Our Heavenly Father, source of all that is good, since we have not been able to even find a mustard seed, and continue to be vexed by our problems, we humbly beseech thee to forgive us for our dilatory misdoings. Give us thy spirit of wisdom and so fill us with understanding of thy spirit that our weakness may be transformed by thy strength to find a fair solution.

And bless the courts of justice, our Governor, and our Attorney General as they judge our efforts and work, so they will keep faith with our fellow men, honestly and fearlessly, so then the people we all serve shall be heartened by our integrity, fairness and diligence. Grant that in humility of heart we may ever look unto thee for thy mercy, we ask in Jesus' name. Amen.

48. A quorum present.

The Senate resumed consideration of Messages from the House of Representatives.

The following messages were read:

January 19, 1967

*The Honorable Verle A. Pope*  
President of the Senate

Sir:

I am directed to inform the Senate that the House of Representatives has refused to recede from House amendments to—

By the Committee on Apportionment, Resolutions and Memorials—

CS for SB 8-X(67)—A bill to be entitled An act amending chapter 66-1, laws of Florida; providing for the apportionment of the senate and the house of representatives of the legislature of the state of Florida; prescribing terms of office by members until the general election in November 1968; providing for elections; providing effective dates.

And the Speaker of the House has appointed Representatives Arnold, Wells, Cleveland, Eddy and Matthews as a Conference Committee on the part of the House and requests the President of the Senate to appoint a like committee to adjust the differences on House amendments to CS for SB 8-X(67).

Respectfully,  
ALLEN MORRIS  
Clerk, House of Representatives

Senator Mathews moved that the President appoint a conference committee on the part of the Senate to confer with the like committee appointed by the Speaker of the House to adjust the differences between the House and the Senate on CS for SB 8-X(67), and the House amendments thereto, and the Senate amendments to the House amendments thereto. The motion was adopted.

On motion of Senator Mathews, the rules were waived and in addition to the areas of disagreement between the House and the Senate on CS for SB 8-X(67), and the House amendments thereto, and the Senate amendments to the House amendments thereto, the Senate Conference Committee was authorized and instructed to consider and to make such changes as would:

(1) Coordinate the whereas clauses and justifications as to both the Senate and the House plan.

(2) Make such mechanical changes that do not affect the territory of any senatorial district as may improve the construction of the bill procedurally, and

(3) Provide specifically for authority of the Governor to call and set dates for any special elections that may be ordered by a court of competent jurisdiction with reference to legislative or senatorial seats,

(4) Make such changes as will represent the consensus of the Senate and the senators affected in those four senatorial seats in the territory of the 5th, 6th, 8th and 25th districts.

Senator Weissenborn moved that the conference committee of the Senate be instructed to consider the propriety and the desirability of providing for the earliest practical elections for members of the legislature under the new plan prior to the 1967 regular session of the legislature.

The Chair ruled that the matter was considered by the Senate when CS for SB 8-X(67) was considered and therefore the motion was out of order.

Senator Shevin moved that the conference committee be instructed to give serious consideration to changing the effective date of the bill and to requiring special elections for those districts, Senate and House, where the geographical areas have been changed, to be held prior to the 1967 session of the Florida legislature.

The Chair ruled that the matter was considered by the Senate when CS for SB 8-X(67) was considered and therefore the motion was out of order.

Pursuant to the motion of Senator Mathews, the President announced the appointment of the following conference committee on the part of the Senate: Senators Boyd (28th), Mathews, Slade, Whitaker and Askew. The action of the Senate was certified to the House immediately.

Senator Friday moved that the time of adjournment be extended until receipt of report of conference committee and final action thereon.

**Senator Askew presiding.**

Senator McCarty moved as a substitute motion that the Senate do now adjourn until 11:00 A.M., January 26.

The Chair ruled that to adjourn beyond seventy-two hours would require a concurrent resolution adopted by both houses and therefore the substitute motion was out of order.

The motion of Senator Friday was adopted.

*The Honorable Verle A. Pope* January 19, 1967  
*President of the Senate*

Sir:

**MESSAGE FROM THE GOVERNOR**

Office of the Governor  
Tallahassee

January 19, 1967

*Honorable Verle Pope*  
*President, the Senate*  
*Capitol Building*  
*Tallahassee, Florida*

Dear Mr. President:

Enclosed is my Proclamation extending the special session to include consideration of a special act of the Legislature authorizing the Dixie County Board of Public Instruction to issue revenue certificates in an amount necessary to replace the loss occasioned by fire which completely destroyed the Dixie County High School at Cross City.

We have tried other avenues to see if there were available funds to replace this school and were unsuccessful. I feel that in the interest of these students we must extend the call to take care of this matter.

Your cooperation is appreciated.

Sincerely,  
CLAUDE R. KIRK, JR.  
Governor

**PROCLAMATION**

State of Florida  
Executive Department  
Tallahassee

TO THE HONORABLE MEMBERS OF THE FLORIDA SENATE AND THE HOUSE OF REPRESENTATIVES:

WHEREAS, on New Year's Day, Sunday, January 1, the

main building of the Dixie County High School at Cross City, Florida, caught fire and was completely destroyed with all its contents, and

WHEREAS, this disaster has displaced approximately 450 high school students who must now complete their school year in make-shift emergency housing, and

WHEREAS, I have been reliably advised that only by immediately embarking upon a building program can new school facilities be made available for the September term, and

WHEREAS, The Honorable Floyd T. Christian, Superintendent of Public Instruction, has advised me by letter that the only practical means of raising sufficient money to restore this loss is the issuance of revenue certificates on the basis of Racing Commission funds presently allocated to the Dixie County Board of Public Instruction, such revenue certificates having been used by county school systems in recent years to meet a portion of their school building needs, and

WHEREAS, such revenue certificate issue must be authorized by special act of the Legislature which does not meet in regular session until April, 1967,

NOW, THEREFORE, I, CLAUDE R. KIRK, JR., as Governor of Florida, by virtue of the power and authority vested in me by Article IV, Section 8, of the Constitution of the State of Florida, do hereby extend my call of the 3rd day of January, A. D., 1967 in calling the Florida Legislature into special session to include consideration of a special act of the Legislature authorizing the Dixie County Board of Public Instruction to issue revenue certificates in an amount necessary to replace the loss occasioned by the disastrous fire heretofore mentioned.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed at Tallahassee, the Capitol, this 19th day of January, A. D. 1967.

CLAUDE R. KIRK, JR.
