MOTIONS RELATING TO COMMITTEE REFERENCE

On motion by Senator Mathews, by two-thirds vote, SB 1277 was withdrawn from the Committee on Apportionment, Resolutions and Memorials and placed on the Calendar of the Committee on Rules and Calendar.

Senator Thomas called a point of order and SB 1570 was withdrawn from the Committee on Agriculture and Livestock and re-referred to the Committee on Judiciary "B".

Senator Thomas moved that CS for CS for SB 1277 be also re-referred to an appropriate committee, the bill having been recommitted to the Committee on Judiciary "B" on point of order raised by Senator Thomas on June 13. Senator Thomas stated that the Committee on Agriculture and Livestock offered a committee substitute for SB 1277 which for all practical purposes defeated the original senate bill; the Committee on Judiciary "B" subsequently offered a committee substitute for the committee substitute which re-inserted the substance of the original bill, and the Committee on Agriculture and Livestock had not been notified of the meeting when the Committee on Judiciary "B" considered the bill.

Senator Mathews advised that the rules do not technically provide that a chairman of a committee recommending a committee substitute be notified of meetings of other committees when the bill might be considered.

The President presiding.

Senator Deeb moved as a substitute motion that CS for CS for SB 1277 be withdrawn from the Committee on Judiciary "B" because it was recommitted to the Committee under an incorrect point of order.

The Chair ruled the point was well taken at the time the bill was recommitted to the Committee on Judiciary "B" and was in an appropriate committee. The Chair further ruled that under Rule 7.7 a motion relating to committee reference must be made no later than the "Order of Business of Motions Relating to Committee Reference" on the succeeding legislative day that reference is made. The motion by Senator Deeb was ruled out of order.

The Chair stated that each committee has equal authority and the offering of a committee substitute does not kill the original bill, and further stated that the appropriate motion would be to re-refer the bill to a specified committee which motion would require a two-thirds vote.

Senator Thomas moved that the rules be waived and CS for CS for SB 1277 be re-referred to the Committee on Agriculture and Livestock. The motion failed.

On motion by Senator Haverfield, by two-thirds vote, SB 1429 was withdrawn from the Committee on Urban Affairs and Local Government.

On motions by Senator Griffin, by two-thirds vote, House Bills 1826, 2147, 1623, 1882, 1626, 977, 2869, 2526, 2503 and 1863 were withdrawn from the Committee on Finance and Taxation and placed on the Local Calendar.

On motions by Senator Griffin, by two-thirds vote, SB 1256 and HB 1902 were withdrawn from the Committee on Finance and Taxation and placed on the Calendar of the Committee on Rules and Calendar.

On motion by Senator Askew, by two-thirds vote, SB 1476 was withdrawn from the Committee on Appropriations and placed on the Calendar of the Committee on Rules and Calendar.

On motion by Senator Hollahan, by two-thirds vote, HB 2093 was withdrawn from the Committee on Judiciary "B" and placed on the Calendar.

Unanimous consent was granted Senator Hollahan to take up out of order—

HB 2093—A bill to be entitled An act relating to the Florida uniform commercial code; amending section 679.9-110; amending section 679.9-313; amending subsections (2) and (3) of section 679.9-401; amending subsections (1) and (3) of section 679.9-402; Florida Statutes; relating to validity of security agreements and rights of parties, rights of third parties, rules of priority and filing of security instruments, requiring legal description of real estate; providing for filing in same place as real estate mortgage, establishing construction lenders priority; providing for effective date.

On motions by Senator Hollahan, the rules were waived and HB 2093 was read the second time by title, the third time in full and passed, title as stated. The vote was: Yeas—47 Nays—None

Mr. President	de la Parte	Horne	Shevin
Askew	Edwards	Johnson	Slade
Bafalis	Elrod	Knopke	Spencer
Barron	Fincher	Lane	Stockton
Barrow	Fisher	McClain	Stolzenburg
Bell	Friday	Mathews	Stone

Broxson	Gong	Ott	Weber
Chiles	Griffin	Plante	Weissenborn
Clayton	Haverfield	Poston	Wilson
Cross	Henderson	Reuter	Young

The bill was certified to the House.

The Presiding Officer ruled that the point of order raised by Senator Stockton was not well taken.

The President presiding.

On motion by Senator Young, the following remarks of the President were ordered spread upon the Journal:

The Chair would like to amplify the ruling of the President Pro Tem. It should be common logic to any person here that were we allowed to place points of order at any time regardless of the lapse of time, we would have a chaotic condition and the purpose of rules is to insure the orderly processes of the deliberations of this body. A point of order to be effective must be raised at the proper time and failure to do so makes the question moot. It would be the ruling of the Chair that without a change in this rule (6.14) any person who failed to raise the point of order before action of any kind or after action of any kind was taken on the matter would be out of order. If a committee acted on it in any way the point of order would be moot and out of order.

The President Pro Tempore presiding.

On motion by Senator Mathews, consideration of bills on the Speedy Calendar was delayed until final action on SB 624. The vote was:
