Prayer by the Secretary of the Senate:

Almighty God, we pray for the comforting companionship of the Holy Spirit in the closing hours of this legislative responsibility. Let not confusion and frustration influence our decisions in the moments just ahead. We pray for an atmosphere of quietness compounded with great measures of understanding of minds. We need to prescribe only those things essential and productive, that would enrich our economical, physical and spiritual posture. We humbly ask thy help in obtaining the ingredients to do the necessary. In our master's name, Jesus Christ, we pray. Amen.

I am directed to inform the Senate that the House of Representatives has passed with amendments—

By Senator Trask and others—

SB 1213—A bill to be entitled An act relating to county officials; amending sections 145.011, 145.021, 145.031, 145.041, 145.051, 145.061, 145.071, 145.08, 145.09, 145.10, 145.11, 145.12(1),(3),(4), and 145.13, all Florida Statutes; amending chapter 145, Florida Statutes, by adding sections 145.012, 145.022, 145.121, 145.131, and 145.14(2); providing uniform salaries for county officials based upon classification of counties according to population; providing that all other income of county officials from fees or for services rendered to state, county or municipal government shall be income of the office; providing for reports of fees; providing for adjustment of compensation on effective date; repealing all laws relating to compensation of officials designated herein; providing an effective date.

Amendment 1—

On page 1, line 26, strike everything after the enacting clause and insert the following:

Section 1. Section 145.011, Florida Statutes is amended to read:

(Substantial rewording of section. See section 145.011, Florida Statutes, for present text.)

145 011 Legislative intent.—

(1) In compliance with subsection (c) of Section 5 of Article II of the state constitution, it is the intent of the legislature to provide for the annual compensation and method of payment for the several county officers named herein.

(2) The legislature has determined that a uniform and not arbitrary and discriminatory salary bill is needed to replace the haphazard, preferential, inequitable, and probably unconstitutional local bill method of paying elected county officers.

(3) It is further the intent of this legislature to provide by general law for such uniform compensation of county officials having substantially equal duties and responsibilities, taking into account the multitude of changes that have affected these offices within the past decade.

(4) The salary schedules in this chapter are therefore based on a classification of counties according to each county's population, which the legislature determined to be the most practical basis from which to arrive at an adequate, uniform salary system.

Section 2. Chapter 145, Florida Statutes, is amended by adding section 145.012, to read:

145.012 Applicability.—This chapter applied to all officials herein designated in all counties of the state, except those officials whose salaries are not subject to being set by the legislature because of the provisions of a county home rule charter, or because of the provisions of a city charter, where the city and the county in which it is located have a consolidated form of government.

Section 3. Section 145.021, Florida Statutes, is amended to read:

(Substantial rewording of section. See section 145.021, F.S., for present text.)

145.021 Definitions.—As used in this chapter:

(1) "Population" means the population of the county as projected by the latest official decennial census, or on the basis of the annual estimated published census as determined by a census commission or upon data provided by the United States census bureau as authorized in section 26.011, Florida Statutes for judicial circuits or a special census as authorized in section 11.03 (2), Florida Statutes.

(2) "Salary", when referring to amounts payable under the schedules set forth in this chapter, means the total annual compensation to be paid to an official as personal income.

Section 4. Chapter 145, Florida Statutes, is amended by adding section 145.022, to read:

145.022 Guaranteed salary upon resolution of county commissions.—Any board of county commissioners, with the concurrence of the county official involved, may by resolution guarantee and appropriate a salary to the county official, in an amount not to exceed that specified in this act, if all fees collected by such official are turned over to the board of county commissioners. Copies of the resolution adopted shall be filed with the comptroller and the legislative auditor.

Section 5. Sections 145.031, 145.041, 145.051, 145.061, 145.071, 145.08, 145.09, 145.10, 145.11, all Florida Statutes, are amended to read:

(Substantial rewording of sections. See sections 145.031, 145.041, 145.051, 145.061, 145.071, 145.08, 145.09, 145.10, 145.11, all Florida Statutes, for present text.)

145.031 Board of County Commissioners.—The members of the board of county commissioners shall receive as salary the amount indicated based on the population of their county.

(1) Counties having a population of less than 7,500	\$3,000
(2) Counties having a population of at least 7,500 but less than 15,000	\$3,500

The full amount of the tax on credit sales, installment sales and sales made on any kind of deferred payment plan shall be due at the moment of the transaction in the same manner as a cash sale.

The rental of motor vehicles and self-propelled or power-drawn farm equipment shall be taxed at the rate of [three] four percent (4%).

