Which amendments read as follows:

Amendment No. 1—

Strike out the entire Section 3 and insert the following in lieu thereof:

Section 3. Election of members of commission. The Legislature does hereby create a county budget commission consisting of five (5) members. The Legislature hereby declares that all members of any county budget commission now holding office as elected members under either a special local law, or under the provisions of Chapter 14678, Acts of 1931, as amended, or who were elected at any general election, and serving de facto or de jure, shall constitute and be the members of the commission and shall continue to serve their unexpired terms until their successors are elected under the provisions of this act. If there are no members of an existing county budget commission upon the effective date of this act, then the Governor shall appoint the member or members of the commission to serve until the Tuesday after the first Monday in January following the next general election after the effective date or dates applicable in any county. If there are vacancies in any commission upon the effective date of this act or if vacancies occur after the effective date of this act, the Governor shall fill any vacancies that may occur by appointing a person qualified under this act to serve the unexpired term and he shall have the power to remove from office any member for cause. The members shall be registered voters who shall be freeholders in the county, of more than thirty (30) years of age, and residents of the county for not less than five (5) years, and no members shall be residents of the same county commissioner's district. They shall be elected by the voters at large and shall serve for four (4) year terms. The terms of the members who previously have been elected to any county budget commission as described in this section upon the effective date of the act from the even-numbered county commissioners' districts shall continue in office until the Tuesday after the first Monday in January immediately following the next general election; and the members who have previously been elected from the odd-numbered county commissioners' districts shall continue in office until the Tuesday after the first Monday in January immediately following the next general election after the end of the term of members elected from even-numbered county commissioners' districts, the intent of the Legislature being that the terms of members from even-numbered county commissioners' districts and odd-numbered county commissioners' districts shall be appropriately staggered.
