Senate Joint Resolution No. 593—

A JOINT RESOLUTION PROPOSING AN AMENDMENT TO ARTICLE XVI OF THE CONSTITUTION OF FLORIDA ADDING THERETO AN ADDITIONAL SECTION CREATING THE FLORIDA PUBLIC UTILITIES COMMISSION; PROVIDING THAT THE FLORIDA RAILROAD AND PUBLIC UTILITIES COMMISSION, NOW EXISTING BY LEGISLATIVE ACT, SHALL HENCEFORTH BE KNOWN AS THE FLORIDA PUBLIC UTILITIES COMMISSION; PRESCRIBING THE NUMBER OF COMMISSIONERS CONSTITUTING SAID COMMISSION, THE METHOD OF FILLING COMMISSIONER VACANCIES IN OFFICE, AND OF RETENTION OF COMMISSIONERS IN OFFICE, AND ESTABLISHING SAID COMMISSION'S RIGHTS, POWERS, DUTIES, RESPONSIBILITIES AND JURISDICTION.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF FLORIDA:

That the following amendment to Article XVI of the Constitution of the State of Florida relating to Miscellaneous Provisions by adding thereto Section 35 of said Article XVI is hereby agreed to and shall be submitted to the electors of the State of Florida for ratification or rejection at the next general election to be held in November, 1960, as follows:

Section 35. Florida Public Utilities Commission.—

(1) **Organization; Membership.** The Florida Railroad and Public Utilities Commission now existing by legislative act shall henceforth be known as the Florida Public Utilities Commission which is hereby created. Said Commission shall consist of three (3) members who shall elect one of their number as chairman.

(2) **Eligibility To Office.** A person to be eligible for the office of public utilities commissioner shall be a citizen of this state, at least twenty-five (25) years of age and shall not own any stock, bond or other security of or any interest in

or be an agent or employee of or engaged in the management of any business, firm or corporation which is under the regulatory jurisdiction of the commission, and shall not have lost an election for retention in said office as hereinafter provided or been previously removed from said office. Should a commissioner at any time become disqualified for any of the foregoing reasons he shall remove such disqualification or resign and his failure to so do shall be grounds for his suspension and removal from office.

(3) **Selection of Commissioners; Filling Vacancies; Terms of Office.** Except as hereinafter provided, a vacancy in the office of Florida Public Utilities Commissioner shall be filled by appointment by the Governor and a commissioner may thereafter be continued in office by election as herein set forth. Each commissioner appointed pursuant to this section shall hold office for a term ending on the first Tuesday after the first Monday in January following the next general election after the expiration of twelve (12) months in office; provided, however, that any Florida Railroad and Public Utilities Commissioner holding office at the time this section is adopted and whose term under previous law extends beyond the first Tuesday after the first Monday in January, 1961, or any person elected under previous law to a commission term beginning on the first Tuesday after the first Monday in January, 1961, shall unless he resigns, retires or if lawfully removed, hold the office as Florida Public Utilities Commissioner for the term to which he would have been entitled had the provisions of this section not become applicable to the office and may thereafter be continued in office by election as herein set forth; provided further that any said commissioner holding office under previous law for a term which expires on the first Tuesday after the first Monday in January, 1961, and who has not been reelected under previous law to a new term, may serve out the remainder of his term, but should he vacate the office the commissioner elect shall immediately take office and serve during the interim period.

(4) **Retention of Commissioner by Election; Procedure.** Not less than sixty (60) days prior to the holding of the general election next preceding the expiration of his term in office, a commissioner may file in the office of the Secretary of State a declaration of candidacy for election to succeed himself. No filing or qualifying fee shall be required. If a declaration is not so filed by a commissioner, the vacancy resulting from the expiration of his term of office shall be filled by appointment as herein provided. If such a declaration is filed, the commissioner's name shall be submitted at the next general election to the qualified electors of this state on the general election ballot reading:

SHALL COMMISSIONER _____
 (here the name of the commissioner shall be inserted)
 OF THE FLORIDA PUBLIC UTILITIES COMMISSION BE
 RETAINED IN OFFICE? YES _____
 NO _____

If the majority of those voting on the question vote against retaining the commissioner in office, upon the expiration of his term of office a vacancy shall exist which shall be filled by appointment as herein provided; otherwise the commissioner shall, unless he resigns, retires or is lawfully removed, remain in office for a term of six (6) years after the first Tuesday after the first Monday in January following such election, and at the expiration of each such term he shall be eligible for retention in office by election in the manner here prescribed.

(5) **Suspension of Commissioner.** Florida Public Utilities Commissioners shall be subject to suspension and removal as otherwise provided in this constitution. Any suspension of a commissioner shall extend the term of office until the first Tuesday after the first Monday in January following the next general election held not less than ninety (90) days after he either resumes the duties of the office or is removed, provided, that this shall not be construed to shorten the term of the office if it would otherwise run for a longer period. Any interim appointee to the office during such suspension shall serve only for the period of the suspension unless the suspended commissioner is removed. In such latter event the interim appointee shall serve for the balance of the term and may be retained in office as herein provided.

(6) **Disqualification of a Commissioner in a Proceeding.** The

procedure and grounds for the disqualification of a commissioner to serve in a particular proceeding shall be as provided by law and the Governor shall appoint a circuit judge to serve temporarily in such proceeding in lieu of any disqualified commissioner.

(7) **Jurisdiction; Powers; Duties; Compensation.** Insofar as there is no inconsistency herewith, the Florida Public Utilities Commission shall have such rights, responsibilities and jurisdiction and shall perform such duties, exercise such powers, receive such compensation, and may employ and fix the compensation of such examiners and other personnel, as is now provided or authorized by law applicable to the Florida Railroad and Public Utilities Commission or as may hereafter be provided or authorized by law.

(8) **Examiners; Powers.** The Commission may appoint to serve at its pleasure persons deemed by it to be qualified as examiners and may delegate commission power and authority to such examiners subject to review by the commission of any examiner's action. A member of the commission, with his consent, may be appointed examiner in any proceeding and he shall not thereby be disqualified to also act as a commissioner in such proceeding. The commission may itself hear and determine any action or proceeding within its jurisdiction or may refer same in whole or in part to an examiner for hearing and determination to such extent as the commission may direct. It shall not be bound by an examiner's findings of fact or conclusions of law but may affirm, reverse, vacate or modify in whole or in part any ruling or action of an examiner and may take additional testimony and evidence and grant and hear oral arguments and rehearings in any case.

(9) **Powers of Other Personnel.** Other commission personnel shall exercise such powers and authority as may be authorized by law.
