

JOURNAL OF THE SENATE

Monday, April 25, 1955

195

The Senate convened at 2:00 o'clock P. M., pursuant to adjournment on Friday, April 22, 1955.

The President in the Chair.

The roll was called and the following Senators answered to their names:

Mr. President	Connor	Johns	Pope

—38.

A quorum present.

The following Prayer was offered by the Senate Chaplain, Reverend E. E. Snow:

"Almighty and Eternal God, we thank Thee for the Freedom of Worship! Yes, we thank Thee that in this great land we have the privilege of worshipping Thee according to the dictates of our own consciences.

God forbid that we should abuse this freedom by failure to worship. Failure to worship until godless Communism or some other colossal evil sweep down over us and our beloved land.

We do worship Thee. We worship Thee because we believe Saint Augustine was right when he said: "O God, Thou hast formed us for Thyself, and our hearts are restless till they find rest in Thee."

We would make the prayer of the Psalmist our own individual prayer this day: "Search me, O God, and know my heart, try me and know my thoughts, and see if there be any wicked way in me, and lead me into the way everlasting."

We offer our prayer in the name of Thy Son, strong Son of God, immortal love, Jesus Christ our Lord, and our Savior. Amen."

Provided, that the Legislature may also be convened in extra Session in the following manner: When twenty per cent (20%) of the members of the Legislature shall execute in writing and file with the Secretary of State their certificates that conditions warrant the convening of the Legislature into extra Session, the Secretary of State shall, within seven (7) days after receiving the requisite number of such certificates, poll the members of the Legislature, and upon the affirmative vote of three-fifths (3/5) of the members of both Houses, shall forthwith fix the day and hour for convening of such extra Session. EXPLANATION OF VOTE

I voted "No" on Senate Bill No. 25 for the following two reasons which I request to be recorded in the Senate Journal:

First: I followed the well-known standard or maxim of state government which has been adhered to from time immemorial, known as "separation of Church and State". This bill appeared to infringe upon and violate this standard of government.

Second: That the bill was a step toward the segregation problem which I felt was the wrong approach.

Concluding, I want it known to all the people of Florida that I consider the Jewish people some of the best and most loyal friends I have, and my vote was, in no way, any indication to the contrary.

In the past I have given freely of my time, services and

assistance to the Jewish people and will continue to do so in the future.
