INTRODUCTION OF RESOLUTIONS, MEMORIALS, BILLS AND JOINT RESOLUTIONS

By Senator Edwards—

Senate Resolution No. 735:

A RESOLUTION FOR THE APPOINTMENT OF A COMMITTEE OF THE SENATE TO CONTINUE THE INVESTIGATION AND STUDY OF THE STATE TUBERCULOSIS HOSPITALS AND ALL MATTERS RELATING TO THE OPERATION OF SAID HOSPITALS THAT WAS STARTED BY THE ADOPTION OF SENATE RESOLUTION NO. 918, 1957 SESSION.

WHEREAS, Florida is interested in the public health of its citizens and the state institutions provided by the taxpayer's dollar to build and maintain same, and

WHEREAS, Public funds have been expended over a period of years to build and maintain four tuberculosis hospitals in which to treat the tuberculous in the state and to isolate cases of infectious and contagious tuberculosis in the interest of protecting the people of this state against one of the most contagious of all diseases, as well as afford to those afflicted the best medical and nursing care possible and necessary to restore health and spare human life, and

WHEREAS, The Legislature has appropriated money from time to time to properly operate the tuberculosis hospitals and to treat and keep the patients therein until they are no longer a menace to the public health, and

WHEREAS, It has come to the attention of the Senate that policies which have been instituted in the state tuberculosis hospitals relating to the premature discharges or reduced periods of hospitalization of tuberculous patients are highly questionable and are controversial among doctors of the medical profession, and

WHEREAS, It has been brought to the attention of the Senate that in certain individual tuberculous cases hospitalization may be reduced only when, among other things, there are adequate local and state health facilities to perform the necessary follow-up procedures on each patient discharged from the hospitals, and

WHEREAS, It is evident from the admission of the director of the state tuberculosis board in a letter to Dr. George H. Hames, Medical Director of the Southeast Florida Tuberculosis Hospital, that well organized and adequately staffed outpatient departments of tuberculosis hospitals and health departments have not been established throughout the state to guarantee proper follow-up procedures, which have been pointed out to this committee as a necessary and inseparable requirement for the successful control of tuberculosis in Florida, and

WHEREAS, There is an apparent effort on foot to convert one of the state tuberculosis hospitals into a hospital for the treatment of other diseases at a time when statistics show no decrease in the number of persons found to have tuberculosis although the death rate has been greatly reduced by modern treatment, NOW, THEREFORE,

BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA:

Section 1. Committee shall have all other authority and duties such as are provided in Chapter 11, Florida Statutes.

Section 3. To assist the Committee in carrying out the duties imposed upon it by this resolution, it is authorized to request and use the service and assistance of the Attorney General's Office, State Auditing Department, State Board of Health, County Health Officers and any other governmental agencies in the State of Florida it may deem necessary and useful.

Section 4. The Committee is authorized to request the State Auditing Department to take into custody, immediately or otherwise, and impound any records of agencies of the State of Florida which it deems proper and necessary to be used in the carrying out of its duties under this resolution.

Section 5. The Committee shall begin its investigation and study as immediately as possible and, from time to time, shall file its reports, findings and recommendations with the president of the Senate and the governor of Florida.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF FLORIDA:

That the following amendment to Article VIII of the Constitution of Florida is hereby agreed to and shall be submitted to the electors of the State of Florida for ratification or rejection at the next general election to be held in November, 1960.

Article VIII is hereby amended by adding Section 24 to read as follows:

Section 24. (1) Subject to the adoption of a home rule charter, as hereinafter provided, the electors of Hillsborough County and its municipalities are granted home rule for Hillsborough County and its several municipalities to exercise any and all powers for county and municipal purposes which the Legislature could have conferred, without reference in any case to the Legislature of the state of Florida for enabling legislation, except such powers as are hereinafter specifically reserved.

(2) None of the powers herein granted shall vest or become operative unless and until a home rule charter prepared by a home rule charter board created by special act of the

State Legislature, shall have been voted on and approved by a majority of the electors of Hillsborough County, Florida, voting in said election to be held at a time and in a manner prescribed by the act creating the board. Any such home rule charter shall prescribe and fix the method and manner of the exercise of the home rule powers herein granted to Hillsborough County, Florida, and its municipalities. The special act creating said home rule charter board may designate any provision or provisions which shall be contained in such home rule charter to be prepared and presented to the electors by the home rule charter board.

