By Senators Tapper, Baker, Johns and Hodges—

Senate Concurrent Resolution No. 67-XX(56):

A CONCURRENT RESOLUTION COMMENDING THE HONORABLE CECIL M. WEBB FOR EXEMPLARY SERVICE AND LEADERSHIP IN BEHALF OF THE STATE AND NATIONAL HIGHWAY CONSTRUCTION PROGRAM.

WHEREAS, the Honorable Cecil M. Webb has long and faithfully served the State of Florida and its people, both as a private citizen and public official, most recently as a member and Chairman of the State Road Board, from December 14, 1953, to January 4, 1955, and

WHEREAS, the Legislature recognizes with appreciation the myriad salutary achievements of Cecil M. Webb during his tenure as a member and Chairman of said Board, and

WHEREAS, this Legislature considers it appropriate and necessary that it spread on the public record, for the enlightenment of the people of this State, an open acknowledgment of the outstanding service rendered the State Road Board by the Honorable Cecil M. Webb, in that he, in a conscientious and efficient manner, ably discharged the manifold duties of said office, far beyond the call of duty, and

WHEREAS, included among the many successful attainments of Cecil M. Webb during his tenure as Chairman of the State Road Board, one accomplishment shines with more brilliancy than the others because of its national significance as well as State importance, and

WHEREAS, said salutary attainment was the conception and placing into operation of a plan whereby, for the first time in the history of highway construction, it would be economically feasible, and practicable in all other respects, for the State of Florida and the Nation as a whole to be provided with an adequate and safe highway system, encompassing a network of interstate highways capable of serving the dual role of satisfying urgent civilian needs and providing military access in time of emergency, and

WHEREAS, said plan as conceived by Cecil M. Webb was personally presented and explained to the President of the United States on the 17th day of March, 1954, and

WHEREAS, said plan was subsequently, on the 8th day of November, 1954, at Seattle, Washington, presented and explained by Cecil M. Webb in an address delivered to the Committee on Administration of the American Association of State Highway Officials, and

WHEREAS, other gatherings and meetings of authorities in the field of highway construction were planned and arranged by Cecil M. Webb for the purpose of promoting and explaining his plan for an integrated system of state highways, and

WHEREAS, in a large measure, credit for the achievement of unanimity of thought and purpose on the part of State Highway Officials of the United States toward the plan of a nation-wide network of interstate highways can be attributed to the efforts and leadership of Cecil M. Webb, and

WHEREAS, such unanimity of purpose on the part of said state highway officials, the credit for which can, in a large measure, be laid to the efforts of Cecil M. Webb, gave to the President of the United States the support and strength necessary to obtain the endorsement of Congress to the Presi-

dent's Highway Construction bill, which bill basically followed the plan as originally conceived by Cecil M. Webb, and

WHEREAS, to a considerable degree, the prayers of the people of this state and nation for better and safer highways promises to become a reality as a result of the efforts and profundity of Cecil M. Webb, and

WHEREAS, as is typical with a man of the stature of Cecil M. Webb, such contribution to the well-being of the State and Nation was made with neither fanfare nor flourish, but solely with the humble and sincere desire to serve his State and Nation, and

WHEREAS, his unequalled depth and diversity have carried Cecil M. Webb to the heights of success in the world of business, public life and community, state and national leadership and service, NOW, THEREFORE,

BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA, THE HOUSE OF REPRESENTATIVES CONCURRING:

Section 1. That this legislature appreciatively recognizes and highly commends the Honorable Cecil M. Webb for his unselfish and outstanding service to the State and Nation during his tenure as member and Chairman of the State Road Board, and for his outstanding contributions to the State and National Highway Construction Program, and for his interest in the development and construction of more adequate and safer highways.
