Dear Lord, as we begin this week's work may we not be so sectional in our thinking, but that we can see all our great state. While we are from the several districts, may we see that there really are not lines of special privilege between the people. And too, Lord, though we have our denominational preferences, let us realize that thou art the only God for all the universe, and that thou dost love us all. For Christ's sake. Amen.

SM 1188—A memorial to the congress of the United States requesting a continuation of national policy employing private enterprise to provide goods and services for the space and defense programs which was promulgated by the administration of President Dwight David Eisenhower and continued under the administration of President John Fitzgerald Kennedy.

WHEREAS, all segments of the private enterprise system, large and small, in all aspects and phases of the space and defense programs, when called upon to meet the nation's needs, have performed diligently and dutifully, having, through tireless effort, great personal sacrifice and patriotic devotion, brought this nation's space and defense program to its present greatness and pre-eminence in full co-operation with all agencies of the federal government; and,

WHEREAS, private industry has exerted ceaseless efforts to further qualify, educate, train and sharpen the performance of employees throughout the programs, being fully cognizant and desirous that the beneficiaries of such efforts can only be the citizens of this sovereign nation, the protection and defense of whom private industry and the federal government have heretofore been solemnly and jointly pledged to uphold; and,

WHEREAS, as a result of an apparent change of governmental policy, the defense department and other agencies of the federal government which have previously enjoyed the vigorous and dutiful support of the aforementioned segments of private industry, do now seek to invalidate the said co-operative pact by severing from the governmental-private enterprise joint space and defense effort many of the products and services including approximately six thousand (6,000) industry jobs and contract business worth over one hundred million (\$100,000,000.00) dollars from private industry to the non tax-paying sector of the public; and,

WHEREAS, the faithful employees of private industry have established homes in Brevard county and other areas of central Florida and have become integral parts of the church, civic and social activities of these communities; and,

All justices and judges shall automatically retire at age seventy (70) except those who held any judicial office on July 1, 1957; provided, however, that such mandatory retirement shall not prohibit a justice or judge from serving the entire term to which he was appointed or elected if he attains his 70th birthday after serving at least one-half of such term.

CS for SJR 485—A joint resolution proposing an amendment to Article V of the Florida Constitution by adding sections to be numbered by the secretary of state, to provide a procedure for the selection, discipline, retirement and removal of any justice of the supreme court, judge of a district court of appeal, and judge of a circuit court; providing an effective date.

Be It Resolved by the Legislature of the State of Florida:

That an amendment to Article V of the Florida Constitution by adding the sections set forth below to be numbered by the Secretary of State is agreed to and that said amendment be submitted to the electors of Florida for ratification or rejection at the general election to be held in November, 1966:

SECTION... Appointment and election of justices and certain judges.—

(1) No person shall be eligible for the office of justice of the supreme court or judge of a district court of appeal unless he is a citizen of this state, and unless he is, and for a period of ten (10) years has been, a member of the Florida bar; and no person shall be eligible for the office of judge of a circuit court unless he is a citizen of this state and unless he is, and for a period of five (5) years has been, a member of the Florida bar. The judges of other courts shall be citizens of this state and residents of the county served. Any senator or member of the house of representatives otherwise qualified shall be eligible for appointment or election to any judicial office, notwithstanding that it may have been created or its emoluments increased during the time for which he was elected.

SECTION... Discipline, retirement and removal of justices and certain judges.—

(1) Except as it provides for mandatory retirement, this section shall apply to every justice of the supreme court and judge of the district courts of appeal and circuit courts. It shall be the sole method of disciplining, automatically or involuntarily retiring or removing such justices or judges, provided that all such justices or judges shall be liable to impeachment for any misdemeanor in office. All justices and judges shall automatically retire at age seventy (70) except those who held any judicial office on July 1, 1957; provided, however, that such mandatory retirement shall not prohibit a justice or judge from serving the entire term to which he was appointed or elected if he attains his 70th birthday after serving at least one-half of such term.

(2) There shall be a judicial qualifications commission composed of:

(a) Two (2) judges of the district courts of appeal appointed by the judges of those courts and two (2) circuit court judges appointed by the judges of those courts.

(b) Two (2) members of the Florida bar, who shall have practiced law in this state for at least eight (8) years, appointed by the board of governors of the Florida bar; and

(c) Three (3) citizens, each of whom shall have been a resident of this state for at least five (5) years, neither of whom shall be a justice or judge of any court, active or retired, nor a member of the Florida bar, appointed by the governor. When a member appointed under paragraph (a) ceases to be a judge of the court from which he was appointed or a member appointed under paragraph (b) ceases to be a member of the Florida bar, or a member appointed under paragraph (c) becomes a justice or judge of any court or a member of the Florida bar, his membership on the commission shall terminate and a successor shall be appointed for the remainder of his term. No member of the commission appointed under paragraphs (b) or (c) shall be eligible to succeed himself. Except as provided herein, no member of the commission shall hold a public office and no member shall hold office in a political party. The compensation and terms of office of members of the commission shall be fixed by law, provided that not more than one third (1/3) of the terms of the members shall terminate in any two (2) year period. No recommendation of the commission to the supreme court shall be valid unless concurred in by two thirds (2/3) of its members. The commission shall elect one (1) of its members to serve as chairman.

(3) Any justice or judge to whom this section applies may be disciplined by private reprimand or removed from office for

willful or persistent failure to perform his duties or habitual intemperance or conduct unbecoming a member of the judiciary or he may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature. After such investigation as it deems necessary, the judicial qualifications commission may conduct a hearing concerning the removal, discipline or retirement of a justice or judge or request the supreme court to appoint three (3) special referees, who shall be active or retired justices or judges of courts of record, to hear and take evidence in any such matter, and to report thereon to the commission. All hearings shall be held in the county in which the justice or judge involved resides. Testimony shall be under oath, administered by a member of the commission or a special referee, and subject to the penalties for perjury. If after hearing, or after considering the record and report of the referees, the commission finds good cause therefor, it shall recommend to the supreme court the removal, discipline or retirement of the justice or judge. The supreme court shall review the record of the proceedings on the law and facts and shall order removal, discipline or retirement, as it finds just and proper, or wholly reject the commission's recommendation. Upon an order for involuntary retirement for disability, the justice or judge shall thereby be retired at retirement pay to be fixed by law which as to a justice of the supreme court, judge of a district court of appeal or circuit judge shall not be less than two thirds ($\frac{2}{3}$) of his then compensation if he has served for ten (10) years or more as justice or judge of such court or courts. Upon an order for removal, the justice or judge shall thereby be removed from office, and his salary shall cease from the date of such order. The supreme court shall make rules providing for the procedure before the commission and the referees and the extent to which communications shall be privileged or confidential, provided that upon the entry of an order of discipline, removal or retirement the record shall no longer remain confidential. A justice or judge shall be disqualified in any proceeding involving his own discipline, retirement or removal. The supreme court shall by rule provide for the

disqualification of any member of the commission or referee and for the ad hoc appointment of a person to take the place of a disqualified person.

(4) In the event a judge is removed from office, his judicial service shall not provide immunity from disciplinary proceedings for professional misconduct performed during his term of office or prior thereto.

—and passed, as amended, by the required Constitutional three-fifths vote of all members elected to the Senate. The vote was:
