April 13, 1965

Dear Mr. President:

I have today transmitted to the office of the Secretary of State, Senate Concurrent Resolution No. 7, Regular Session, 1965, commending a lifelong dedication to public service of the late and Honorable J. Edwin Larson.

Respectfully,
HAYDON BURNS
Governor

VETOED BILL 1963 REGULAR SESSION

The following message from the Honorable Tom Adams, Secretary of State, was read:

*Honorable James E. Connor
President of the Senate
The Capitol*

Tallahassee, Florida
April 13, 1965

Dear Senator Connor:

In compliance with the provisions of Article III, Section 28, of the State Constitution, I am transmitting to you for consideration of the Senate the following vetoed bill, with the Governor's objections attached thereto:

SB 568 (1963 Regular Session)—An act relating to surveys, polls, indexes, measurement, measurement shares, totals, and audience index measurement and poll operations; providing for the licensing, control, regulation and operation by the Secretary of State; providing for suspension or revocation of license;

providing for exemptions; providing a trust fund; providing a penalty; providing an effective date.

Very truly yours,
TOM ADAMS
Secretary of State

SB 568 (1963 Regular Session)—An act relating to surveys, polls, indexes, measurement, measurement shares, totals, and audience index measurement and poll operations; providing for the licensing, control, regulation and operation by the Secretary of State; providing for suspension or revocation of license; providing for exemptions; providing a trust fund; providing a penalty; providing an effective date.

Was taken up and read by title, together with the following objections thereto of the Honorable Farris Bryant, Governor of Florida:

STATE OF FLORIDA

Office Of The Governor

TALLAHASSEE

July 9, 1963

*The Honorable Tom Adams
Secretary of State
The Capitol
Tallahassee, Florida*

Dear Sir:

Pursuant to the authority vested in me as Governor of Florida under the provisions of Article III, Section 28, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill No. 568, enacted by the Legislature of 1963, and entitled:

"AN ACT RELATING TO SURVEYS, POLLS, INDEXES, MEASUREMENT, MEASUREMENT SHARES, TOTALS, AND AUDIENCE INDEX MEASUREMENT AND POLL OPERATIONS; PROVIDING FOR THE LICENSING, CONTROL, REGULATION AND OPERATION BY THE SECRETARY OF STATE; PROVIDING FOR SUSPENSION OR REVOCATION OF LICENSE; PROVIDING FOR EXEMPTIONS; PROVIDING A TRUST FUND; PROVIDING A PENALTY; PROVIDING AN EFFECTIVE DATE."

Senate Bill No. 568 is a general bill which provides for the licensing and regulation by the Secretary of State of certain surveys, polls, political polls, and other forms of opinion or audience measurements.

The intent of this legislation is good, but unfortunately the bill as prepared does not accomplish the stated purpose. I feel confident that interim legislative inquiry could result in proposed legislation which accomplishes the laudable purpose of Senate Bill No. 568.

The primary objection to Senate Bill No. 568 is the virtual impossibility of compliance with the provisions of the act by those that it seeks to regulate, and on the other hand the impossibility of administering the act by those charged with that responsibility.

In Section 4 of Senate Bill No. 568, the applicant is required to provide certain information which lacks specificity and some of which would not be available to him at the time of the filing of the application.

Section 5 of the bill is designed to establish criteria for granting or refusing an applicant a license to operate under this act. The criteria contained in Section 5 bear no reasonable relationship to the requirements contained in Section 4 and, further, provide no basic guidelines upon which an application could be granted or refused, thus rendering an effective administration of the act extremely difficult.

Adding to this difficulty of administration is the apparent conflict of certain sections of the bill. Section 4 (5) provides that the applicant must furnish with his application the days and dates on which polls are to be made. Section 8 provides that the same information required by Section 4 (5) shall be given 30 days prior to the commencement of an operation.

Section 12 provides that polls or surveys designed for the exclusive use of a firm, corporation, partnership, or company are exempt from the requirements of the act. It is significant to note that individuals or natural persons are not included

in this exemption. This omission, whether intentional or not, would appear discriminatory and cast doubt upon the constitutionality of Senate Bill No. 568, an enactment without a severability clause.

This legislation was discussed thoroughly with the Secretary of State and he concurred that the lack of specificity and possible conflict of certain sections of Senate Bill No. 568 would render an effective enforcement impracticable.

For these reasons, I am withholding my approval from Senate Bill No. 568.

Respectfully,
FARRIS BRYANT
Governor

The President put the question: "Shall the bill pass the Governor's objections to the contrary notwithstanding?"

SB 568 (1963 Regular Session) failed to pass. The vote was:

Yeas—None. Nays—44.
