Lord God, Heavenly Father, we thank thee for every blessing we daily receive through thy bountiful goodness, without any merit on our part. We join together in prayer, that you will continue to bless our families, our state and our country. Protect us from vain self-glory, pride and selfishness. Forgive us our daily trespasses and create humility of spirit within us so that we may likewise forgive each other. Lord God, we ask for wisdom and knowledge so that all who are in authority may govern according to thy will and precepts. Protect those who serve in our armed services, comfort and heal the sick, and let thy mercy, O Lord, be upon us as we trust in thee, through the Lord Jesus Christ. Amen.

SB 1633—A bill to be entitled An act relating to juvenile courts in all counties in the state having a population of not less than seventy-four thousand two hundred (74,200) and not more than seventy-six thousand (76,000), according to the latest official decennial census, creating separate juvenile courts therein pursuant to chapter 39, Florida Statutes; providing compensation for juvenile court judge; providing an effective date.

Amendment 1

Following the enacting clause STRIKE the remainder of the bill and insert the following:

Section 1. There is hereby created and established in any county of the state having a population of not less than seventy-four thousand two hundred (74,200) and not more than seventy-six thousand (76,000), according to the latest official decennial census, a separate juvenile court pursuant to chapter 39, Florida Statutes, which court shall be separate from the present county judge's court.

Section 2. The judge of any separate juvenile court of any county in which this act is applicable shall be a qualified elector of the county in which is established the court over which he shall preside. He shall be not less than twenty-five (25) years of age and shall have either served as a judge of a juvenile court in Florida or shall be a member of The Florida Bar. He shall be elected by the qualified electors of the county as other county and state officials are elected for a term of four (4) years. Any person serving, on the effective date of this act, as judge of a separate juvenile court in any such county shall continue to serve in that capacity during the remainder of the term for which he was elected. At the general election next preceding the expiration of his term the incumbent or a successor shall be elected to take office on the expiration of that term and shall serve for a period of four (4) years. The judge, if a member of The Florida Bar, shall be permitted to engage in the private practice of law if he so desires, but his first duty shall be to his court. It is also permissible for the judge to administer this court from his law office or the detention center as well as from the courthouse since it is the intent of the juvenile court to treat juveniles as other than criminals.

Section 3. The juvenile court of any such county shall have the authority to make investigations and recommendations concerning any matter pending before the circuit courts of the county at the request of the circuit judge having the case before him and with the approval of the juvenile court judge. Said court shall also have the authority to supervise custody and support of children pending and after divorce, upon the request of the circuit judge having the case and with the approval of the juvenile court judge. Said court shall also have the authority to accept any and all other matters from the circuit court involving children by order of transfer from the circuit court judge handling the case and with the approval of the juvenile court judge; this authority to include modification, contempt, custody change but not so limited.

Section 4. This court shall be staffed with personnel of such caliber, training and experience so as to enable the court to carry out its duties effectively and to enable the court to qualify as a training center and for such federal and state funds as will become available for such purposes.

Section 5. The judge of the juvenile court shall receive compensation of six thousand four hundred eighty dollars (\$6,480.00) annually, to be paid in equal monthly installments.

Section 6. Except as set forth herein, all provisions of chapter 39, Florida Statutes, shall govern this court and be of full force and effect.

By direction of the President, the Secretary of the Senate read the following—

REPORT OF COMMITTEE

*The Honorable Verle Pope
President, The Florida Senate
Tallahassee, Florida*

July 7, 1967

On June 1, 1967, the Honorable Claude R. Kirk, Jr., Governor of the State of Florida recommended to the Florida Senate, the removal of J. B. Thomas as Sheriff of Jefferson County, Florida, pursuant to Article IV, Section 15, Constitution of the State of Florida.

The basis of said recommendation was the Order of Suspension signed by the Governor on March 6, 1967. The Order stated that the said Sheriff Thomas was suspended on the grounds of nonfeasance and neglect of duty based upon a presentment of the Grand Jury in and for Jefferson on the 28th of February, 1967, against the said J. B. Thomas, finding that:

"Although there is not sufficient evidence to show larceny of any funds from the Sheriff's office of Jefferson County, Florida, that J. B. Thomas as Sheriff of said county has been guilty of nonfeasance and neglect of duty in office in regard to such shortage which amounts to approximately \$14,738.15 for a period since May 1, 1965."

As you know, under the provisions of the Constitution, Article IV, Section 15, the Senate has only two choices of action: (1) it can respond to the recommendation of the Governor by removing the public official, in which event he is out of office; (2) the Senate could choose not to remove the said J. B. Thomas in which event the said J. B. Thomas could resume the duties of the office.

Your Committee feels strongly that it does not have the right to prejudge the guilt or innocence of the said Sheriff J. B. Thomas relative to any criminal charges which might have arisen from his actions while holding the office of Sheriff of Jefferson County, Florida. But your Committee feels, also, after hearing many hours of testimony, that it cannot let the allegations made by the Governor pass without taking action.

It is, therefore, the Committee's recommendation that the Senate should act to consent to the removal of the said J. B. Thomas from the office of Sheriff of Jefferson County, Florida, pursuant to the recommendations of the Governor, on June 1, 1967.
