STATE OF FLORIDA
 EXECUTIVE DEPARTMENT
 TALLAHASSEE
 May 24, 1949

Hon. Newman C. Brackin,
President of the Senate.
Tallahassee, Florida
Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill No. 417, enacted by the Legislature of 1949 and entitled:

"An Act relating to the Town of Palm Beach in Palm Beach County, Florida; granting the Town of Palm Beach in Palm Beach County, Florida, power to impose, levy and collect license and excise taxes; ratifying, validating and confirming that certain ordinance duly enacted March 30, A. D. 1949, amending Sections 19 & 28 of the ordinance of April 11, 1947, relating to the Town of Palm Beach Employees Retirement System and authorizing and empowering said Town of Palm Beach to levy and collect an annual tax in an amount not to exceed one and one-half mills on all taxable property within said municipality for the purpose of financing the town's share of said Town of Palm Beach Retirement System; repealing all laws in conflict herewith, providing that if any portion of this Act be declared invalid or unconstitutional it shall not affect the remaining portions of said Act; and repealing all laws or parts of laws in conflict herewith."

This Act empowers the City of Palm Beach by a local Act to levy unlimited taxes both license and excise on sources of revenue which now comprise the major portion of State revenue, and this in disregard of general State laws. Under this Act, gasoline, beer, whiskey, cigarettes and other sources of major State revenue are subjected to unlimited taxation. The adoption of a policy allowing cities and towns by special

or local Acts of the Legislature to disregard State laws and have unlimited power to impose any taxes they desire is a grave and serious threat to State sources of revenue. Any commodity can stand taxation only to a certain point, and if the saturation point of taxation is reached by the cities and towns there will be no source of State taxation left. If one city or town is permitted to do this, all others will immediately follow suit, then the State sources of revenue will be exhausted, the coffers of the State will be empty and the carrying on of present State functions will be impossible.

For the foregoing reasons I therefore withhold my approval from Senate Bill No. 417, legislative session of 1949, and I hereby veto the same.

Respectfully,
FULLER WARREN,
 Governor.

Senate Bill No. 417, (1949 Session), contained in the above Message, together with the Governor's objections thereto, was taken up.

The President put the question "Shall the bill pass, the Governor's objections to the contrary notwithstanding?"

Upon the passage of Senate Bill No. 417 (1949 Session) the roll was called and the vote was:

Yeas—None
 Nays—31

Mr. President	Clarke	Johnston	Sanchez
Alford	Carroll	King	Shands
Ayers	Collins	Mathews	Sheldon
Baker	Davis	Moore	Shivers
Baynard	Franklin	Pearce	Smith
Beacham	Gautier	Pope	Sturgis
Beall	Getzen	Ray	Walker
Boyle	Johns	Rodgers	

So Senate Bill No. 417 (1949 Session) failed to pass over the Governor's veto.