(b) The sale or lease of motor vehicles to be used by the purchaser or lessee exclusively for lease or rental to another or others shall be exempt from the tax imposed by this chapter as constituting a sale for the purpose of resale, where the lease or rental of such motor vehicles is an established part of an established business, or the same is incidental or germane to said business, and the operator of such business shall be deemed to be a dealer as defined in this chapter. When the tax at the rate of [three] four percent (4%) of the gross proceeds derived

(c) No title certificate shall be issued by the director of the department of motor vehicles on any motor vehicle unless there be filed with such application for title certificate a receipt issued by an authorized motor vehicle dealer, a designated agent of the commission or the commission evidencing the payment of such tax where the same is payable. For the purpose of enforcing this provision, all county tax collectors and any and all persons or firms authorized to sell or issue motor vehicle licenses are hereby designated agents of the commission and are required to perform such duty in the same manner and under the same conditions prescribed for their other duties by the constitution or any statute of this state. Other provisions of this chapter relating to trade-ins are applicable to motor vehicles; however, all transfers of title to motor vehicles are presumed to be taxable transactions until otherwise shown. The term "motor vehicle" as used in this subsection shall have the same meaning ascribed in section 320.01(1) or section 330.01, Florida Statutes; however, any vehicle required to be licensed under section 320.08, Florida Statutes, with a "GW" series tag shall not be construed to be a motor vehicle under the provisions of this subsection and is taxable at the rate of [three] four percent (4%). The term "motor vehicle dealer" as used in this subsection shall have the same meaning ascribed in section 320.60(6), Florida Statutes.

Section 13. Subsection (5) of section 212.08, Florida Statutes, is amended to read:

The basis of the tax shall be the ratio of intrastate mileage to interstate or foreign mileage traveled by the carrier, during the previous fiscal year of the carrier, such ratio to be determined at the close of the carrier's fiscal year. This ratio shall be applied each month to the total purchases made in this state by the carrier of gasoline and other fuels to establish that portion of the total used and consumed in intrastate movement and subject to tax under this chapter. Alcoholic beverages and malt beverages are not exempt. The terms "alcoholic beverages" and "malt beverages" as used in this subsection shall have the same meaning ascribed to them in section 561.01(3) and (7), Florida Statutes, respectively. Likewise exempt are newspapers, [communication services,] film rentals where an admission is charged for viewing such film and charges for services rendered by radio and television stations, including line charges, talent fees or charges[.], [and charges for films and transcriptions and other expendable items in producing radio or television broadcasts.]

The basis of the tax shall be the ratio of intrastate mileage to interstate or foreign mileage traveled by the carrier during the previous fiscal year of the carrier, such ratio to be determined at the close of the carrier's fiscal year. This ratio shall be applied each month to the total purchases by the carriers of vehicles and parts thereof which are used in Florida to establish that portion of the total used and consumed in intrastate movement and subject to tax under this chapter[.], [subject to the provisions of subsection (4).]

Section 17. Section 212.08, Florida Statutes, is amended by adding subsection (11) reading as follows:

(10) Taxes imposed by this chapter upon the privilege of the use, consumption, or storage for consumption, or sale of tangible personal property, admissions and rentals, and communication services as herein taxed shall be collected upon the basis of an addition of the tax imposed by this chapter to the total price of such admissions, rentals, communication services or sale price of such article or articles that are purchased, sold or leased at any one (1) time by or to a customer or buyer, and the dealer, or person charged herein, is required to pay a privilege tax in the amount of the tax imposed by this chapter of the total of his gross sales of tangible personal property, admissions, and rentals, communication services and such person or dealer shall add the tax imposed by this chapter to the price, rental or admissions, and communication services and collect the total sum from the purchaser, admittee, lessee or consumer. Notwithstanding the rate of taxes imposed upon the privilege of sales, admissions and rentals, and [in order to avoid fractions of pennies] communication services, the following brackets shall be applicable to all [three] four percent (4%) taxable transactions:

(a) On single sales of less than ten cents (10c) no tax shall be added.

(b) On single sales in amounts from ten cents (10c) to [thirty-five] twenty-five cents (25c), both inclusive, one cent (1c) shall be added for taxes.

Section 20. Sections 212.08(4), (8)(f) and 212.11(3), Florida Statutes, are repealed.

Section 21. In all cases of written agreements for the improvement of real property which become binding before April 1, 1968, the contractor making said improvements shall pay the sales or use tax at the rates provided in this act; however, upon application by said contractor or assigns to the Florida revenue commission within three (3) years after the effective date of this act, and upon sworn proof by said contractor or assigns of the existence of such binding written agreement and of payment of such additional sales or use taxes, the Florida revenue commission shall forthwith make refund to the applicant of said additional sales or use taxes.

Section 22. If any sentence, clause, paragraph, section or subsection should be declared unconstitutional, it is the intent of the legislature that the unconstitutionality of said sentence, clause, paragraph, section or subsection should be considered severable and the legislature would have passed said act without said clause, sentence, paragraph, section or subsection.
