Which was pending amendment at the hour of adjournment on May 10, 1957, having been read the second time by title, was taken up.

The question was put on the motion made by Senator Brackin on May 10, 1957, to reconsider the vote by which the following amendment to Senate Bill No. 83 was adopted:

In (typewritten bill) after the words "future customers therein" in line 8, strike lines 9 and 10 and the first word of line 11, being the words and figures, to-wit: "for a period of thirty (30) years from the date of the inclusion of such area within the corporate limits of such new or existing municipality;" and insert in lieu thereof the following: "for the period of time for which any other owner of similar utility facilities will or does have the right to operate such similar utility facilities under any existing franchise, permit, contract or other arrangement from, by or with such municipality, provided, if the municipality into which such new area is incorporated owns and operates utility facilities of a similar nature, then, in such event, the owner of the utility facilities in such newly included area may have the right to continue to operate, maintain and extend the same and serve existing and future customers therein for a period of fifteen (15) years from the date of the inclusion of such territory within the corporate limits of such municipality, or at the option of the municipality which owns and operates facilities of a similar nature, said municipality in lieu of allowing such continued operation for said fifteen years may purchase the facilities taken into its corporate limits at their fair market value."
