VETO MESSAGES

Senate Bill No. 514 (1939 Session):

"A bill to be entitled An Act for the relief of Jarlif, Inc., a Corporation of the State of Florida."

Was taken up in its order and read by title, together with the objections thereto of the Honorable Fred P. Cone, former Governor of Florida:

June 9th, 1939.

Honorable R. A. Gray,
Secretary of State,
Tallahassee, Florida.

Dear Mr. Gray:

Pursuant to authority vested in me as Governor of Florida under the provisions of Section 28, Article III of the Constitution of this State I transmit to you with my objections thereto Senate Bill No. 514, entitled:

"A bill to be entitled An Act for the relief of Jarlif, Inc., a Corporation of the State of Florida."

The State is not liable for this claim.

The said J. C. Emerson was an agent of the Federal government. When Emerson went out of office the claim in the amount of \$1,200 was presented and paid.

The said Lee Jarrell or his Company, Jarlif, Inc., leased the building to the Florida State Employment Service which the State of Florida had nothing to do with at the time of the alleged lease. In December 1938, the Florida State Employment Service, which is a governmental agency, re-leased the said building from Jarlif, Inc. The State is not liable and never has been liable for any of the money claimed. At the time J. C. Emerson signed any lease, if he did sign a lease, his office had been abolished by an Act of the Florida Legislature and he did not have any authority to sign a lease as is purported to have been done. Therefore, I veto Senate Bill No. 514, as passed by the 1939 Legislature.

Respectfully submitted,

FRED P. CONE,

Governor.

The President put the question: "Shall the bill pass, the Governor's objections to the contrary notwithstanding?"

Upon the passage of the bill the roll was called and the vote was:
