O God, we realize our days are numbered in this Session of our Legislature. Help us to number our days that we may apply our hearts and minds unto wisdom. We pray for spiritual strength that we may not be weary in doing our best. Help us to be able to take it.

Make our path plain. Give clearness of mind and will power to settle all unsolved problems. Ease the strain of these hard working men. In the midst of the serious business of our Senate continue to give relaxation of body and mind and spirit by the spontaneous good humor often arising in the midst of serious problems.

We thank Thee for the warm friendliness of this body. God help us all to help each other and build up true friendships that shall last as long as time on this earth, and carry gloriously over into eternity. Amen.

Senate Concurrent Resolution No. 1199:

A RESOLUTION MAKING A PUBLIC RECORD OF THE LIFE AND ACHIEVEMENTS OF THE LATE AUGUSTINE V. LONG, FORMER MEMBER OF THE HOUSE OF REPRESENTATIVES.

WHEREAS, Our Heavenly Father in the exercise of his infinite wisdom on the 20th day of May, 1955, called Honorable Augustine V. Long of Gainesville, Florida, from his earthly labors to his eternal rest; and

WHEREAS, The said Augustine V. Long was a member of the House of Representatives for the 1903 session; and

WHEREAS, The said Augustine V. Long through his military service in the Spanish-American War and his long career as a legislator, state attorney, circuit judge and United States district judge, left a record of service in this state which leaves a great void in his community and state, this record marked by ability, keen intellect, broad vision, good sense of humor, and spiritual devotion. His wise counsel, clarity of expression and genial companionship, will be greatly missed, and

WHEREAS, It is deemed fitting and appropriate that each branch of the Legislature of the State of Florida make a record of the death of the said Augustine V. Long and pay fitting tribute to his memory; NOW, THEREFORE,

BE IT RESOLVED BY THE SENATE, THE HOUSE OF REPRESENTATIVES CONCURRING:

That the Senate and the House of Representatives of the State of Florida make this public record of the life and achievements of its former member:

IN MEMORIAM

AUGUSTINE V. LONG

Augustine V. Long was born May 14, 1877, at Lake City, Florida, near the Suwannee River, a landmark he dearly loved. His father, Thomas T. Long, was a noted north Florida jurist and the first circuit judge to preside over the Third Judicial Circuit of Florida. The boy Augustine knew the stimulus and opportunities of American life. He was educated in the public schools of the state and attended the old Agricultural College of Lake City which is now the University of Florida. As a youth he was a prodigious reader, read and

studied law in a lawyer's office and was admitted to the Bar of Florida in 1898 by a special rule before he was twenty-one years of age. That same year the Spanish-American War broke out and young Augustine entered the service as an officer in the First Florida Volunteers. His interest in the military service continued for a period of fifteen years in which he remained a member of the National Guard and was retired with the rank of Captain.

As a lawyer and a Floridian he was naturally interested in politics. He was, moreover, singularly endowed for public service. His ability, integrity, fairmindedness, keen sense of humor and genial spirit won an ever-widening circle of friends and admirers. In 1903 he was elected to the House of Representatives for his district. In 1910 he was elected to the office of State Attorney for the Eighth Judicial Circuit, a position he held until May, 1921, when he became the Circuit Judge of that particular circuit. For thirteen years Augustine V. Long served his state as Circuit Judge of the Eighth Judicial Circuit, being often called to serve as an Associate Justice on the Supreme Court of Florida, and distinguished service it was. In 1934 in recognition of his demonstrated ability he was appointed by President Franklin D. Roosevelt to the United States District Bench for the Northern District of Florida, on which court he served until 1947 when he retired. He believed in all rights guaranteed by the Constitution. He believed in the importance of all the "folks" and in the obligation of the government to preserve for all the opportunity to live fruitful, useful and happy lives. To this end, as a Legislator, Prosecutor, Circuit Judge and United States District Judge, he devoted his talents and in so doing won the deep respect and abiding friendship of adherents and opponents alike.

