SR 976—A resolution in observance of Mother's Day.

WHEREAS, the Creator and Preserver of all mankind has given to each of us one person in our entry upon the stage of life for whom "in the Heavens above, the angels, whispering to one another, can find, among their burning terms of love, none so devotional as that of 'Mother', Therefore, by that dear name" we call her, and

WHEREAS, we would upon this day, May 14, 1967, the date nationally fixed as Mother's Day, pay homage to the most influential person in our respective lives—in sacred memory if deceased, in grateful and loving acknowledgment if still spared to us—whether natural parent or one in loco parentis, IN COMMEMORATION OF MOTHER'S DAY AND IN HONOR OF OUR MOTHERS AS OUR MOST PRICELESS ASSET, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That we, the members of the Florida Senate, do hereby reiterate to our respective mothers our love and affection, our gratitude and appreciation for all of the years of maternal devotion bestowed on us, for all of the self-abnegation and travail by which we were brought into being, for all of the sleepless nights and untiring patience during our infancy, for all of the inspiration and guidance that attended us in our early adolescence, and for the sense of security afforded us as adults upon which we have planted our feet in our efforts toward good citizenship and statesmanship, by reason of which our love and depth of feeling for the person we call "Mother" transcends that entertained for any other person.

BE IT FURTHER RESOLVED that our admiration and respect also be recorded for all of the mothers of the world, who have so unselfishly brought into being the progeny of this earth and that the Senate stand in a moment of silent prayer for the mothers of all the members of this Body and for all of the mothers of the earth and for the hope that all men everywhere will ever keep before them the admonition of the first Commandment with promise.

BE IT FURTHER RESOLVED that this Resolution be spread upon the Journal of the Senate.

SR 978—A resolution requesting the congress of the United States to make a public investigation into the apparent existence of a Soviet-dominated Communist regime in the Republic of Cuba.

Be It Resolved by the Senate of the State of Florida:

That the congress of the United States be and it is hereby requested to instruct its appropriate committees to hold hearings and to conduct a public investigation into the apparent existence of a Soviet-dominated Communist regime in the Republic of Cuba, located only ninety miles from the coast of Florida.

BE IT FURTHER RESOLVED that the congress of the United States recognize the fact that Florida, over many miles of its coastline, is geographically close to this menace; that into the state of Florida have poured many thousands of refugees escaping from Communist domination in Cuba and for whom this state has furnished a haven and much money for their support; that there is every indication that Cuba is attempting now to export the Soviet revolution into other neighboring areas as well as into the United States through the state of Florida, something which our national administration has promised never would be tolerated; that this state and its people, along with every other area in this country, have a right to know what the federal administration is doing diplomatically, economically and from a military standpoint at this

moment to counteract Communist domination of Florida's neighbor and the attempted spread of Soviet influence; and what plans, if any, the national administration has to expunge this menace and liberate our nearest foreign neighbor.

BE IT FURTHER RESOLVED that the congress of the United States be urgently requested to take tangible steps toward reviving and implementing the Monroe Doctrine as the United States understood this doctrine applied prior to the time when Cuba was surrendered to the Soviet regime.

BE IT FURTHER RESOLVED that copies of this senate resolution be dispatched to the president of the United States, to the president of the United States senate, to the speaker of the United States house of representatives and to each member of the Florida delegation to the United States congress.

Was read the first time by title. On motions by Senator Stone, SR 978 was read the second time in full and adopted.
