Senate Concurrent Resolution No. 757—A RESOLUTION OPPOSING THE PROPOSED MERGER OF THE ATLANTIC COAST LINE RAILROAD AND THE SEABOARD AIRLINE RAILROAD.

WHEREAS, the great American heritage which our forefathers so carefully developed and staunchly protected is based upon the system of free enterprise and healthy competition, and

WHEREAS, the great state of Florida has embarked upon an era of growth and development of its vast industrial resources for which the free enterprise system has been directly responsible, and

WHEREAS, our established and progressive tourist, agricultural and citrus industries have grown and prospered under this system of free competition, and

WHEREAS, the railroad transportation companies, heretofore free from monopolistic practices in Florida, have played and will continue to play a vital role in the overall economic growth and development of the several areas of Florida, and

WHEREAS, in many regions of our great nation the railroads because of their vast size do not meet the needs of the people they serve, and

WHEREAS, even now, some of the railroads operating in Florida are insensitive to the needs of our citizens as evidenced by the lack of service in many areas of the state, and

WHEREAS, the proposed merger of the Atlantic Coast Line Railroad and the Seaboard Airline Railroad would compound this situation by resulting in further discontinuation of needed railroad service to several areas of our state, and

WHEREAS, such a merger would operate to the detriment of the overall economic development of Florida for which those involved in state government have worked so diligently, and

WHEREAS, it is not in the public interest to permit the creation of a corporate giant capable of strangling the economy of parts of Florida in order to improve the profit making ability of these vested interests, and

WHEREAS, to sanction the formation of such a monopolistic empire capable of dictating its wishes and policy to the public would be a gross neglect of responsibility

by the Legislature of Florida to the people it represents, and

WHEREAS, many public and private groups have invested large sums of money to increase the job opportunities in our state. To permit two powerful railroads to merge would eliminate substantial payrolls in many areas of Florida, prevent other areas from being properly served by rail facilities, would be shortsighted, without justification and would seriously impair our economy, and

WHEREAS, these two prominent railroads oppose permitting a competing railroad to utilize the facilities to be abandoned by the merging railroads; thus making it impossible for these facilities to be used to alleviate the adverse economic effects and to provide the competition necessary to insure the public effective and efficient rail-service, NOW THEREFORE,

BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA, THE HOUSE OF REPRESENTATIVES CONCURRING:

That the Legislature of the State of Florida does hereby oppose the merger of the Atlantic Coast Line Railroad and the Seaboard Airline Railroad and declares that such a proposed merger is not in the best interests of the state, but would only serve to benefit these two rail giants.
