Almighty God, we beseech thee to look with favor upon those given the responsibility and power of government in this state, and most especially for the Senate of Florida, here assembled. Let us not forget that this responsibility and power has come of thee and that we have them as a trust to use in thy service. Keep us this day from being arbitrary in our wills, hasty in our action, or irresponsible in our words, lest in so doing we cause offense to thee and one another. Make the fulness of thy presence known among us so that we will not turn coward before the difficulties, the demands and the decisions which surely will be upon us. Suffer our trust in thee to never fail, for thee alone can deliver us from our sins and ourselves. Amen.

Senate Memorial No. 859:

A MEMORIAL TO THE CONGRESS OF THE UNITED STATES AND TO THE COURTS OF THE STATE, RELATING TO THE INVALIDITY OF THE 14TH AND 15TH AMEND-

MENTS TO THE CONSTITUTION OF THE UNITED STATES, AND URGING THE COURTS OF THE STATE TO TAKE JUDICIAL COGNIZANCE OF THE SAME, INSTRUCTING THE ATTORNEY GENERAL OF THE STATE IN ALL PERTINENT PROCEEDINGS TO DENY THE VALIDITY OF THESE AMENDMENTS, AND MEMORIALIZING THE CONGRESS TO ENACT SUCH LEGISLATION AS THEY MAY DEEM FIT TO DECLARE THAT THE 14TH AND 15TH AMENDMENTS TO THE CONSTITUTION OF THE UNITED STATES WERE NEVER VALIDLY ADOPTED AND THAT THEY ARE NULL AND VOID AND OF NO EFFECT.

WHEREAS, The State of Florida together with the ten other Southern States declared to have been lately in rebellion against the United States, following the termination of hostilities in 1865, met all the conditions laid down by the President of the United States, in the exercise of his Constitutional powers to recognize the governments of states, domestic as well as foreign, for the resumption of practical relations with the Government of the United States, and at the direction of the President did elect Senators and Representatives to the 39th Congress of the United States, as a State and States in proper Constitutional relation to the United States, and

WHEREAS, When the duly elected Senators and Representatives appeared in the Capitol of the United States to take their seats at the time for the opening of the 39th Congress, and again at the times for the openings of the 40th and the 41st Congresses, hostile majorities in both Houses refused to admit them to their seats in manifest violation of Articles I and V of the United States Constitution; and

WHEREAS, The said Congresses, not being constituted of Senators and Representatives from each State as required by the Supreme Law of the Land, were not, in Constitutional contemplation, anything more than private assemblies unlawfully attempting to exercise the Legislative Power of the United States; and

WHEREAS, The so-called 39th Congress, which proposed to the Legislatures of the several States an amendment to the Constitution of the United States, known as the 14th Amendment, and the so-called 40th Congress, which proposed an amendment known as the 15th Amendment, were without lawful power to propose any amendment whatsoever to the Constitution; and

WHEREAS, All proceedings subsequently flowing from these invalid proposals, purporting to establish the so-called 14th and 15th Amendments as valid parts of the Constitution, were null and void and of no effect from the beginning, and

WHEREAS, Furthermore, when these invalid proposals were rejected by the legitimate Legislatures of the State of Florida and twelve other Southern States, as well as of sundry Northern States, the so-called 39th and 40th Congresses, in flagrant disregard of the United States Constitution, by the use of military force, dissolved the duly recognized State Governments in Florida and nine of the other Southern States and set up military occupation or puppet state governments, including a body usurping the legislative power of the State of Florida, whose sessions have been generally but erroneously known and recognized as the First Session 1868 and the Extra Session 1869, of the Legislature of Florida under the Constitution of A. D. 1868, which compliantly ratified the invalid proposals, thereby making (at the point of the bayonet) a mockery of Section 4, Article IV of the Constitution, guaranteeing "to every State in this Union a Republican Form of Government," and guaranteeing protection to "each of them against Invasion;" and

WHEREAS, Further, the pretended ratification of the so-called 14th and 15th Amendments by Florida and other States whose sovereign powers had been unlawfully seized by force of arms against the peace and dignity of the people of these States, were necessary to give color to the claim of the so-called 40th and 41st Congresses that these so-called amendments had been ratified by three-fourths of the States; and

WHEREAS, It is a well-established principle of law that the mere lapse of time does not confirm by common acquiescence an invalidly-enacted provision of law just as it does not repeal by general desuetude a provision validly enacted; and

WHEREAS, The continued recognition of the 14th and 15th Amendments as valid parts of the Constitution of the United States is incompatible with the present-day position

of the United States as the World's champion of Constitutional governments resting upon the consent of the people given through their lawful representatives; NOW, THEREFORE,

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF FLORIDA:

That the Courts of the State of Florida are hereby memorialized and respectfully urged to take judicial cognizance of the legislative findings of fact recited in the Preamble in all matters coming before them premised or contingent upon the validity or the invalidity of the so-called 14th and 15th Amendments to the Constitution of the United States;

That the Attorney General of the State of Florida is hereby instructed to deny the validity of the said so-called 14th and 15th Amendments to the Constitution of the United States before all Courts in which he shall appear in any matter touching powers alleged to have been granted to the Government of the United States or touching any restriction alleged to have been imposed upon the powers of the Government or the people of the State of Florida by reason of the aforesaid so-called 14th and 15th Amendments to the Constitution of the United States; and

That the Congress of the United States is hereby memorialized and respectfully urged to declare that the exclusions of the Southern Senators and Representatives from the 39th, 40th and 41st Congresses were malignant acts of arbitrary power and rendered those Congresses invalidly constituted; that the forms of law with which these invalid Congresses attempted to clothe the submission of the 14th and 15th Amendments and to clothe the subsequent acts to compel unwilling States to ratify these invalidly proposed amendments, imparted no validity to these acts and amendments; and that the so-called 14th and 15th Amendments to the Constitution of the United States are null and void and of no effect.