(3) Any home rule charter prepared and submitted under the provisions of paragraph (2) above, shall contain a provision for public referendum for amendment or repeal thereof upon petition of not less than ten (10%) per cent of the qualified electors of Hillsborough County, Florida, and in the manner to be therein specified; provided that, the foregoing method for amendment or repeal of any such charter shall not be exclusive, and said charter may provide for other methods of amendment or repeal thereof.

(9) Nothing in this section shall be construed to limit or restrict the power and jurisdiction of the railroad and public utilities commission or of any other state agency, bureau or commission now or hereafter provided for in this Constitution or by general law and said state agencies, bureaus and commissions shall have the same powers in Hillsborough County and its municipalities as shall be conferred upon them in regard to other counties and municipalities.

MESSAGES FROM THE HOUSE OF REPRESENTATIVES

The following message from the House of Representatives was read:

Tallahassee, Florida,
May 6, 1959.

*The Honorable Dewey M. Johnson,
President of the Senate.*

Sir:

I am directed by the House of Representatives to inform the Senate that the House of Representatives has passed by the required Constitutional two-thirds vote of all Members of the House of Representatives present on May 6, 1959, the Governor's objections to the contrary notwithstanding—

S. B. No. 1293 (1957 Regular Session)—An Act authorizing the taking and cultivating of oysters from certain inside waters of Santa Rosa County by the use of a drag; limiting the size of such drag; providing an effective date.

The Governor's objections attached thereto as follows:

STATE OF FLORIDA
OFFICE OF THE GOVERNOR
TALLAHASSEE

June 28, 1957

*Honorable R. A. Gray
Secretary of State
State Capitol
Tallahassee, Florida*

Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill 1293, enacted by the Legislature of 1957, and entitled:

"AN ACT AUTHORIZING THE TAKING AND CULTIVATING OF OYSTERS FROM CERTAIN INSIDE WATERS OF SANTA ROSA COUNTY BY THE USE OF A DRAG; LIMITING THE SIZE OF SUCH DRAG; PROVIDING AN EFFECTIVE DATE."

This bill provides that it shall be lawful to take and recover oysters and to cultivate oyster beds in and from certain waters in East Bay in Santa Rosa County, by the process commonly known as "dredging" or "dragging" by the use of a drag or rake or similar device of a size not in excess of three (3) feet in width.

I am advised by the Director of Conservation that natural oyster reefs are usually a mixture of mud, sand, and a very large component of shells. The use of a dredge, such as this measure seeks to authorize, destroys the physical make-up of this structure by dislodging the upper structures of the area. This dislodgement makes the attachment of small oysters very difficult during the ensuing spawning period. Also, dredges are not selective as to size of oysters taken. In fact, all oysters are harvested regardless of size. Subsequent culling operations, in which the smaller oysters by law must be returned to the water, are carried out in spots other than the point of original harvest. This means that the potential crops of oysters are destroyed, leaving the beds denuded for periods up to two years.

Almost since their inception dredges, or drags, have been prohibited from the public oyster bars of the State of Florida, and I do not regard the exception sought to be made in the public interest.

For the foregoing reasons, I, therefore, withhold my approval from Senate Bill 1293, Regular Session of the Legislature, 1957, and do hereby veto the same.

Respectfully,

LEROY COLLINS,
Governor.

Respectfully,

LAMAR BLEDSOE,
Chief Clerk, House of Representatives.

The following Explanation of Vote was filed with the Secretary:

EXPLANATION OF VOTE

I voted "No" on Senate Joint Resolution No. 734 for the

following reason which I request to be recorded in the Senate Journal:

The effect of this amendment is to earmark by constitutional amendment revenues that could be used in the General Revenue Fund.

I am basically opposed to earmarking of funds by the Constitution as it may tie the hands of the Legislature in the future and operate to the detriment of sound fiscal policy.

Present law provides that a part of this tax goes to old age assistance and if increases were needed in this fund this amendment might prove restrictive.
