accordance with the laws of the place where purchased shall in all cases be upon the possessor of such beverages.

The violation of such rules and regulations so made and promulgated shall be a misdemeanor.

Section 9. A person duly licensed as a manufacturer or dealer under the Beverage Act of 1935 may renew his license from year to year upon application to the Tax Collector of the county wherein he is licensed to do business and upon the payment of the license tax without the necessity of application to the Board of County Commissioners and approval thereof by the Board of County Commissioners and the Director, provided, the license of such licensee shall not have been revoked and no charges of violation of the Beverage Laws of Florida or of the United States be pending against such licensee at the time of his application for renewal of license.

Section 10. That Section 9 of the Beverage Act of 1935, be and the same is hereby amended to read as follows:

(a) As to malt beverages containing more than 1% of alcohol by weight, there shall be paid by all manufacturers and distributors, as herein defined, a tax of seven cents per gallon upon all such beverages in bulk or in kegs or barrels and when sold in containers of less than one gallon the tax shall be seven-eighths of a cent on each pint or fraction thereof in said container.

(b) As to beverages, except malt beverages, containing more than 1% by weight and less than 14% by weight of alcohol, and as to all wines, except natural sparkling wines, there shall be paid by all manufacturers and distributors a tax at the rate of twenty cents per gallon.

There is hereby levied upon wines manufactured in other States, having lost its interstate character and stored or offered for sale in this State, and upon dealers therein, a differential wine tax, as defined and limited herein.

"This Act shall apply to all wines that have lost their interstate character and are stored or offered for sale in this State that are manufactured in a State which levies or imposes a greater occupational, excise, gross or net receipts or sales tax, or any tax based upon the quantity, or the cost or price of said wines, on wines manufactured in Florida, than it levies or imposes in respect to wines manufactured within such State. The difference between the tax or taxes so levied in respect to wines manufactured in said State and like wines manufactured in the State of Florida, shall be deemed a differential tax within the meaning of this Act.

"It shall be the duty of the board, department or official charged with the duty of administering and enforcing the laws of this State governing the manufacture and sale of wines to immediately, and from time to time, ascertain the nature and amount of taxes of all kinds levied and imposed by other States, upon wines manufactured in the State of Florida, and upon wholesale and retail dealers therein, and the respective amounts levied and imposed upon wines manufactured in such States, and upon wholesale and retail dealers therein and to ascertain the difference between said respective rates of taxation, and to certify such findings to the Comptroller and all officers charged with the duty of collecting occupational and excise taxes from wholesale and retail dealers in wines. It

is the purpose of this Act to impose a tax of the same nature and in an amount equal to such difference upon the wines manufactured in the respective States, and against wholesale and retail wine dealers, in addition to the taxes that are, by law, otherwise imposed upon wines manufactured in this State, and upon wholesale and retail dealers therein.

"The Governor, or his agent or agents duly authorized by him, is authorized and empowered to negotiate with the proper officials of other States to the end that the differential taxes referred to herein shall be correspondingly reduced, or entirely eliminated, in this and such other States, and shall have power to put such agreements into effect.

"The taxes herein levied and imposed shall be paid to, and collected and accounted for by, the boards, departments, and officers that are, by law, designated to collect other taxes upon wines and the business of wholesale and retail wine dealers.

"The taxes herein provided for shall be payable at the same time that like taxes are, by law, made payable, and upon failure to pay the same at said time, a penalty of 5 per cent per month shall be added to said taxes."

(c) As to natural sparkling wines there shall be paid by all manufacturers and distributors a tax at the rate of seventy-five cents per gallon.

There shall be only one State tax paid as to each gallon or fraction thereof of beverage sold under this Act, and no other excise tax shall be levied directly. Said tax shall be computed from the reports and books and records of manufacturers and distributors and said tax shall be remitted to the Director at intervals of one month, i. e., said tax shall be paid by the 10th of each month for all beverages sold during the previous calendar month and such payment of tax shall accompany the report provided for in Section 4 hereof.

(d) As to beverages containing 14% or more of alcohol by weight, except wines, there shall be paid by all manufacturers and distributors a tax at the rate of one dollar and twenty cents per gallon, said tax to be evidenced by stamps as hereinafter provided.

