MESSAGES FROM THE GOVERNOR

VETOED BILLS OF 1963 REGULAR SESSION

The following messages from the Governor were read:

STATE OF FLORIDA
OFFICE OF THE GOVERNOR
TALLAHASSEE

June 14, 1963

*The Honorable Wilson Carraway
President of the Senate
The Capitol
Tallahassee, Florida*

Dear Sir:

Pursuant to the authority vested in me as Governor of Florida under the provisions of Article III, Section 28, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill No. 1371, enacted by the Legislature of 1963, and entitled:

“AN ACT REPEALING CHAPTER 59-886, LAWS OF FLORIDA, RELATING TO THE SALARY OF EACH CIRCUIT JUDGE OF THE FIFTH JUDICIAL CIRCUIT OF THE STATE OF FLORIDA EMBRACING THE COUNTIES OF CITRUS, HERNANDO, LAKE, MARION AND SUMTER; PROVIDING AN EFFECTIVE DATE.”

Senate Bill No. 1371 repeals a law which provides salary supplements for the circuit judges of the Fifth Judicial

Circuit. All of the members of the House of Representatives from those counties within the Fifth Judicial Circuit, being Marion, Lake, Sumter, Hernando and Citrus Counties, have asked that I withhold my approval from this measure. They have by letter indicated that this act was passed by them on the assumption that salary supplements were repealed within the other judicial circuits in the state.

For this reason, I am withholding my approval from Senate Bill No. 1371.

Respectfully,
FARRIS BRYANT
Governor

The President put the question: “Shall the Bill pass, the Governor’s objections to the contrary notwithstanding?”

Upon the passage of Senate Bill No. 1371 (1963 Regular Session) the roll was called and the vote was:

Yeas—40.

Mr. President	Cross	Hollahan	Price
Askew	Davis	Johnson (19th)	Roberts
Barber	Edwards	Johnson (6th)	Ryan
Barron	Fraser	Kelly	Spottswood
Boyd	Friday	McCarty	Stratton
Bronson	Galloway	Mapoles	Tucker
Clarke	Gautier	Mathews	Usher
Cleveland	Gibson	Melton	Williams (27th)
Connor	Henderson	Parrish	Williams (4th)
Covington	Herrell	Pearce	Young

Nays—None.

So Senate Bill No. 1371 (1963 Regular Session) passed by the required Constitutional two-thirds vote of all members present, the Governor’s objections to the contrary notwithstanding, and the action of the Senate was ordered certified to the House of Representatives immediately.

STATE OF FLORIDA
OFFICE OF THE GOVERNOR
TALLAHASSEE

June 17, 1963

*Honorable Wilson Carraway
The President of the Senate
The Capitol Building
Tallahassee, Florida*

Dear Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill No. 1270, enacted by the Legislature of 1963, and entitled:

“AN ACT AUTHORIZING THE BOARD OF COUNTY COMMISSIONERS IN ANY COUNTY OF THE STATE HAVING A POPULATION OF NOT LESS THAN FORTY-FIVE THOUSAND (45,000) NOR MORE THAN FIFTY-ONE THOUSAND (51,000), ACCORDING TO THE LATEST OFFICIAL DECENNIAL CENSUS, TO EXPEND COUNTY SECONDARY ROAD FUNDS IN AN AMOUNT NOT TO EXCEED TWENTY-FIVE THOUSAND DOLLARS (\$25,000.00) FOR THE MAINTENANCE, UPKEEP AND REPAIR OF ANY COUNTY OWNED AND OPERATED AIRPORT LOCATED IN SUCH COUNTY; AUTHORIZING THE STATE ROAD DEPARTMENT OF FLORIDA TO TRANSFER AND PAY TO SAID COUNTIES SAID FUNDS FOR THE PURPOSES SET FORTH IN THIS ACT, WHEN AUTHORIZED BY THE BOARD OF COUNTY COMMISSIONERS OF SAID COUNTY; PROVIDING AN EFFECTIVE DATE.”

Senate Bill 1270 is a population act relating to Monroe County, authorizing the Board of County Commissioners to use up to \$25,000 of secondary road funds for the maintenance, upkeep and repair of airports within the County.

Gasoline taxes are a state tax imposed upon the motorists who purchase gasoline in the State of Florida. The Legislature by general act has determined that this gasoline tax money be used for state purposes, namely, the construction and maintenance of state roads. It has further determined by general act that 20 per cent of the secondary fund should be paid directly to the 67 counties for construction and maintenance of roads within the individual counties, under the supervision of the boards of county commissioners, and the remaining 80 per cent should be distributed to the State Road Department for the construction and reconstruction of state roads and bridges within the individual counties.

The general law further provides that the State Road Department shall expend such funds solely for such purposes on such roads as shall be designated by appropriate resolutions of the boards of county commissioners.

It is my feeling that by general law the legislature clearly spelled out its intent that the secondary gas tax should be administered by the State Road Department for the sole purpose of constructing and reconstructing state roads and the purchase of rights of way therefor.

