O Father in heaven, ere we become involved in the routine of the day, we pause to seek thy help. Experienced in the ways of men, we know all too little of the ways of God.

But thou knowest us, each one of us, by name and by our needs. Turn our wayward minds and hearts to thee. Forgive the faults and failures of the past and set us free from them. Forgive, O Lord, our failure to apply to ourselves the standards of conduct we demand of others. Forgive our slowness to see the good in our fellows and to see the evil in ourselves.

In our differences may we be kind; in our agreements may we be humble, that thy will be done in us, and through us in our beloved land. For Jesus' sake. Amen.

Tallahassee, Florida

Dear Sir:

Pursuant to the authority vested in me as Governor of Florida under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill 308, enacted by the Legislature of 1961, and entitled:

"AN ACT RELATING TO THE STATE AND COUNTY RETIREMENT SYSTEM; AMENDING SUBSECTION (1) OF SECTION 122.03, FLORIDA STATUTES, BY ADDING A SECOND PARAGRAPH TO

PROVIDE FOR SERVICE TO MUNICIPALITIES TO APPLY TOWARD STATE AND COUNTY RETIREMENT UNDER CERTAIN CIRCUMSTANCES; PROVIDING AN EFFECTIVE DATE."

Senate Bill 308 is a general act with restrictive application to municipal police department personnel who have served ten (10) or more years without retirement fund benefits and who then become employed by the State. It provides that credit toward State retirement can be obtained by paying a proper percentage into the retirement fund for those so employed by the municipality.

The act obviously affects only a limited class of persons. It takes effect immediately and expires thirty (30) days later; consequently, no opportunity is given to ascertain the number of persons that will be affected nor the immediate or ultimate cost to the State. That cost may be in the thousands of dollars or in the hundreds of thousands. Whatever it may be, no funds have been provided to defray such an uncertain amount. The act may affect only one person; but on the other hand, it may affect hundreds. In any event, it is unlikely that any but a very few of those affected will ever be aware of the benefits offered for the brief period of thirty (30) days.

Inherent in any retirement program is the requirement that it must be actuarially sound; such is fundamental. The act, by making it virtually impossible to ascertain the extent of its effect, prohibits such an actuarial study and a determination of its soundness.

If the act is designed to affect only one individual, then it would seem to be more appropriate to do so by a bill for the relief of that particular individual, thus making it possible to determine the extent of the act and its ultimate cost.

For the foregoing reasons, I must withhold my approval from Senate Bill 308.

Respectfully,  
FARRIS BRYANT  
Governor

The President put the question: "Shall the Bill pass, the Governor's objections to the contrary notwithstanding?"

Upon the passage of Senate Bill No. 308 (1961 Regular Session) the roll was called and the vote was:

Dear Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill 1129, enacted by the Legislature of 1961, and entitled:

Senate Bill 1129 changes the population classification of Chapter 22935, Acts of 1945, relating to water conservation districts in counties having a designated population.

Senator Gibbons of Hillsborough County and Senator Young of Pinellas County have discussed this bill with me and I have received a letter from Senator Ripley of Duval County regarding its passage. It is apparent that it was passed by the Legislature purely as a local measure and that there was no discussion on the floor of either House concerning its merits. It is also apparent that its passage vitally affects Hillsborough County although this fact was not made known to the representatives of that county. It is, of course, of considerable importance to the successful working of our legislative processes that opportunity to discuss proposed enactments be given to the representatives of the people who may thereby be affected. This opportunity apparently was not made available in the passage of this bill.

For these reasons, I am necessarily withholding my approval from Senate Bill 1129.

Respectfully,  
FARRIS BRYANT

Dear Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill 1043, enacted by the Legislature of 1961, and entitled:

"AN ACT AUTHORIZING THE STATE ROAD DEPARTMENT AND THE BOARD OF COUNTY COMMISSIONERS OF WAKULLA COUNTY TO EXPEND CERTAIN FUNDS FOR THE CONSTRUCTION OF CERTAIN WATERWAY PROJECTS; REPEALING CONFLICTING ACTS AND PROVIDING AN EFFECTIVE DATE."

Senate Bill 1043 is a local act applying only to Wakulla County. It authorizes the State Road Department and the Board of County Commissioners of Wakulla County to expend any portion of that county's proceeds from the seventh cent gas tax for the construction of waterway projects within Wakulla County.