His was a good life. From his family life with his devoted and gracious wife, Ruby May Brownlee Long, who survives him and to whom he was married for fifty-six years, and their son and two daughters, his strength was renewed for his long and continuous service demanded of him by his state and country. His family also shared in his sacrifice, for a life of public service leaves only a legacy of honor. Also surviving are two children, Augustus C. Long and Mrs. Marcus Conant, together with six grandchildren and one great grandchild.

Augustine V. Long was a devoted and adoring husband and a benevolent and affectionate father. He was ever mindful of and sensitive to the needs of others less fortunate than himself and was widely known by his generosity toward all who came to him to seek advice.

Able lawyer, statesman and jurist, his passing removes from among us an outstanding citizen and public servant, a friend, courteous gentleman, a man who possessed great human understanding, appreciation of our national heritage, and greatly beloved by all who knew him.

It is accordingly,

RESOLVED, That we, the Legislature of the State of Florida, express our profound sorrow at the death of Judge Augustine V. Long and our enduring appreciation for the contribution this great lawyer and jurist has made to our state and to our country.

BE IT FURTHER RESOLVED That a copy of this resolution be delivered to his wife and family and be spread upon the journal of the House of Representatives and the Senate and made a permanent part of the record of this Legislature, and that a copy of this resolution be furnished to the press.

Respectfully,

LAMAR BLEDSOE,
Chief Clerk, House of Representatives.

Sir:

I am directed by the House of Representatives to inform the Senate that the House of Representatives has passed, with amendment—

By Senator Cabot—

S. B. No. 225—A bill to be entitled An Act to define criminal sexual psychopathic persons and to provide for the commitment of such persons and the procedure therefor.

Which amendment reads as follows:

Strike out all after the enacting clause and insert the following in lieu thereof:

Section 1. Any person who is suffering from a mental disorder which mental disorder is coupled with criminal propensities to the commission of sex offenses, is hereby declared to be a criminal sexual psychopathic person.

Section 2. Jurisdiction of criminal sexual psychopathic persons charged with criminal offense is vested in the Circuit Courts of the State of Florida but not in the Court of Record of Escambia County.

Section 3. When any person is charged with a criminal offense, whether a felony or a misdemeanor, or has been convicted of or has pleaded guilty to such offense and has been placed on probation, or has been convicted or pleaded guilty to such offense but has not yet been sentenced, and it shall appear that such person is a criminal sexual psychopathic person, as evidenced by such mental disorder which has existed for a period of not less than four (4) months, then the State Attorney of such county, or someone on behalf of the person charged, may file with the Clerk of the Court in the same proceeding wherein such person stands charged with, or has been convicted of, or has pleaded guilty to such criminal offense, a statement in writing setting forth facts tending to show that such person is a criminal sexual psychopathic person.

Section 4. Upon the filing of such statements by the State Attorney, the Court wherein the person stands charged with such offense, shall, or if filed on behalf of the accused, the court shall, appoint two (2) psychiatrists qualified by at least five (5) years of exclusive practice in psychiatric diagnosis and treatment to make a personal examination of such alleged criminal sexual psychopathic person who shall file with the court a report in writing of the results of their examination together with their conclusions. To facilitate such examination, the court at the time of appointing such psychiatrists may order the same made at such reasonable place as is suggested by the examining psychiatrists and to that end may order the sheriff of the county where the person stands charged to provide at the expense of the State transportation, care and security of such person while he is being examined. The State Attorney shall receive a copy of said report at the time it is filed with the Clerk of the Court wherein the person stands charged with such criminal offense. Said report shall be open to the inspection of the accused or his counsel, but shall not be competent evidence in any other proceeding