The Constitution provides that secondary gasoline tax money be spent for the construction and reconstruction of state roads. Any statute which attempts to change this specified use will violate the provisions of Article IX, Section 16, of the Constitution of this State.

For these reasons, I am necessarily withholding my approval from Senate Bill 1270.

Respectfully,
FARRIS BRYANT
Governor

The President put the question: "Shall the Bill pass, the Governor's objections to the contrary notwithstanding?"

Upon the passage of Senate Bill No. 1270 (1963 Regular Session) the roll was called and the vote was:

Yeas—None.

STATE OF FLORIDA
OFFICE OF THE GOVERNOR
TALLAHASSEE

June 17, 1963

*The Honorable Wilson Carraway
President of the Senate
The Capitol
Tallahassee, Florida*

Dear Sir:

Pursuant to the authority vested in me as Governor of

Florida under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Committee Substitute for Senate Bill No. 685, enacted by the Legislature of 1963, and entitled:

"AN ACT RELATING TO CONTRACTS FOR PUBLIC ROADS; REQUIRING ALL PUBLIC OFFICIALS TO SPECIFY AND USE FLORIDA MATERIALS IN STATE, COUNTY, AND MUNICIPAL ROAD CONSTRUCTION; PROVIDING AN EFFECTIVE DATE."

At the outset, I should like to observe that the motivations which gave rise to this measure are salutary. Certainly, all of us who are interested in Florida's economic development would support a proposal reasonably calculated to further that end.

Nonetheless, I am convinced that enactment of Committee Substitute for Senate Bill No. 685 into law would be more damaging to some aspects of our economy than it would be beneficial to others.

The Florida Development Commission, the Florida Council of 100, Chambers of Commerce and Committees of 100 all over Florida are striving to bring more basic industries to our State. Many of our large cities have full time employees whose primary duties are to secure industry for their areas. In response to these efforts on our part to attract new industry, some major national enterprises have invested large sums of money in storage, administrative and distribution facilities in Florida. Having encouraged these enterprises to establish operational bases here, we now would discriminate against their products.

Florida grows, and its desirability as a place to do business grows with acquaintance. Many of the industries which are now "Florida" concerns and "producers" in Florida grew first from the development of distribution facilities. If we discourage distribution facilities, we discourage industrial growth.

The contingency in the bill—" . . . provided the quality is equal and the prices are competitive, . . ."—is subject to perhaps as many interpretations as there are public boards in Florida. It is not unlikely that contractors will be uncertain which materials are acceptable in computing bids.

Perhaps the greatest danger created by the bill is that it would ultimately result in retaliatory legislation from other states.

Senate Concurrent Resolution No. 952, adopted by this session of the Legislature, urges the use by architects and engineers of products which will stimulate Florida employment by assisting manufacturers located within the state in continuing their growth in sales. I can see no harm in this approach, which lacks the force of law and which undoubtedly presupposes the use of Florida products at prices equal to or better than those obtained elsewhere. But I am unable to approve a measure which *requires* the use of specified building materials once the rather nebulous test of "competitive prices" is established to the satisfaction of the agency awarding the contract.

For these reasons, I am withholding my approval from Committee Substitute for Senate Bill No. 685.

Respectfully,
FARRIS BRYANT
Governor

The President put the question: "Shall the Bill pass, the Governor's objections to the contrary notwithstanding?"

ORDER OF THE DAY

CONSIDERATION OF BILLS AND JOINT RESOLUTIONS ON SECOND READING

H. B. NO. 2526—A BILL TO BE ENTITLED AN ACT RELATING TO BEVERAGE LAW ADMINISTRATION, AMENDING SECTION 561.46(1), (2), (3), (4), (5) AND (6), FLORIDA STATUTES, RELATING TO EXCISE TAXES ON ALCOHOLIC BEVERAGES; PROVIDING FOR EXEMPTIONS FROM EXCISE TAXES ON ALCOHOLIC BEVERAGES AND LIMITATIONS THEREON; PROVIDING FOR THE COLLECTION OF SUCH TAXES; PROVIDING EFFECTIVE DATE.

Was taken up in its order.

Senator Pearce moved that the rules be waived and House Bill No. 2526 be read the second time by title only.

Which was agreed to by a two-thirds vote and House Bill No. 2526 was read the second time by title only.

The Committee on Finance and Taxation offered the following amendment to House Bill No. 2526:

Following the enactment clause, strike the balance of the Bill and insert in lieu thereof the following:

Section 1. Subsections (1), (2), (3), (4), (5) and (6) of section 561.46, Florida Statutes, are amended to read:

561.46 Excise taxes on beverages; exemptions.—

(1) As to malt beverages containing more than one per cent (1%) of alcohol by weight, there shall be paid by all manufacturers and distributors, as herein defined, a tax of twenty-eight cents (28¢) per gallon upon all such beverages in bulk or in kegs or barrels and when sold in containers of less than one (1) gallon, the tax shall be three and one-half cents (3½¢) on each pint or fraction thereof in said container. Provided, however, the excise taxes required to be paid by this subsection upon malt beverages containing alcohol of not more than three and two-tenths per cent (3.2%) by weight, shall not be required to be paid upon such beverages, where the same are sold to post exchanges, ship service stores and base exchanges located in military, naval or air force reservations within this state.

