Prayer by Senator L. K. Edwards, Jr., of the Twentieth Senatorial District:

Lord Jesus, thou who are the way, the truth, and the life, hear us as we pray for the truth that shall make men free. Teach us that liberty is not only to be loved but also to be lived. Liberty is too precious a thing to be buried in books. It costs too much to be hoarded. Make us to see that our liberty is not the right to do as we please but the opportunity to please to do what is right.

So may America, through thy servants, the members of this body, do what is right, that thy blessing can rest upon their labors and give them good conscience. Through Jesus Christ our Lord. Amen.

Article VIII is hereby amended by adding section 24 to read as follows:

Section 24. (1) The electors of Hillsborough county are hereby granted the power to adopt a charter for a government which shall exercise any and all powers for county and municipal purposes which this constitution or the legislature, by general, special or local law, has conferred upon Hillsborough county or any municipality therein. Such government shall exercise these powers by the enactment of ordinances which relate to government of Hillsborough county and provide suitable penalties for the violation thereof. Such government shall have no power to create or abolish any municipality, except as otherwise provided herein.

(2) The method and manner by which the electors of Hillsborough county shall exercise this power shall be set forth in a charter for the government of Hillsborough county which charter shall be presented to said electors by any charter commission established by the legislature. The legislature may provide for the continuing existence of any charter commission or may establish a charter commission or commissions subsequent to any initial commission without regard to any election or elections held upon any charter or charters theretofore presented. A charter shall become effective only upon ratification by a majority of the electors of Hillsborough county voting in a general or special election as provided by law.

(3) The number, qualifications, terms of office and method of filling vacancies in the membership of any charter commission established pursuant to this section and the powers, functions and duties of any such commission shall be provided by law.

(4) A charter prepared by any commission established pursuant to this section shall provide that:

a. The governments of the city of Tampa and the county of Hillsborough shall be consolidated, and the structure of the new local government shall include:

1. An executive branch, the chief officer of which shall be responsible for the administration of government.

2. An elected legislative branch, the election to membership, powers and duties of which shall be as provided by the charter.

3. A judicial branch, which shall only have jurisdiction in the enforcement of ordinances enacted by the legislative branch created by this section.

b. Should the electors of the municipalities of Plant City or Temple Terrace wish to consolidate their governments with the government hereinabove created, they may do so by majority vote of the electors of said municipality voting in an election upon said issue.

c. The creditors of any governmental unit consolidated or abolished under this section shall be protected. Bonded or other indebtedness existing at the effective date of any government established hereunder shall be enforceable only against the real and personal property theretofore taxable for such purposes.

d. Such other provisions as might be required by law.

(5) The provisions of such charter and ordinances enacted pursuant thereto shall not conflict with any provision of this constitution nor with general, special or local laws now or hereafter applying to Hillsborough county.

(6) The government established hereunder shall be recognized as a county, that is one of the legal political subdivisions of the state with the powers, rights, privileges, duties and obligations of a county, and may also exercise all the powers of a municipality. Said government shall have the right to sue and be sued.

(7) Any government established hereunder shall be entitled to receive from the state of Florida or from the United States or from any other agency, public or private, funds and revenues to which a county is, or may hereafter be entitled, and also all funds and revenues to which an incorporated municipality is or may hereafter be entitled, and to receive the same without diminution or loss by reason of any such government as may be established. Nothing herein contained shall preclude such government as may be established hereunder from receiving all funds and revenues from whatever source now received, or hereinafter received provided by law.

(8) The board of county commissioners of Hillsborough county shall be abolished when the functions, duties, powers and responsibilities of said board shall be transferred in the manner to be provided by the charter to the government established pursuant to this section. No other office provided for by this constitution shall be abolished by or pursuant to this section.

(9) This section shall not restrict or limit the legislature in the enactment of general, special or local laws as otherwise provided in this constitution.

(10) Should this resolution be rejected by the electors of Hillsborough county then this resolution shall be null and void.

—and requests the concurrence of the Senate therein.