against accused except the hearing to inquire into his alleged psychopathy. Said alleged psychopath shall be required to answer the questions propounded by such psychiatrists under penalty of contempt of court; provided, that such examination shall not violate common law privileges or constitutional privileges against self-incrimination. In the event that the two of such psychiatrists in such report state their conclusions to the effect that such person is a criminal sexual psychopathic person with a written statement of the facts on which such conclusions are based, then proceedings shall be had as provided in this Act prior to a trial of such person upon the criminal offense with which he then stands charged, or prior to sentence if he then stands convicted and has not been placed on probation, or prior to completion of probation sentence; provided, that nothing herein contained shall prevent any person within the purview of Section 1 of the Act from voluntarily submitting himself to treatment for mental disorder and provided further that voluntary submission for treatment shall in no way prevent the State Attorney from proceeding under this Act, if in his opinion the public health, safety and welfare require such action either prior to, during or after the conclusion of such voluntary submission for treatment.

Section 5. Upon a hearing held for that purpose the Circuit Court without a Jury, unless a Jury is demanded within fifteen (15) days after the filing with the Circuit Court by the State Attorney and service upon the accused or his counsel of said report with notice thereto attached, to the defendant, of his right to demand a Jury trial, shall ascertain whether or not such person is a criminal sexual psychopathic person. The Circuit Court shall give the hearing priority upon the request of either the State Attorney or the defendant. Upon such hearing it shall be competent to introduce evidence of the commission by such person of any number of crimes involving sexual motivation of which the accused may theretofore have been convicted, together with the record of the punishment inflicted therefor. If such person is determined to be a criminal sexual psychopathic person, then the Court shall commit such person to the State Hospital at Chattahoochee or some other appropriate institution under the jurisdiction of the Board of Commissioners of State Institutions until there are reasonable grounds to believe that such person has recovered from such psychopathy to a degree that he will not be a menace to others.

Section 6. Such criminal sexual psychopathic person shall be discharged only after there are reasonable grounds to believe that such person has recovered from such psychopathy to a degree that he will not be a menace to others. At any time, when he shall appear to have so recovered, a petition in writing setting forth the facts showing such recovery may be filed with the Clerk of the Circuit Court by which he was committed and such Court shall proceed to determine whether or not he has recovered from such psychopathy to a degree that he will not be a menace to others. Jury trial of such issue may be had, if demanded before the trial of said issue and within fifteen (15) days after the filing of such petition. If, following such hearing, such person is found to have recovered from such psychopathy to a degree that he will not be a menace to others, then the Circuit Court shall order such person to be discharged from the custody of the institution to which he was committed. In the event such person is found to have not so recovered from such psychopathy, then the Circuit Court shall order such person to be returned to the custody of said institution to be held under the previous commitment of such person. As long as such psychopath shall remain in the custody of such institution he shall be examined at least once a year by two psychiatrists on the staff of such institution who shall report in writing their findings including therein any facts tending to show appearance of recovery, to the committing Court. These reports shall thereafter be available to such committed person's attorney for use in petitions for discharge, and also as evidence at any hearings on such petitions if so requested by the petitioner, by the prosecutor or by the Court.

Section 7. No person who is found in such original hearing to be a criminal sexual psychopathic person and such finding having become final, may thereafter be tried or sentenced upon the offense with which he originally stood charged, or convicted at the time of the filing of the original petition.

Section 8. The State shall defray all cost and expense necessarily incurred by the State in the ascertainment of whether

or not such person is a criminal sexual psychopathic person, as well as that incident to his confinement and treatment in a State institution, and where possible, the State may recover the amount so paid from such person, upon a proceeding instituted for that purpose by the State Attorney of the County where such person was charged with a criminal offense.

Section 9. If any word, phrase, sentence, section or part of this Act is declared unconstitutional, the remainder shall remain in full force and effect.

Section 10. This Act shall take effect upon becoming a law."

—and respectfully requests the concurrence of the Senate therein.

Respectfully,

LAMAR BLEDSOE,
Chief Clerk, House of Representatives.

