Section 3. Whenever the governing body of a municipality having a population in excess of 250,000 according to the latest official census shall determine that it is necessary for the public health, safety and welfare that property value deterioration in the principal area or areas of the city zoned for business, and the causes of such deterioration subject to remedy hereunder shall be halted by the use of means authorized in this act, it shall, by resolution, declare its intention to create a Downtown Development Authority for the city, and make provision for its operation.

The governing body shall not incorporate land into the district not included in the description contained in the resolution and the notice of public hearing, but it may eliminate any lands from the district, as published, in the final determination of the boundaries. From and after the effective date of the ordinance creating the Authority, it shall have existence as provided in Section 1 hereof. The governing body may from time to time, by the procedure herein provided, alter or amend the boundaries of the downtown district by the inclusion of additional territory or the exclusion of lands from the limits of the district.

Section 4. The affairs of the authority, when created, shall be under the direct supervision and control of a board of five members, four of whom shall be appointed by the governing body to serve for staggered terms. Appointment of the original members to the board shall be recommended by the mayor and subject to approval by the governing body.

The mayor shall be chairman of the board and the fifth member.

One member shall be appointed for a term expiring June 30 of the year following the creation of the authority.

One member shall be appointed for a term expiring June 30 of the second year following the creation of this authority;

One member shall be appointed for a term expiring June 30 of the third year following the creation of the authority; and

Thereafter, members shall be appointed as herein provided, for terms of four years from the expiration date of the terms of their predecessors. A member shall hold office until his successor

has been appointed and qualified. Appointments to fill vacancies shall be for the unexpired term only.