The seventh cent gasoline tax is a state tax imposed upon motorists who purchase gasoline in the State of Florida. The legislature by general act has determined that this gasoline tax should be used for state purposes, namely, the construction and maintenance of state roads. It has further determined by general act that 20% of this fund should be paid directly to the 67 counties for construction and maintenance of roads within the individual counties, under the supervision of the boards of county commissioners, and that the remaining 80% should be distributed to the State Road Department for the construction, reconstruction, maintenance and repair of state roads and bridges within an individual county, acquisition of rights of way or reduction of bonded indebtedness incurred for road and bridge purposes. The general law further provides that the State Road Department shall expend such funds (80% of the seventh cent) solely for such purposes on such roads as shall be designated by appropriate resolution of the board of county commissioners of such counties.

I feel that the use of gasoline taxes imposed upon the motorists of this state for the specific purpose of maintaining and constructing roads should not be diverted from such purpose. I feel that to use these moneys for waterway projects, however badly needed, is certainly a violation of the purpose and intent of the gasoline tax law. I understand and sympathize with the need of certain counties for improvement of their waterways and waterway facilities. But I do not feel that our meager road funds should be diverted to non-highway purposes so long as we have a dire need for additional funds to build and maintain roads.

Moreover, Senate Bill 1043 is unconstitutional in that it is a local act applicable only to Wakulla County, yet no notice of intention to apply for passage of this legislation was published as required by law, nor is the bill subject to a referendum.

For these reasons, I am necessarily withholding my approval from Senate Bill 1043.

Respectfully,  
FARRIS BRYANT

Dear Sir:

Pursuant to the authority vested in me as Governor of Florida under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Committee Substitute for Senate Bill 828, enacted by the Legislature of 1961, and entitled:

"AN ACT TO AMEND SECTION 208.041, FLORIDA STATUTES, TAX ON OUT OF STATE PURCHASED MOTOR FUEL BY AMENDING SUBSECTIONS (2) AND (3) AND ADDING A NEW SUBSECTION (5) MAKING A VIOLATION OF THIS SECTION A MISDEMEANOR AND PROVIDING A PENALTY; PROVIDING AN EFFECTIVE DATE."

Committee Substitute for Senate Bill 828 amends an existing statute which levies an excise tax of seven cents (7¢) per gallon on every gallon of motor fuel in excess of fifty (50) gallons carried in fuel tanks of vehicles entering this State, excepting only certain common carriers.

The bill requires drivers of vehicles entering Florida to have in their possession Florida motor fuel purchase invoices showing the purchase of sufficient motor fuel to

propel the vehicle the number of miles traveled or to be traveled within the state. No other method is provided for payment of the tax.

It is apparent that no vehicle operator can comply with the above requirements prior to entering Florida. Accordingly, when the vehicle crosses the State line with more than fifty (50) gallons of fuel in its tanks, it is in violation of the law. If such a law were strictly enforced, law enforcement officials would be making charges against out-of-state vehicle operators who have no chance to comply with the law unless they purchase the necessary fuel exactly on the State line.

If this bill becomes a law and is enforced as written, retaliatory action can be expected from other states which would seriously affect the movement of Florida products to markets outside the State.

For these reasons, I am necessarily withholding my approval from Committee Substitute for Senate Bill 828.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF FLORIDA:

That the following amendment of Article XVI, of the Florida Constitution by adding section 1A is agreed to and shall be submitted to the electors of the state for ratification or rejection at the general election held in November, 1964:

**SECTION 1A. Continuity of government.**—The legislature, in order to insure continuity of state and local governmental operations in periods of emergency resulting from disasters caused by enemy attack, shall have the power and the immediate duty (1) to provide for prompt and temporary succession to the powers and duties of public offices, of whatever nature and whether filled by election or appointment, the incumbents of which may become unavailable for carrying on the powers and duties of such offices, and (2) to adopt such other measures as may be necessary and proper for insuring the continuity of governmental operations. A JOINT RESOLUTION PROPOSING AN AMENDMENT TO SUBSECTIONS (a) AND (b) OF SECTION 18, ARTICLE XII OF THE CONSTITUTION OF FLORIDA RELATING TO THE USE OF PART OF THE REVENUE DERIVED FROM THE LICENSING OF MOTOR VEHICLES FOR CAPITAL OUTLAY AND DEBT SERVICE AND OTHER SCHOOL PURPOSES.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF FLORIDA:

That the following amendment to subsections (a) and (b) of section 18, article XII of the Constitution of Florida is hereby agreed to and shall be submitted to the electors of the state for ratification or rejection at the next general election to be held in November, 1964:

**SECTION 18. School bonds for capital outlay, insurance.**—

(a) Beginning January 1, 1965 and for thirty-five (35) years thereafter, the first proceeds of the revenues derived from the licensing of motor vehicles to the extent necessary to comply with the provisions of this amendment, shall, as collected, be placed monthly in the county capital outlay and debt service school fund in the state treasury, and used only as provided in this amendment. Such revenue shall be distributed annually among the several counties in the ratio of the number of instruction units in each county in each year computed as provided herein. The amount of the first revenues derived from the licensing of motor vehicles to be so set aside in each year and distributed as provided herein shall be an amount equal in the aggregate to the product of four hundred dollars (\$400.00) multiplied by the total number of instruction units in all the counties of Florida. The number of instruction units in each county in each year for the purposes of this amendment shall be the greater of (1) the number of instruction units in each county for the school fiscal year 1951-52 computed in the manner heretofore provided by general law, or (2) the number of instruction units in such county for the preceding school fiscal year computed in the manner heretofore or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each county on behalf of which the state board of education has issued bonds or motor vehicle tax anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and one third (1 1/3) times the aggregate amount of principal of and interest on such bonds or motor vehicle tax anticipation certificates which will mature and become due in such year, computed in the manner heretofore or hereafter provided by general law and approved by the state board.

Such funds so distributed shall be administered by the state board as now created and constituted by section 3 of article XII of the Constitution of Florida. For the purposes of this amendment, said state board, as now constituted, shall continue as a body corporate during the life of this amendment and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said board.

(b) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first part of the revenues derived from the licensing of motor vehicles provided for in subsection (a). The state board shall also have power, for the purpose of obtaining funds for the use of any county board of public instruction in acquiring, building, constructing, altering, improving, enlarging, furnishing, or equipping capital outlay projects for school purposes, to issue bonds or motor vehicle tax anticipation certificates, and also to issue such bonds or motor vehicle tax anticipation certificates to pay, fund or refund any bonds or motor vehicle tax anticipation certificates theretofore issued by said state board. All such bonds shall bear interest at a rate not exceeding the legal rate per annum and shall mature serially in annual installments commencing not more than three (3) years from the date of issuance thereof and ending not later than thirty (30) years from the date of issuance, or January 1, 2000, whichever is earlier. All such motor vehicle tax anticipation certificates shall bear interest at a rate not exceeding the legal rate per annum and shall mature prior to January 1, 2000. The state board shall have power to determine all other details of said bonds or motor vehicle tax anticipation certificates and to sell at public sale after public advertisement, or exchange said bonds or motor vehicle tax anticipation certificates, upon such terms and conditions as the state board shall provide.

The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle tax anticipation certificates, including refunding bonds or refunding motor vehicle tax anticipation certificates, all or any part from the anticipated revenues to be derived from the licensing of motor vehicles provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle tax anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or motor vehicle tax anticipation certificates shall ever be issued by the state board until after the adoption of a resolution requesting the issuance thereof by the county board of public instruction of the county on behalf of which such obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle tax anticipation certificates which can be issued on behalf of any county to seventy-five per cent (75%) of the amount which it determines can be serviced by the revenue accruing to the county under the provisions of this amendment, and such determination shall be conclusive. All such bonds or motor vehicle tax anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the county board of public instruction requesting the issuance thereof, and no election or approval of qualified electors or freeholders shall be required for the issuance thereof.

Was taken up in its order and read the second time in full.

The Committee on Constitutional Amendments offered the following amendment to Senate Joint Resolution No. 218:

In Section 18, line 5, page 3, strike the words: "All such bonds shall bear interest at a rate not exceeding the legal rate per annum and shall mature serially in annual installments commencing not more than three (3) years from the date of issuance thereof and ending not later than thirty (30) years from the date of issuance, or January 1, 2000, whichever is earlier. All such motor vehicle tax anticipation certificates shall bear interest at a rate not exceeding the legal rate per annum and shall mature prior to January 1, 2000." and insert in lieu thereof the following:

All such bonds shall bear interest at not exceeding four and one-half (4½) per centum per annum and shall mature serially in annual installments commencing not more than three (3) years from the date of issuance thereof and ending not later than thirty (30) years from the date of issuance or January 1, 2000, A.D., whichever is earlier. All such motor vehicle tax anticipation certificates shall bear interest at not exceeding four and one-half (4½) per centum per annum and shall mature prior to January 1, 2000, A. D.

Senator Melton moved the adoption of the amendment.

Which was agreed to and the amendment was adopted.