By Senators Neblett and Gautier (13th)—

Senate Memorial No. 702:

A MEMORIAL TO CONGRESS, THE UNITED STATES SECRETARY OF INTERIOR, THE DIRECTOR OF THE NATIONAL PARK SERVICE AND THE TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA URGING THAT CERTAIN ACTION BE TAKEN TO ESTABLISH A WESTERN GATEWAY AND SET THE BOUNDARIES OF THE EVERGLADES NATIONAL PARK.

WHEREAS, The Everglades National Park was conceived by the people of the State of Florida as a unique area for sub-tropic flora and fauna to be preserved and to be seen and enjoyed by all of the people of these United States, and

WHEREAS, In their original enthusiasm the planners of the Everglades National Park proposed extensive maximum boundaries, which were enacted into law by the United States Congress, and

WHEREAS, Over a period of years a more practical evaluation of the said boundaries has been made because of the phenomenal growth of the State of Florida, and the necessity of its people in the southern part of the State to utilize lands for cities, resort areas, boating and fishing, minerals, agriculture, and the raising of cattle, and

WHEREAS, These practical evaluations of necessity have resulted heretofore in various agreements between Federal and State officials which would have the effect of placing boundaries smaller than those originally contemplated on the Everglades National Park, and

WHEREAS, Some confusion has existed as to the present and future extent of said boundaries, which has had an adverse effect upon property owners and land valuations, and has resulted in many public hearings before the Trustees of the Internal Improvement Board of the State of Florida, and has troubled the Florida delegation to The Congress of the United States, and the Legislature of the State of Florida, and

WHEREAS, The sale of state-owned land results in material benefit to the citizens of the State of Florida, including State aid to schools and education, and the State of Florida has already donated the sum of two million dollars (\$2,000,000.00) and more than eight hundred fifty thousand (850,000) acres of land for the Everglades National Park, and the park now contains over one million two hundred and twenty thousand (1,220,000) acres, and

WHEREAS, Any further contemplated acquisition of land by the Everglades National Park would be in Dade and Monroe Counties, but principally in Monroe County, and would result in the loss of valuable farm land in Dade County, and would result in the loss to Monroe County of ninety per cent (90%) of its land area, to the hurt and detriment of its citizens, and

WHEREAS, The legislative delegations of Monroe and Dade Counties are opposed to further extensive acquisition by the Federal government of such lands for park purposes, believing the said park to be large enough to serve the purposes for which it was established, and

WHEREAS, Portions of the Everglades National Park lie in an area which provide natural drainage for the Lake Okeechobee region of the State of Florida, and it is necessary for

the safety of the citizens of that region and for the drainage and development of land to construct and maintain suitable canals for drainage, some of which must penetrate into areas within the said park, and

WHEREAS, Lands have been made available in Collier County, Florida, at no expense to the State or the people for inclusion in the Everglades National Park, and

WHEREAS, There is at the present time but one entrance into the Everglades National Park, being by roadway from a point in Dade County, Florida, and

WHEREAS, The people of the west coast of Florida are desirous of having an entrance or gateway into the Everglades National Park, so that more persons may be enabled to visit the park and so that tourist traffic along the west coast will become thereby stimulated and increased, and

WHEREAS, It is desired to conclusively set and determine the maximum boundaries of the Everglades National Park, NOW, THEREFORE,

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF FLORIDA:

THAT the Congress of the United States, the United States Secretary of Interior, the Director of the National Park Service and the Trustees of the Internal Improvement Fund of the State of Florida are hereby memorialized and respectfully urged to take whatever action is necessary to accomplish the following:

That the maximum and conclusive boundary of the Everglades National Park be established by law to be approximately the following:

(a) The boundaries shown in Act of Congress in Public Law 340, 81st Congress, 1949, with additions of certain State lands included in the park on February 22, 1950, as shown on attached map, outlined in green, PLUS

(b) A gateway into the park consisting of lands in Monroe County, Florida, described as follows:

Sections 1, 2, 3, 4, 5, 8, 9, 10, 11, 12, 13 and 24 of Township 54 S, Range 30 E.