The stamps herein provided for shall be sold by the Director to distributors who are licensed in this State and who have furnished the bond required herein, and to none else. Said stamps shall be affixed to the bottles or immediate containers in which such beverages are sold shall be affixed before such beverages are sold by any distributor. Such stamps shall be affixed in accordance with regulations of the Director, which said regulations the Director is hereby authorized to make, promulgate and change from time to time. The Director may at any time require reports additional to the monthly reports hereinbefore required, as to the disposition of the beverages herein defined, for the purpose of assessment and collection of the excise taxes herein provided, and the burden of proof shall be on the distributor to satisfy the Director as to the disposition of said beverages.

The excise taxes provided for in this section shall be paid as to all such beverages sold within this State. No excise tax shall be required to be paid by manufacturers or distributors as to the sale of beverages which are actually delivered by such manufacturer and/or distributor to persons outside the State of Florida and such deliveries are actually made outside the State of Florida in places where the sale of such beverages is authorized by law to persons authorized by the laws of the places where such delivery is made to purchase and receive such beverages in such places. The burden shall always be on the manufacturer or distributor to show to the satisfaction of the Director by bill of lading of a common carrier or other satisfactory evidence that delivery was made outside the State of Florida in accordance with the laws of the place of delivery.

It shall be unlawful for any vendor, club or caterer to purchase any beverages herein defined requiring stamps which are not stamped and it shall be unlawful for any vendor or caterer to sell or have in his place of business or storage building or room, or for any club to serve or distribute or have in its club house or club rooms, any beverages requiring stamps which are not stamped.

Section 11. Whenever a licensee has procured a license permitting the sale of beverages containing more than 1% of alcohol by weight, said license permitting the licensee to sell such beverages on any island within the State of Florida, and after the obtaining of said license a church or school

be established within twenty-five hundred feet of the place of business of the licensee, the establishment of such church or school shall not be cause for the revocation of the license of such licensee and shall not prevent the subsequent renewal of such license of the licensee.

Section 12. That Section 7 of the Beverage Act of 1935 be and the same is hereby amended to read as follows:

Each incorporated city or town in the State is hereby authorized to levy and collect a license tax on each manufacturer, distributor, vendor, caterer and club having a place of business or club house or club rooms within the corporate limits of such city or town not to exceed 50 per cent of the State and County license tax herein provided, but if such city or town provides and collects such license tax the manufacturer, distributor, vendor or club paying such license tax shall be entitled to a reduction in his State and County license tax of the amount so paid for such city or town license tax, upon exhibiting to the County Tax Collector a receipt for the payment of such city or town license tax. Such city or town license shall not apply to State and County licensee who shall have paid their State and County license tax before the ordinance providing for such city or town license tax shall have become effective.

No tax on the manufacture, distribution, transportation, importation or sale of such beverages shall be imposed by way of license, excise or otherwise, by any municipality, any thing in any municipal charter, special or general law to the contrary notwithstanding, except as herein expressly authorized.

Section 13. All funds collected by the State under this Act and under the Beverage Act of 1935, except such funds as are used for the expenses of the Beverage Department are hereby appropriated to and shall become a part of the old age assistance fund and/or old age pension fund for the payment of old age assistance and/or old age pensions as the same may be made and provided for by the Legislature of the State of Florida. Provided however that any surplus money existing after payment of Old Age Assistance, Blind and Needy Children prescribed in this Act, the same shall be paid into the State Treasury to the credit of the County School Fund.

Section 14. Unless otherwise provided the violation of any of the provisions of this Act shall be a misdemeanor and shall be punished as such.

Section 15. If any provision or provisions of this Act be unconstitutional the validity of the remainder of this Act shall not be affected thereby.

Section 16. All laws and parts of laws in conflict with this Act are hereby repealed. Provided, however, nothing herein contained shall repeal any local or special law but shall be construed as cumulative thereof.

Section 17. This Act shall take effect immediately upon its becoming a law.

Any person subject to and who fails to pay a license or privilege tax required by this or any other law of the State of Florida, shall, on petition of the officer to whom the said tax is payable, be enjoined by the Circuit Court from engaging in the business for which he has failed to pay said license, until such time as he shall pay the same with all costs of such action.

A copy of said list sworn to as above provided shall at the same time be transmitted to the Board of County Commissioners.

Section 34. The Tax Collector and County Judges shall follow the instructions and use the forms and such system as may be prescribed by the Comptroller, and the Comptroller may by audit, examination, inspection and investigation, determine whether or not the reports made by the Tax Collectors and County Judge are accurate, truthful and complete, and if he shall find that any Tax Collector or County Judge has failed, neglected or refused to fully comply with the requirements of this Act it shall be his duty to report such failure, neglect, or refusal to the Governor.
