H. J. R. NO. 987—A JOINT RESOLUTION PROPOSING AN AMENDMENT TO ARTICLE VIII SECTION 5 OF THE CONSTITUTION RELATING TO COUNTY COMMISSIONERS AND COMMISSIONERS' DISTRICTS AUTHORIZING THE ELECTION OF COMMISSIONERS BY VOTERS WITHIN ONE COUNTY COMMISSION DISTRICT RATHER THAN BY VOTERS OF THE COUNTY AS A WHOLE IN CERTAIN COUNTIES AND PROVIDING FOR A REFERENDUM.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF FLORIDA:

That the following amendment to Article VIII Section 5 of the Constitution of Florida is hereby agreed to, and shall be submitted to the electors of the State of Florida for ratification or rejection at the next general election to be held in November A. D. 1960, as follows:

Section 5. County commissioners and commissioners' districts. There shall be one county commissioner in each of the five county commissioners' districts in each county, which districts shall be numbered one to five inclusive, and shall be as nearly as possible equal in proportion to population. The board of county commissioners in the respective counties shall from time to time fix the boundaries of such districts. Said county commissioners shall be elected by the qualified electors of said county at the time and place of voting for other county officers, and shall hold office for four years, provided, that nothing contained herein shall diminish the term of any commissioner serving at the time of the adoption of this amendment and provided further that those commissioners being elected in 1960 shall be from the odd numbered districts and those being elected in 1962 shall be from the even numbered districts; provided, that Section 11 of Article VIII of this Constitution shall not be affected hereby.

Except however, that in the counties of Brevard, Citrus, Collier, Gilchrist, Hamilton, Hardee, Hernando, Highlands, Holmes, Jackson, Lafayette, Lake, Levy, Madison, Okaloosa, Pasco, Polk, Putnam, Santa Rosa, Seminole, Sumter, Union, and Washington only, upon petition by twenty per cent (20%) of the registered electors in any county, presented to the board of elections or to the board of county commissioners, the board of county commissioners shall call a special referendum election and shall place or cause to be placed upon the ballot two (2) propositions:

1. Each member of the board of county commissioners of _____ county shall continue to be nominated and elected by the registered electors of the county of _____ as a whole.

2. Each member of the board of county commissioners of _____ county shall be nominated and elected by only the registered electors within the county commissioner's district which that member when elected, will represent.

No such referendum election shall be held within sixty (60) days immediately preceding any primary election, nor shall any such referendum election be held concurrently with any primary election, nor shall any such referendum election be held in the period between any primary election and general election.

The board of county commissioners of any county, shall, upon petition presented as herein provided, provide for the holding of any such referendum election and notice thereof, shall be published by said board once each week for at least four (4) successive weeks immediately next prior to the date of such election in a newspaper of general circulation in such county. Except as herein otherwise provided, the laws of the state relating to the holding of general elections shall govern the holding of any such referendum election. If a majority of the electors participating in any such referendum election shall vote to adopt the proposition which provides for the nomination and election of members of the board of

county commissioners by those registered electors and only those registered electors within the county commissioner's district which that member will, when elected, represent, then such mode of nominating and electing members of the board of county commissioners shall become law and be immediately effective in the county concerned. If in any such referendum election a majority of the electors participating in such election shall vote to retain the present mode of nominating and electing members of the board of county commissioners, then members of the board of county commissioners representing the respective districts of such county shall continue to be nominated and elected by the registered electors of such county as a whole. The canvassing board of any county holding any such referendum election shall certify the result of any such referendum election to the secretary of state within ten (10) days after the holding thereof.

No election as authorized by this section shall be held within ten (10) years of the last election so held.