Sections 6, 7, 17, 18, 19, 20, 21, 27, 28, 29, 30, 31, 32, 33, 34, 35 and 36 of Township 54 S, Range 31 E.

Sections 1, 2, 3, 4, 5, 10, 11, 12, 13, 14, 15, 23, 24, 25 and 26, Township 55 S, Range 31 E.

Sections 18, 19, 20, 30, 31 and 32 of Township 55 S, Range 32 E.

Sections 4, 5 and 6 of Township 56 S, Range 32 E., PLUS

(c) Such lands in Collier County as have been deeded in trust to the Trustees of the Internal Improvement Board of the State of Florida, for further deeding to the U. S. Government for inclusion in the park, PLUS

(d) The Island or Key known as Duck Rock Key, a bird sanctuary.

2. That the City of Everglades, Collier County, Florida, be declared to be the western gateway to the Everglades National Park.

3. That access be permitted through the said gateway lands in Monroe County, as described in paragraph 1 (b), from the interior to private property on the coast.

4. That since the park contains the natural drainage for a large section of south Florida from Lake Okeechobee, entry be permitted into the park for the purpose of constructing and continuing such drainage canals as are, or may be approved by the State of Florida or duly constituted political subdivisions, including a county or drainage district.

5. A MEMORIAL TO THE CONGRESS OF THE UNITED STATES REQUESTING LEGISLATIVE ACTION QUIETING TITLE TO CERTAIN SMALL ISLANDS AMONG THE FLORIDA KEYS.

TO THE HONORABLE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES OF AMERICA, IN CONGRESS ASSEMBLED:

WHEREAS, Many out-croppings of rock or small keys ranging in areas of from less than one tenth acre to less than six acres among the Florida Keys in Monroe county, Florida, lying between Key Boca Chica, in Township 67 South, Range 26 West, on the west and the east end of Key Largo, in Township 59 South, Range 41 East, on the East, and being between the upland of the Florida Keys and the channel of the bay or navigable waters opposite said upland, were left unsurveyed in 1873 and 1874, when the official surveys of Florida Keys were made and approved by the government, and no such out-croppings of rock or small keys are shown or noted on said survey; and

WHEREAS, The said out-croppings of rock or small keys were not in existence or were of no value and were only slightly above the surrounding waters, if they were in existence in 1873 and 1874 when said survey was made and approved and said small keys were never surveyed by the government nor claimed by the government as public lands of the United States until some of the small keys had been sold to riparian owners by the trustees of the internal improvement fund of Florida, so that they would be filled in and put upon the tax rolls, and after some of the small keys had been improved by riparian owners, all of which gave value to the said keys, the bureau of land management of the Department of Interior, caused some of the keys so sold by the trustees of the internal improvement fund of Florida and some which had been improved by riparian owners, to be surveyed in 1953 and subsequently, as public land of the United States; and

WHEREAS, The Supreme Court of the United States has ruled in several cases that such islands, unsurveyed and lying between the upland which had been surveyed, and the channel, passed to the State as part of the submerged land when the State was admitted to the union of the United States; and

WHEREAS, The trustees of the internal improvement fund of the State of Florida claimed title to these small islands and have sold some of the said islands to the riparian owners all of which have been placed upon the tax rolls, NOW, THEREFORE,

BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA, THE HOUSE OF REPRESENTATIVES CONCURRING:

That the Congress of the United States is hereby memorialized and requested to adopt legislation which will quiet title to these small islands in the State of Florida by providing that said small islands or keys shall have passed to the State of Florida when Florida became a State of the United States in 1845;

That the United States district court of the southern district of Florida be vested with jurisdiction of actions brought by claimants of these islands against the United States to quiet title of said islands in such claimants;

That some action be taken by Congress forthwith to stay sales of the said islands by the bureau of land management, department of the interior, pending this legislation.
