MESSAGE FROM THE GOVERNOR

VETOED BILL 1965 REGULAR SESSION

The following message from the Governor was read:

*The Honorable Verle A. Pope* July 5, 1967  
*President, Florida Senate*  
*The Capitol*  
*Tallahassee, Florida*

Dear Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Article III, Section 28 and Article IV, Section 18, Florida Constitution, I hereby transmit to you with my objections, in part, Committee Substitute for Senate Bill No. 76-143 enacted by the Legislature of 1967:

"An act relating to law revision, statutory revision and bill drafting; amending chapter 13, Florida Statutes, by adding part VI; establishing the Florida law revision commission and defining its composition, functions and powers, including the revision of the criminal laws as its first duty; creating a permanent statutory revision department, to include legislative drafting service, as a part of the legislative reference bureau under the supervision of the legislative council; prescribing its powers, duties and functions, including the preparation and publishing of Florida Statutes; authorizing the attorney general to draft legislation for the officials, boards and agencies of the state and its political subdivisions; repealing sections 16.43, 16.44, 16.46, 16.48 and 16.51, Florida Statutes; providing appropriations and an effective date."

I disapprove the following part of this bill appearing in Section 8 at page 15, lines 26 through 30:

"\_\_\_\_\_ and there is hereby appropriated to the legislative reference bureau for the operation of the statutory revision department the sum of three hundred seventy thousand nine hundred eighty-one dollars (\$370,981.00) for the biennium."

The purpose of Senate Bill 76-143 is to create the Florida Law Revision Commission and a Statutory Revision Department under the supervision of the Legislative Council, transferring to this commission and department all of the functions previously performed by the Attorney General's Office in this field. In effectuating this transfer, it appears that the Legislature intended to appropriate to the new Statutory Revision Department the identical sums of money previously appropriated to the Attorney General's office for the 1967-69 biennium, or approximately \$370,981. However, the Legislature appears to have appropriated this amount twice. Specifically, while the bill appropriates the sum of \$370,981 for the biennium as set forth in Section 8, an appropriation of a like amount has been made by the following language appearing in Section 9:

"\_\_\_\_\_ All appropriations previously made or made at this session of the legislature for the use of the statutory revision department of the attorney general's office shall be transferred to the account of the legislative reference bureau and shall be construed to be for the use of the statutory revision department."

I have been advised that the appropriation previously approved for the operation of the Attorney General's Office for the 1967-69 biennium contains an amount sufficient to operate the Statutory Revision Department, or approximately \$370,981. At the time this appropriation was approved, it was contemplated that the statutory revision and bill drafting function was to be performed by the Attorney General's Office; the Legislature had not enacted Senate Bill 76-143. If Section 8 is left intact, a total appropriation of \$741,962 would be made. It would appear consistent with the legislative intent, therefore, that the quoted appropriation appearing in Section 8 of Senate Bill 76-143 be deleted.

Accordingly, pursuant to the authority vested in me as Governor under the provisions of the Constitution and particularly under Section 8 of Article IV thereof, I disapprove and veto the foregoing quoted item appearing in Section 8 in Senate Bill 76-143 for the reason hereinabove stated. As to the remaining items, I neither approve nor disapprove the same.

CLAUDE R. KIRK, Jr.  
 Governor

The Presiding Officer put the question: "Shall the portion of CS for Senate Bills 76 and 143, appearing in Section 8 on page 15, lines 26 through 30, pass the Governor's objections to the contrary notwithstanding?"

The veto of the Governor was sustained.

The vote was: Yeas—None Nays—45

**EXPLANATION OF VOTE**

On motion to withdraw SB 10 from Committee on Finance and Taxation, the unfavorable vote of the Committee to the contrary notwithstanding.

I voted in favor of the motion to withdraw SB 10 from the

Finance and Taxation Committee not only because I favor the bill but also because the circumstances surrounding this bill demonstrate very vividly the need for modernization of our rules and of our committee system so as to provide some avenue whereby the will of the majority of this body can prevail. The rules were changed to accomplish this end during the second 1965 reapportionment session but when the then majority group, affectionately called "The Porkchop Gang", silently slipped away, the 1965 rules changes were abandoned. I believe our rules need to be so modernized so that they and the committee system cannot be used to frustrate the majority. The majority was so frustrated today on SB 10 because twenty-four voted to put the bill before the whole Senate and eighteen voted in the negative. Nevertheless, the motion failed because a two-thirds vote was required. I have voted for the adoption of rules fifteen minutes after being furnished with a copy of same too many times and never intend to do so again. Up, Up and away!

The hour of adjournment having arrived, a point of order was called and the Senate recessed at 12:17 p. m. to reconvene at 1:30 p. m.

#### EXPLANATION FOR ABSTAINING FROM VOTING ON HOUSE BILL 3054

Pursuant to the rules of the Senate, I abstained from voting on local House Bill 3054 as same could possibly constitute a conflict of interest. This local legislation deals with the Port of Palm Beach.

This authority maintains bank accounts with several banks in its district, one of which is a bank on which I serve as Chairman. Although I am satisfied that I could consider this matter fairly and without prejudice, I have no desire to place my office in a possible light of conflict.
