HCR 3237, contained in the above message, was read the first time in full. On motion by Senator Cross, the rules were waived and HCR 3237 was read the second time by title, unanimously adopted, and certified to the House.

#### The President presiding.

On motion by Senator Thomas that a committee be appointed to escort Mr. and Mrs. R. E. McNeill, Jr. to the rostrum, the President appointed Senators Thomas, Cross, Gong and Gibson.

The Committee escorted Mr. and Mrs. McNeill to the rostrum where they received a standing ovation and Mr. McNeill addressed the Senate.

On motion by Senator Griffin, the following remarks of Mr. McNeill were ordered spread upon the pages of the Journal:

Mr. President, Gentlemen:

To the Senate, and all of you present, I express my gratitude for this honor paid to me today.

My wife Florence, and my daughter, Bama Livermore, are here. They join me in doing so. Their understanding and help has enabled us to have a happy family life, entwined with my business life.

Never, in my wildest imagination, from the time when I rode turpentine woods for \$1,000 a year, until June 21 this year, did I envision standing here and having my business career recognized—by the Legislature of my native state—which I love.

Also, my grateful acceptance is, I feel, in behalf of my bank and its Business Family. No Chairman is a good Chairman, a successful one, or worthy of the recognition accorded me here today, unless he was made so by his family and his Business Family.

My Business Family consists of—10 thousand men and women—on the staff of Manufacturers Hanover. Eleven hundred are officers. You may wonder what 10 thousand people do in one bank. Believe me, they are busy, managing and operating an institution with assets of over 8 billion dollars, plus trust assets, held in all capacities, of several times that amount.

If you wonder how big is a bank of 8 billion, not including trust assets, let me draw a comparison. It is about the same size as all of the national and state banks in Florida combined. But remember, that like good railroads, good banks are all the same width—some are just longer than others.

Our institution is owned by stockholders in all 50 states and 44 foreign countries and territories—truly an example of free enterprise. We are servicing accounts, more than a million, from all 50 states and 110 countries and territories abroad. This requires an efficient and harmonious staff—our Business Family.

You are very much a part—an essential part—of the Business Family of the great State of Florida.

One of the most heartwarming experiences of my life was when I, alone, decided to take our Anti-Trust fight with the Justice Department to the halls of Congress, and saw the reaction of my Business Family. Their attitude was—"You probably will get licked, but keep slugging and count us in." We did not lose. With the help of many, we—and I mean "we", not "I"—we won!

Here, if I may, I want to again express my thanks to the Washington delegation from Florida who helped me during this trying period. Both distinguished Senators helped me without reservation, and so did the members of the House almost to a man, and it was in the House that we had the hardest fight.

Just a little more about a Business Family. Remember your part in Florida's Business Family. You have problems, which I recognize. Sometimes, you may, as individuals, have to stand alone. I admire you for doing so, but think of this:

Compromise with principle is wrong; so is it to be irrevocably bound by tradition.

Determination is a virtue.

Unreasonable stubbornness is an evil.

Thoughtful compromise is a sign of bigness.

Patience with the other fellow's point of view is often the door to understanding and harmony.

Florida is a great state, and a growing one. Obviously, there will be labor pains to be suffered in new industrial birth, growth in population, 20th century conditions to meet, heritages to be preserved, and bills to pay. The solutions will not be easy. Neither will they all be right, nor all be wrong, for after all is said and done we are still just human beings. However, my faith in you makes me confident that the job you do will be well done.

Some day, about 3 years from now, I will be back as a Florida Cracker—all Florida—to live among you in the State that has always been close to my heart. I think of myself now as a citizen on leave.

With humility, I again thank you and assure you that my gratitude, and that of my family, is sincere.

This day will be remembered.

On motion by Senator Barrow, by two-thirds vote, HB 3190 was withdrawn from the Committee on Rules and Calendar and placed on the Local Calendar.
