Prayer by the Senate Chaplain, Reverend T. Newton Wise:

Eternal God, before the mountains were brought forth or ever thou hast formed the earth and the world, even from everlasting to everlasting thou art God. As we pause in the beginning of this day to remind ourselves of thy everlastingness, we learn true humility; as we recall thy power, we would renew our strength. We are bewildered by the confusion of the world. We often lose our way amidst the strife of greed. Restore unto us the quiet peace and sanity in a day of unrest and uncertainty. Bless, we pray thee, the President of this Senate and those who work with him as vigilantes of justice and pioneers of progress. Give divine guidance this day to all who bear responsibility of government throughout our State and Nation and throughout the world. May the Prince of Peace speak peace to their hearts that men may turn their swords into plowshares and study war no more. In the name of God, we pray. Amen.

SR 246—A resolution expressing deep sympathy and regret over the passing of Francis E. ("Pappy") Noel and paying tribute to his memory.

WHEREAS, it is appropriate to record for posterity the life and works of a great soldier, true patriot, dedicated photographer, warm friend and beloved husband, for whom Government in Florida served as the last and, hopefully, one of the happiest battlegrounds; and

WHEREAS, the corridors, chambers and offices of our Capitol are brighter by far because this legend in his own time quietly made greatness and perfection look easy and humility appear the hallmark of achievement; and

WHEREAS, Francis E. ("Pappy") Noel committed much of a lifetime to combat photography ranging through most of the trouble spots of the world and constantly exhibited a rare bravery in risking his own life by dragging wounded Marines to safety in the frozen hinterlands of North Korea for which he won a Bronze Star with a combat V from the United States Marines; and

WHEREAS, Francis E. Noel, Pulitzer Prize winner, epitomized the great American spirit while suffering the privations of a prisoner of war for sixteen (16) months during which he thrice attempted escape and proudly accepted the consequence, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That on behalf of the people of the State of Florida this senate does pause to pay tribute to the memory of Francis E. ("Pappy") Noel, whose life was a dash of greatness with a warm and kindly touch and whose death in 1966 concludes another wonderful contribution to the bank of American tradition, and that his memory be accorded our respect and gratitude.

On motions by Senator Horne, SR 246 was read the second time in full and unanimously adopted.
