O God, Thou hast been our dwelling place in all generations. Before the mountains were brought forth, or ever Thou hadst formed the earth and the sea, even from everlasting to everlasting Thou art God. Yea, Thou art Our God.

Bless these Thy servants, and the servants of our State, as they think together, and work together in the Senate Chamber, in Committee meetings, the halls of the Capitol Building, in personal conferences, their office work, and their social functions.

We worship Thee as the God of Light. We pray for more light. O Thou who didst "command light to shine out of darkness, shine in our minds and hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ!"

We also worship Thee as the God of Justice and Righteousness. We make the prayer of the great prophet Amos our own prayer for ourselves, our State and our Nation: "Let justice roll down as waters, and righteousness as a mighty stream."

Lead us this day in the paths of light, justice, and righteousness. Amen.

That the following amendment to Article VIII, section 5 of the constitution of Florida is hereby agreed to, and shall be submitted to the electors of the State of Florida for ratification or rejection at the next general election to be held in November, A.D., 1956, as follows:

Section 5. **County commissioners and commissioners' districts.**—There shall be one (1) county commissioner in each of the five (5) county commissioner's districts in each county, which districts shall be numbered one (1) to five (5) inclusive and shall be as nearly as possible equal in proportion to population. The board of county commissioners in the respective counties shall from time to time fix the boundaries of such districts. Said county commissioners shall be elected by the qualified voters of the said county at the time and place of voting for other county officers, and shall hold office for four (4) years; provided that upon petition by twenty per cent (20%) of the registered electors in any county, presented to the board of elections or to the board of county commissioners, the board of county commissioners shall call a special referendum election and shall place or cause to be placed upon the ballot two (2) propositions:

If a majority of the electors participating in any such referendum election shall vote to adopt the proposition which provides for the nomination and election of members of the board of county commissioners by those registered electors and only those registered electors within the county commissioner's district which that member will, when elected represent, then such mode of nominating and electing members of the board of county commissioners shall become law and be immediately effective in the county concerned.