BE IT FURTHER RESOLVED That copies of this memorial be transmitted forthwith by the Chief Clerk of the House and the Secretary of the Senate of the State of Florida to the President of the United States, the Chief Justice of the United States Supreme Court, the President of the Senate and the Speaker of the House of Representatives of the Congress of the United States, and the Senators and Representatives in the Congress from the several States of the Union, the Governor and Attorneys General of the several States, the Justices of the Supreme Court of the State of Florida, and the Judges of the Circuit Courts of the State.

BE IT FURTHER RESOLVED That a copy of this Memorial be spread upon the journal of both the Senate and House of Representatives of the State of Florida and sufficient copies thereof be furnished to the press.

Section 10. The amounts approved by the legislature in the funds and appropriations provided herein or otherwise provided by law for any department or branch of the state government created by the Constitution and/or statutes of the state shall be expended only for the purpose for which appropriated, except that casual labor employed on a day-to-day basis at a per day or per hour rate may be construed as coming within expenses; provided, however, that expenses may be used for operating capital outlay by and with the approval of the State Budget Commission. The Chairman of the Senate Appropriations Committee and the Chairman of the House Appropriations Committee shall furnish a joint report to the Budget Commission setting forth the numbers of positions and the amounts included by the legislature in the salaries items for the ensuing biennial period for which the funds and appropriations are provided herein or otherwise provided by law. The report shall be filed with the Budget Commission on the same day the legislature passes the general appropriations act. It is the intent of the legislature that this report shall be the basis on which the allotment and release of funds shall be made by the Budget Commission. The report shall contain, among other things, the following: (1) The amount approved for salaries to maintain the number of current filled positions as approved by the legislature, (2) the amount approved for salaries to provide for the number of current unfilled positions as approved by the legislature, (3) the amount approved for salary increases in the first year and the second year of the biennium for current filled and unfilled positions, (4) the number of new positions and the amount for the new positions approved in the first year and the second year of the biennium, (5) the amount approved for salary increases for new positions in the first year and the second year of the biennium, and (6) the amount approved for other salaries and the purposes for which approved. Section 11. The appropriations made herein under Item 1, Item 32, Sub-item (b) of Item 45, Item 46, and Item 47 of Section 1 may be transferred from one to the other by and with the approval of the State Budget Commission upon its determination that such transfers are necessary because of movements of inmates from one institution to another institution, and for other justifiable reasons, in order to adequately provide for the necessary custodial care of inmates at each institution which the Budget Commission determines to be in the best interest of the state.

Section 12. If any of the funds appropriated herein or otherwise provided by law to any department or agency are to be expended for equipping, operating or maintaining printing, duplicating or reproducing services or facilities by any department or agency hereunder, then each such department or agency shall compile cost records as prescribed by the State Auditor of all such expenditures, and the provision of Section 216.26, Florida Statutes, relating to Budget Commission approval for the purchase of vehicles shall be likewise applicable to the purchase of printing and duplicating equipment when the amount of any such purchase exceed \$1,000.00, and under such rules and regulations as adopted by the Budget Commission relating to the purchase of vehicles.

The salary, or combined salaries, or other compensation for services including perquisites as defined by the State Budget Commission, of any state officer or employee, or employee of any department or branch of the state government created by the statutes of this state, shall not exceed the sum of ten thousand (\$10,000) dollars per annum unless otherwise expressly provided by law; provided, however, where it deems necessary and to the best interests of the state, the salary and other compensation for executive and professional personnel may exceed the limitation imposed herein by and with the consent and approval of at least five (5) members of the State Budget Commission, one of whom shall be the Governor.

Section 15. Under Section 1, Item 66, of this Act, there is provided the sum of \$500,000.00 for the purpose of supplying immediate funds for any unforeseen emergency that may arise, including an amount not to exceed \$100,000 to be released by the Budget Commission only upon a declaration by the Governor of an emergency resulting from the Red Tide and subject to such other procedures as are set forth in this Section. This appropriation shall be under the complete supervision and control of the State Budget Commission and the Budget Commission is hereby authorized in its discretion to designate any part of this appropriation for meeting necessary expenses brought about by such emergency as provided after public hearing and ample evidence is presented to the Budget Commission of the need for such emergency appropriation; provided, however, that no expenditures shall be authorized except by the concurring vote of five (5) members of the Budget Commission, one of whom shall be the Governor; and provided further, that this shall not be construed to authorize the Budget Commission to create any new department or function, or to provide funds for any existing department or function for which no appropriation or funds are provided herein, and no part of this appropriation shall be used for attorney's fees, increase of salaries or for the construction or equipping of any building.

Section 16.
