**S. B. No. 163—**(1961 Regular Session)—An Act relating to horse racing in harness; validating and restoring certain permits to conduct horse racing in harness notwithstanding the distance limitations from other tracks contained in section 550.05, Florida Statutes, or any other law relating to distances between race tracks; providing that other pertinent provisions of chapter 550, Florida Statutes, relating to the conduct of horse racing in harness, shall apply to the operation of any race track conducted by means of any permits being ratified and restored by this act; providing that this act shall not prevent cancellation, revocation or recall of any such permit as provided by law and amending chapter 550, Florida Statutes, providing for quarter horse racing and providing an effective date.

The Governor's objections attached thereto as follows:

STATE OF FLORIDA  
OFFICE OF THE GOVERNOR  
TALLAHASSEE

May 2, 1961

*Honorable W. Randolph Hodges*  
*President of the Senate*  
*State Capitol*  
*Tallahassee, Florida*

Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill 163, enacted by the Legislature of 1961, and entitled:

"AN ACT RELATING TO HORSE RACING IN HARNESS; VALIDATING AND RESTORING CERTAIN PERMITS TO CONDUCT HORSE RACING IN HARNESS, NOTWITHSTANDING THE DISTANCE LIMITATION FROM OTHER TRACKS CONTAINED IN SECTION 550.05, FLORIDA STATUTES, OR ANY OTHER LAW RELATING TO DISTANCES BE-

TWEEN RACE TRACKS; PROVIDING THAT OTHER PERTINENT PROVISIONS OF CHAPTER 550, FLORIDA STATUTES, RELATING TO THE CONDUCT OF HORSE RACING IN HARNESS SHALL APPLY TO THE OPERATION OF ANY RACE TRACK CONDUCTED BY MEANS OF ANY PERMITS BEING RATIFIED AND RESTORED BY THIS ACT; PROVIDING THAT THIS ACT SHALL NOT PREVENT CANCELLATION, REVOCATION OR RECALL OF ANY SUCH PERMIT AS PROVIDED BY LAW AND AMENDING CHAPTER 550, FLORIDA STATUTES, PROVIDING FOR QUARTER HORSE RACING AND PROVIDING AN EFFECTIVE DATE."

I think we can assume, and it is my observation, that the people directly and at the moment interested in the proposal contained in this bill are honorable and well-intentioned people, and that they have the support, among others, of citizens of Florida engaged in the business of horse breeding who are representative of the finest and most stable elements of our society. It is also true that there are certain apparent equities to which the proponents of this legislation can appeal with considerable force. Unfortunately, these considerations do not to me seem to be the whole story. Legalized gambling contributes nothing to the economy of Florida. It takes from those who have earned and gives to those who have not earned. It fosters a philosophy of "something for nothing," destructive of the American conviction that success follows the application of industry and abilities to activities productive for the common good. Sooner or later it attracts in its train a class of citizens that is not a credit to society and that makes no contribution to the welfare of the people. It brings into the legislative halls divisive forces that interfere with the consideration of constructive legislation and divides legislators on an issue for which there is no good solution in a way that carries over to other issues that can and should be resolved.

For me to put the stamp of my approval on this bill would be to say to the youth and other citizens of Florida that I approve the extension of legalized gambling. I do not. Let us turn our energies and wealth to those things that build and strengthen, rather than corrupt and destroy.

The Racing Commission of Florida during this administration will not let this be an isolated decision. Its purpose will continually be to restrict the extension of legalized gambling. Florida is not a Reno, nor Havana, and I do not want it to be. We should sell sunshine and good living, a good environment in which to raise children and build industry. Gambling is harmful to those goals.

For those reasons I withhold my approval from this act.