(2) As to beverages including wines, except natural sparkling wines and malt beverages, containing more than one per cent (1%) alcohol by weight and less than fourteen per cent (14%) alcohol by weight, there shall be paid by all manufacturers and distributors a tax at the rate of one dollar fifteen cents (\$1.15) per gallon; provided, however, that there shall be paid by all manufacturers and distributors a tax of twenty-three cents (23¢) per gallon and no more, upon all wines, except natural sparkling wines, containing more than one per cent (1%) alcohol by weight and less than fourteen per cent (14%) alcohol by weight, manufactured in Florida from fresh fruits, berries or grapes and not from concentrates thereof, except concentrates of fruits, berries or grapes grown and concentrated in Florida and bottled in Florida and upon all other such beverages except malt beverages, containing more than one per cent (1%) alcohol by weight and less than fourteen per cent (14%) alcohol by weight, manufactured and bottled in Florida from Florida citrus products or Florida citrus by-products and not from concentrates thereof except concentrates grown and concentrated in the State. It is further provided, however, that the exception set forth in this subsection relating to all such beverages except wines and malt beverages manufactured and bottled in Florida from Florida citrus products or Florida citrus by-products shall remain in full force and effect only until May 15, 1965.

(3) As to all wines, except natural sparkling wines containing fourteen per cent (14%) or more alcohol by weight, there shall be paid by manufacturers and distributors a tax at the rate of one dollar sixty cents (\$1.60) per gallon; provided, however, that there shall be paid by all manufacturers and distributors a tax of thirty-five cents (35¢) per gallon and no more, upon all wines manufactured in Florida from fresh fruits, berries or grapes and not from concentrates thereof, except concentrates of fruits, berries or grapes grown and concentrated in the state, bottled within this state and containing fourteen per cent (14%) or more of alcohol by weight.

(4) As to natural sparkling wines there shall be paid by all manufacturers and distributors a tax at the rate of two dollars thirty cents (\$2.30) per gallon; provided, however, that there shall be paid by all manufacturers and distributors a tax of forty-six cents (46¢) per gallon and no more, upon all natural sparkling wines manufactured in Florida from fruits, berries or grapes and not from concentrates thereof, except concentrates of fruits, berries or grapes grown and concentrated in this state and bottled within this state.

(5) As to beverages containing fourteen per cent (14%) or more of alcohol by weight and not more than forty-eight per cent (48%) of alcohol by weight, except wines, there shall be paid by all manufacturers and distributors a tax at the rate of one dollar and fifty-three cents (\$1.53) per gallon, except that upon all such beverages manufactured and bottled in Florida from Florida citrus products or Florida citrus by-products and not

from concentrates thereof, except concentrates grown and concentrated in the state the tax shall be at the rate of one dollar and twenty-four cents (\$1.24) per gallon, said taxes to be evidenced by stamps as hereinafter provided. Provided, however, the exception set forth in this subsection relating to Florida citrus products or Florida citrus by-products shall remain in full force and effect only until May 15, 1965. The director by promulgation of a rule shall establish the denominations of which excise tax stamps for such intoxicating beverages shall be sold. In the event any such intoxicating beverages are sold in a quantity which under the excise tax levied herein or elsewhere in this chapter, would require excise tax stamps not available under the rule promulgated by the director, the containers of such intoxicating beverages must have affixed thereto excise tax stamps of a denomination above that required.

(6) As to beverages containing more than forty-eight per cent (48%) of alcohol by weight, there shall be paid by all manufacturers and distributors a tax at the rate of three dollars and six cents (\$3.06) per gallon, except that upon such beverages manufactured and bottled in Florida from Florida citrus products or Florida citrus by-products and not from concentrates thereof except concentrates grown and concentrated in the state the tax shall be at the rate of two dollars and forty-eight cents (\$2.48) per gallon, said taxes to be evidenced by stamps as herein provided. Provided, however, the exception set forth in this subsection relating to Florida citrus products or Florida citrus by-products shall remain in full force and effect only until May 15, 1965.

Section 2. On the effective date of this act each manufacturer, distributor and vendor licensed in this state shall take an inventory of all alcoholic beverages on hand for sale, report said inventory to the state beverage department on forms to be furnished by the department and pay the increase in tax as indicated in said report to the state beverage department. The director is authorized to deduct from this initial collection of the tax increase herein provided, the expense of making the initial collection not to exceed the sum of twenty-five thousand dollars (\$25,000.00).

Section 3. This act shall take effect August 1, 1963.
