On motion by Senator Ott the following amendment was adopted:

In title, line 6, page 1, strike all of line 6 and insert: ment of Section 2 of Article II and Sections 3, 5, and 6 of Article

Senator Stolzenburg moved the following amendment:

On page 2, line 12, section 5, strike Section 5 and insert: Section 5. Election of governor, lieutenant governor and cabinet members; qualifications; terms.—

(a) At a state-wide general election in each calendar year the number of which is even but not a multiple of four, the electors shall choose a governor and a lieutenant governor and members of the cabinet each for a term of four years beginning on the first Tuesday after the first Monday in January of the succeeding year. In the general election, all candidates for the offices of governor and lieutenant governor shall form joint candidacies in a manner prescribed by law so that each voter shall cast a single vote for a candidate for governor and a candidate for lieutenant governor running together. In the first and second party primaries, if held, candidates for the office of governor and lieutenant governor shall not form joint candidacies, but seek nomination as individual candidates.

(b) When elected, the governor, lieutenant governor and each cabinet member must be an elector not less than thirty years of age who has resided in the state for the preceding seven years. The attorney general must have been a member of the bar of Florida for the preceding five years. No person who has, or but for resignation would have, served as governor or acting governor for more than six years in two consecutive terms shall be elected governor for the succeeding term.

Senator Bell moved the adoption of the following amendment to the amendment which failed:

On page 2, line 12, section 35, strike Section 5 and insert: Section 5. Election of governor, lieutenant governor and cabinet members; qualifications; terms.—

(a) At a state-wide general election in each calendar year the number of which is even but not a multiple of four, the electors shall choose a governor and a lieutenant governor and members of the cabinet each for a term of four years beginning on the first Tuesday after the first Monday in January of the succeeding year. In the general election and in party primaries, if held, all candidates for the offices of governor and lieutenant governor shall seek election as individual candidates in a manner prescribed by law.

The amendment failed.

Senator Myers raised a point of order that the Senate Joint Resolution was not in proper form for a constitutional amendment, in that Article XI, Section 1 of the constitution states: "An amendment of a section or revision of one or more articles or the whole of this constitution may be proposed by joint resolution and adopted by three-fifths vote of the membership", which indicates one section at a time shall be amended or the entire article to which the joint resolution refers. This resolution attempts to amend several sections which would be an invalid proposal. This is not an attempt to try to kill the proposal.

The President ruled that the point raised is not a point to the rules under which the Senate operates but rather a point as to whether or not the resolution meets the constitutional design of amending the constitution. Senator Ott responded that he had in fact checked same with the Service Bureau and that it does comply. The President, thereupon ruled the point of order not well taken.

On motion by Senator Henderson the following amendment was adopted:

On page 3, line 4, section 5, strike "more than six years in two consecutive" and insert: four years

The vote was:

SR 1294—A Senate resolution in observance of Mother's Day.

WHEREAS, the Creator and preserver of all mankind has given to each of us one person in our entry upon the stage of life for whom "in the Heavens above, the angels, whispering to one another, can find, among their burning terms of love, none so devotional as that of 'Mother', therefore, by that dear name" we call her, and

WHEREAS, our beloved Mothers have unselfishly given of themselves to others, have courageously and graciously accepted the responsibilities thrust upon them knowing full well the sufferings and deprivations facing them, yet remaining steadfast to their tasks, retaining the highest of ideals, and imparting a spirit of love and devotion throughout the ages; and

WHEREAS, we should pause in deep meditation and reverence to express our love and appreciation for the sacrifices, privations, sufferings and devotion of all Mothers; and

WHEREAS, Sunday, May 9, 1971, has been designated and set apart as Mother's Day, in order to pay homage to the motherhood of our nation;

NOW, THEREFORE, BE IT RESOLVED by the Senate of the State of Florida that we do pause and through this resolution do express to our own mothers and mothers of the world, with all sincerity and dignity, and undying gratitude for the life, love, and happiness which has been given by all mothers, sealed with our sincere affection, love and devotion for each of them; and

BE IT FURTHER RESOLVED, that the Senate do now stand in token of our love and respect for the mothers of the nation, and as an expression of the fact that neither they nor their love will ever be forgotten though time may pass them by. God bless them, and may the Angels in heaven receive them under their wings when the earthly pilgrimage is finished.
