Section 2. The moneys in the following items are appropriated from the named funds for the indicated fiscal years of the biennium to the state agency indicated, as the amounts to be used to pay the salaries and other expenses of the named agencies, and are in lieu of all moneys appropriated for these purposes in the indicated sections of the Florida Statutes, except that if additional moneys are needed to meet the requirements of a continuing appropriation of a trust fund and additional moneys are available in the named fund, the Budget Commission, upon affirmative vote of five members of said commission, is authorized to approve the expenditure of additional, available moneys in such fund in such amount(s) as may be necessary to meet such deficiency. Appropriations made in items 120 to 141, 155 to 174, and 176 to 191, to the Board of Commissioners of State Institutions may be transferred notwithstanding the provisions of Section 282.061, F. S., to another institution within the same division with the approval of the Budget Commission upon its determination that such transfers are necessary because of transfers of inmates from one institution to another, and for other justifiable reasons, in order to adequately provide for the necessary custodial care of inmates at each institution which the Budget Commission determines to be in the best interest of the state; provided, however, the total annual appropriation in this section to any such institution may not be increased or decreased by more than twenty per cent as a result of such transfers.

WHEREAS, there exists a grave and pressing need for such a committee to exist in the interim between the 1963 and the 1965 sessions of the legislature of Florida and make a full and fair report to the membership of the 1965 legislature, NOW, THEREFORE,

BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA, THE HOUSE OF REPRESENTATIVES CONCURRING:

Section 1. That there is hereby created a special committee of the legislature to be composed of seven (7) members, four (4) of whom shall be appointed from membership of the house of representatives serving on the legislative council by the speaker, and three (3) of whom shall be appointed from the membership of the state senate serving on the legislative council by the president. The said special committee shall be known as the interim labor committee. The activities of the said committee shall be conducted through the legislative council and clerical help and other assistance as may be required shall be supplied from the staff of the said council.

Section 2. It shall be the duty of the committee to make as complete an investigation as time permits of all persons, firms, corporations or organizations who advocate contracts, agreements, schemes or devices which would constitute a violation of the right to work provision contained in section 12 of the declaration of rights of the Florida constitution. Such investigation and such complaints for declaratory decree shall be conducted for the purpose of reporting to this legislature, any illegal contracts and activities existing in this state, to the end that corrective legislation would be adopted if found necessary to correct any abuses against the peace and dignity of the state.

On the filing of such petition the court shall take jurisdiction of the witness and the subject matter of said petition and shall direct the witness to respond to all lawful questions and to produce all documentary evidence in its possession which is lawfully demanded. The failure of any witness to respond pursuant to the order of the court shall constitute a direct and criminal contempt of court and the court shall punish said witness accordingly.
