Senator Bronson, President Pro Tempore, presiding.

Senator Neblett moved that Senate Bill No. 521, as amended, be recalled from the Secretary of the Senate as Ex Officio Enrolling Clerk.

Which was agreed to and it was so ordered.

Senator Neblett moved that the rules be waived and the Senate immediately reconsider the vote by which the Senate on May 8, 1957, concurred in the House Amendment to:

S. B. No. 521—A bill to be entitled An Act relating to Lee County, Florida, providing for the salary of County Commissioners to be four thousand eight hundred dollars (\$4,800.00) per annum; providing an effective date.

Which amendment reads as follows:

In Section 2, strike out all of Section 2 and insert the following in lieu thereof:

Section 2. This Act shall become effective upon its approval at a special election to be held in Lee County on June 18, 1957, when the question of approval or rejection shall be submitted and wherein a majority of the electors voting in said election shall vote "yes" in favor of the adoption of this Act.

WHEREAS, Florida is interested in the public health of its citizens and the State institutions provided by the taxpayer's dollar to build and maintain same, and

WHEREAS, Public funds have been expended over a period of years to build and maintain four tuberculosis hospitals in which to treat the tuberculous in the State and to isolate cases of infectious and contagious tuberculosis in the interest of protecting the people of this State against one of the most contagious of all diseases, as well as afford to those afflicted the best medical and nursing care possible and necessary to restore health and spare human life, and

WHEREAS, The Legislature has appropriated money from time to time to properly operate the tuberculosis hospitals and to treat and keep the patients therein until they are no longer a menace to the public health, and

WHEREAS, It has come to the attention of the Senate that due primarily to such early or premature discharge of tuberculous patients certain reductions in budget requests for the tuberculosis hospitals have been made, giving the impression that a saving in money was being effected.
