MESSAGES FROM THE GOVERNOR

VETOED BILL OF 1963 REGULAR SESSION

The following message from the Governor was read:

STATE OF FLORIDA
OFFICE OF THE GOVERNOR
TALLAHASSEE

May 30, 1963

*The Honorable Wilson Carraway
President of the Senate
State Capitol
Tallahassee, Florida
Sir:*

Committee Substitute for Senate Bill No. 618 was presented to me as Governor of Florida on May 24, 1963 pursuant to Section 28, Article III, of the Constitution of this State. It is entitled:

AN ACT TO CREATE AND ESTABLISH THE DEPARTMENT OF MOTOR VEHICLES; PROVIDING FOR AN EXECUTIVE BOARD; PROVIDING FOR HEADQUARTERS AND OFFICE SPACE FOR THE DEPARTMENT; AUTHORIZING THE DEPARTMENT TO ADOPT AND USE A SEAL; PROVIDING FOR THE EMPLOYMENT OF A DIRECTOR OF THE DEPARTMENT; PROVIDING FOR A BOND; PROVIDING FOR A SALARY FOR THE DIRECTOR; PROVIDING FOR THE DUTIES AND AUTHORITY OF THE DIRECTOR; AMENDING THE TERMS "STATE MOTOR VEHICLE COMMISSIONER" AND "COMMISSIONER"; TRANSFERRING APPROPRIATION; TRANSFERRING PROPERTIES; SUPPLIES AND EQUIPMENT; PRESERVING PENDING CAUSES AND PROCEEDINGS AND EXISTING NOTICES, ORDERS, CERTIFICATES, PERMITS AND LICENSES; TRANSFERRING EMPLOYEES; PRESERVING APPLICATION OF CHAPTER 110, FLORIDA STATUTES; REPEALING CHAPTER 318, FLORIDA STATUTES; PROVIDING AN EFFECTIVE DATE.

This bill proposes to create a new Department of Motor Vehicles, repealing Chapter 318, Florida Statutes. Jurisdiction over the Department would be transferred from the Governor to an executive board composed of seven members, the Governor and the six members of the Cabinet. This Board would employ a director to serve at its pleasure, the intent apparently being to avoid the designation of the Motor Vehicle Commissioner as a state officer.

I point out that the Supreme Court of Florida has expressly ruled that the State Motor Vehicle Commissioner is a state officer.

Advisory Opinion to the Governor, 94 Florida 620, 113 So. 913. This ruling was based upon the provisions of the law conferring upon that officer governmental authority and functions. The provisions of the law existing at the time of that ruling are substantially the same as the provisions of Chapter 318, Florida Statutes, which this proposed bill would repeal, but Section 3 of Senate Bill 618 provides that the director shall have all the powers and duties now vested in the State Motor Vehicle Commissioner.

The power to appoint state officers, under Article III, Section 27 of the Constitution, is vested solely in the Governor. Therefore, the director appointed by the proposed executive board would be performing his duty under doubtful authority which could lead to mischief in the administration of the government of Florida, doubt as to the validity of vehicle title and other transactions handled, and doubt as to the authority to enforce the collection of taxes the responsibility for which is placed upon this officer.

I point out further that the State Motor Vehicle Commissioner under the present as under the proposed law has the authority to administer and enforce laws. Article IV, Section 4 of the Constitution squarely places the responsibility upon the Governor that the laws be faithfully discharged, and no Governor should be required to bear the constitutional responsibility without the concomitant authority.

The plural executive system has worked well in Florida, especially where to each executive is assigned specific responsibilities.

I am keenly aware, however, that the people of Florida look to the Governor, first in his election to express their desires as to the overall administration of the government of Florida, and then in his official capacity to respond to

their needs as they appear from time to time during his administration. To do this necessitates that the Governor have the power to respond. Two of the reciprocal elements of democracy are the free expression by the people of their desires and the capacity of the elected official to respond to those desires. It is for this reason, among others, that the Governor must have that capacity. Each of the members of the Cabinet is principally known among, and responsive to, those limited interests affected by his peculiar responsibilities, and it is proper that this should be so. It is only in the office of the Governor that there can be found that overall responsiveness which is essential to this democratic expression.

I recognize that the desire which has motivated the sponsors of this legislation—to keep in office the very fine State Motor Vehicle Commissioner I have been fortunate enough to secure for this responsibility—is a natural one, and if this were the only transfer of jurisdiction from the Governor to the Cabinet it would not be worthy of a veto. But this transfer, combined with the transfer of the Budget Director, the transfer of the Director of Conservation, the creation of the Merit System applying only to agencies under the Governor though controlled by the Cabinet, and the creation in this session of the Board of Regents under the Board of Education in lieu of the Board of Control heretofore appointed by the Governor, all add up to a massive transfer of authority and responsibility which I do not believe is either contemplated or intended by those who sponsor Committee Substitute for Senate Bill No. 618.

Therefore, I am withholding my approval of Committee Substitute for Senate Bill No. 618 and am returning it with my objections to the Senate.

Respectfully,
FARRIS BRYANT
Governor

Senator Price moved that Committee Substitute for Senate Bill No. 618 (1963 Regular Session), together with the Governor's objections thereto, be referred to the Committee on Appropriations for study and recommendation.

Which was agreed to by a two-thirds vote and it was so ordered.
