WHEREAS, Our beloved Mothers have unselfishly given of themselves to others, have courageously and graciously accepted the responsibilities thrust upon them knowing full well the sufferings and deprivations facing them, yet remaining steadfast to their tasks, retaining the highest of ideals, and imparting a spirit of love and devotion throughout the ages; and

WHEREAS, All of the problems and the difficulties and trials of life, however important they may appear to be to society and the body politic, fade into insignificance in comparison to the depth of gratitude owed by each member of the Senate to his beloved Mother, if living, and to her cherished memory, if she has gone to her heavenly reward; and

**CONSIDERATION OF SENATE RESOLUTIONS**

Senate Resolution No. 735:

A RESOLUTION FOR THE APPOINTMENT OF A COMMITTEE OF THE SENATE TO CONTINUE THE INVESTIGATION AND STUDY OF THE STATE TUBERCULOSIS HOSPITALS AND ALL MATTERS RELATING TO THE OPERATION OF SAID HOSPITALS THAT WAS STARTED BY THE ADOPTION OF SENATE RESOLUTION NO. 918, 1957 SESSION.

WHEREAS, Florida is interested in the public health of its citizens and the state institutions provided by the taxpayer's dollar to build and maintain same, and

WHEREAS, Public funds have been expended over a period of years to build and maintain four tuberculosis hospitals in which to treat the tuberculous in the state and to isolate cases of infectious and contagious tuberculosis in the interest of protecting the people of this state against one of the most contagious of all diseases, as well as afford to those afflicted the best medical and nursing care possible and necessary to restore health and spare human life, and

WHEREAS, The Legislature has appropriated money from time to time to properly operate the tuberculosis hospitals and to treat and keep the patients therein until they are no longer a menace to the public health, and

WHEREAS, It has come to the attention of the Senate that policies which have been instituted in the state tuberculosis hospitals relating to the premature discharges or reduced periods of hospitalization of tuberculous patients are highly questionable and are controversial among doctors of the medical profession, and

WHEREAS, It has been brought to the attention of the Senate that in certain individual tuberculous cases hospitalization may be reduced only when, among other things, there are adequate local and state health facilities to perform the necessary follow-up procedures on each patient discharged from the hospitals, and

WHEREAS, It is evident from the admission of the director of the state tuberculosis board in a letter to Dr. George H. Hames, Medical Director of the Southeast Florida Tuberculosis Hospital, that well organized and adequately staffed outpatient departments of tuberculosis hospitals and health departments have not been established throughout the state to guarantee proper follow-up procedures, which have been pointed out to this committee as a necessary and inseparable requirement for the successful control of tuberculosis in Florida, and

WHEREAS, There is an apparent effort on foot to convert one of the state tuberculosis hospitals into a hospital for the treatment of other diseases at a time when statistics show no decrease in the number of persons found to have tuberculosis although the death rate has been greatly reduced by modern treatment, NOW, THEREFORE,

BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA:

Section 1. Section 3. To assist the Committee in carrying out the duties imposed upon it by this resolution, it is authorized to request and use the service and assistance of the Attorney General's Office, State Auditing Department, State Board of Health, County Health Officers and any other governmental agencies in the State of Florida it may deem necessary and useful.

Section 4. The Committee is authorized to request the State Auditing Department to take into custody, immediately or otherwise, and impound any records of agencies of the State of Florida which it deems proper and necessary to be used in the carrying out of its duties under this resolution.

Section 5. The Committee shall begin its investigation and study as immediately as possible and, from time to time, shall file its reports, findings and recommendations with the president of the Senate and the governor of Florida.
