EXPLANATIONS OF VOTES

I vote "nay" on House Bill No. 1301, because I ran on a platform not to increase, and favoring lower license tags.

HAL Y. MAINES, 15th District.

The reason that I voted for House Bill No. 1301 pertaining to increase in Auto Tags was because the money derived therefrom went to the public schools of our State and because of the fact that other revenues designed to take care of this item had failed in the counties, and the gross receipts tax had been repealed, and this seemed to be the only revenue to take care of the schools at this session.

A. B. FOLKS, 20th District.

under the provisions of Section 28, Article III of the Constitution of this State, I transmit to you with my objections thereto, House Bill No. 254, entitled:

"An Act for the relief of Mary C. Cherry, widow, Clay County, Florida, and making an appropriation therefor, as compensation for the loss of her husband, T. S. Cherry who, a sheriff of Clay County, Florida, was killed while performing services in the line of duty."

The accident or liability claimed under this bill occurred more than 20 years ago as T. S. Cherry was Sheriff of Clay County from 1913 to 1917.

The Legislature of Florida has met every two years since that time and if this claim should be allowed, then any other claim as far back as the Civil War and prior thereto could be allowed.

The State of Florida has had no chance to defend or state its side of this question before the Committee or the Legislature and I do not feel it is fair for the State to pay any claim that has lain dormant for 22 years, therefore, for the foregoing reason I am vetoing this bill.

Respectfully submitted.

FRED P. CONE,

Governor.
