We ask for thy protection from those who would use this freedom to destroy this freedom. And as we begin the rest of the day we pray that thou will grant us compassion that we will recognize the needs of those we serve. Grant unto us patience to determine all the facts and the wisdom and knowledge to do that which will be pleasing in thy sight. We ask these things in Christ's holy name. Amen.

The Chair referred the question to a special committee composed of Senators Hollahan, Daniel, Broxson and Horne. The committee withdrew from the chamber.

The special committee returned to the chamber and reported as follows:

*The Honorable Jerry Thomas
President of the Florida Senate
The Capitol
Tallahassee, Florida 32304*

May 6, 1971

Dear Mr. President:

This is in reference to the question raised as to the vote required to remove a bill from the special order calendar.

Rule 4.15 of the Senate Rules provides in effect that any bill or joint resolution appearing on the special order calendar may be stricken therefrom by a 2/3 vote of the Senators present.

It is the opinion of the Committee that the term "stricken" refers to the removal from the calendar by any means including a motion to commit or re-commit the bill to committee.

In addition, the special order calendar determining the priority for consideration of bills or joint resolutions becomes "the rule of the Senate for the day involved" and any change in that rule would likewise require a 2/3 vote of the members of the Senate present.

*Respectfully submitted,
George L. Hollahan, Jr.
Chairman, Committee on
Rules, Calendar, Privileged
Business and Ethics*

The Chair ruled the motion by Senator Broxson that SB 297 be referred to an appropriate committee would require a two-thirds vote.
